## 7. Repurchase by our Company of our own securities

This paragraph includes information required by the Stock Exchange to be included in this prospectus concerning the repurchase by our Company of our own securities.

(a) *Shareholders' approval*

All proposed repurchases of securities (which must be fully paid up in the case of shares) by a company listed on the Stock Exchange must be approved in advance by an ordinary resolution of the shareholders, either by way of general mandate or by specific approval of a particular transaction.

*Note:* Pursuant to a resolution in writing passed by all the Shareholders on 4 March 2011, the Repurchase Mandate was given to our Directors authorising any repurchase by our Company of Shares on the Stock Exchange or any other stock exchange on which the securities of our Company may be listed and which is recognised by the SFC and the Stock Exchange for this purpose, of up to 10% of the aggregate nominal amount of the share capital of our Company in issue immediately following completion of the Global Offering and the Capitalisation Issue but excluding any Shares which may be issued pursuant to the exercise of the Over-allotment Option, such mandate to expire at the conclusion of the next annual general meeting of our Company, or the date by which the next annual general meeting of our Company is required by the Bye-Laws or applicable Bermuda law to be held, or the passing of an ordinary resolution by Shareholders in general meeting revoking or varying the authority given to our Directors, whichever occurs first.

(b) *Source of funds*

Repurchases must be paid out of funds legally available for the purpose in accordance with the Bye-Laws and the Companies Act. A listed company may not repurchase its own securities on the Stock Exchange for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange. Under Bermuda laws, any repurchase of shares may only be effected out of capital paid up on the repurchased shares or out of the funds of our Company which would otherwise be available for dividend or distribution or out of the proceeds of a fresh issue of shares made for the purpose of the repurchase. Any premium payable on a repurchase over the par value of the shares to be repurchased must be provided for out of funds of our Company which would otherwise be available for dividend or distribution or out of our Company's share premium account before the shares are repurchased.

*(c) Reasons for repurchases*

The Directors believe that it is in the best interest of our Company and the Shareholders for our Directors to have general authority from the Shareholders to enable our Company to repurchase Shares in the market. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or earnings per Share and will only be made if our Directors believe that such repurchases will benefit our Company and the Shareholders.

*(d) Funding of repurchases*

In repurchasing securities, we may only apply funds legally available for such purpose in accordance with the Bye-Laws, the Listing Rules and the applicable laws of Bermuda.

On the basis of the current financial position of our Group as disclosed in this prospectus and taking into account the current working capital position, our Directors consider that, if the Repurchase Mandate were to be exercised in full, it might have a material adverse effect on the working capital and/or our gearing position as compared to the position of our Group disclosed in this prospectus. However, our Directors do not propose to exercise the Repurchase Mandate to such an extent as would, in the circumstances, have a material adverse effect on our working capital requirements or the gearing levels which in the opinion of our Directors are from time to time appropriate for our Group.

The exercise in full of the Repurchase Mandate, on the basis of 500,000,000 Shares in issue immediately after the Listing, would result in up to 50,000,000 Shares being repurchased by our Company during the period in which the Repurchase Mandate remains in force.

*(e) General*

None of our Directors nor, to the best of their knowledge having made all reasonable enquiries, any of their associates currently intends to sell any Shares to our Company or our subsidiaries.

Our Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the Repurchase Mandate in accordance with the Listing Rules and the applicable laws of Bermuda.

If, as a result of a securities repurchase, a Shareholder's proportionate interest in the voting rights of our Company is increased, such increase will be treated as an acquisition for the purpose of the Hong Kong Code on Takeovers and Mergers ("**Takeovers Code**"). Accordingly, a Shareholder or a group of Shareholders acting in concert could obtain or consolidate control of our Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code. Save as aforesaid, our Directors are not aware of any consequences which would arise under the Takeovers Code as a consequence of any repurchases pursuant to the Repurchase Mandate.

Our Directors will not exercise the Repurchase Mandate if the repurchase would result in the number of Shares which are in the hands of the public falling below 25% of the total number of Shares in issue (or such other percentage as may be prescribed as the minimum public shareholding under the Listing Rules).

No connected person (as defined in the Listing Rules) of our Company has notified us that he/she/it has a present intention to sell Shares to our Company, or has undertaken not to do so if the Repurchase Mandate is exercised.

#### 8. Registration under Part XI of the Companies Ordinance

#### *(i) Purposes of the scheme*

The purpose of the Share Option Scheme is to enable us to grant options to selected participants as incentives or rewards for their contribution to us. Our Directors consider the Share Option Scheme, with its broadened basis of participation, will enable us to reward the employees, our Directors and other selected participants for their contributions to us. Given that our Directors are entitled to determine any performance targets to be achieved as well as the minimum period that an option must be held before an option can be exercised on a case by case basis, and that the exercise price of an option cannot in any event fall below the price stipulated in the Listing Rules or such higher price as may be fixed by our Directors, it is expected that grantees of an option will make an effort to contribute to the development of us so as to bring about an increased market price of the Shares in order to capitalise on the benefits of the options granted.

*(b) Present status of the Share Option Scheme**(i) Approval of the Listing Committee required*

The Share Option Scheme is conditional on the Listing Committee of the Stock Exchange granting the listing of, and permission to deal in, such number of Shares to be issued pursuant to the exercise of any options which may be granted under the Share Option Scheme, such number being not less than that of the General Scheme Limit.

*(ii) Application for approval*

Application has been made to the Listing Committee of the Stock Exchange for the listing of and permission to deal in the Shares to be issued within the General Scheme Limit pursuant to the exercise of any options which may be granted under the Share Option Scheme.

*(iii) Grant of option*

As at the date of this prospectus, no options have been granted or agreed to be granted under the Share Option Scheme.

*(iv) Value of options*

The Directors consider it inappropriate to disclose the value of options which may be granted under the Share Option scheme as if they had been granted as at the Latest Practicable Date. Any such valuation will have to be made on the basis of certain option

pricing model or other methodology, which depends on various assumptions including, the exercise price, the exercise period, interest rate, expected volatility and other variables. As no options have been granted, certain variables are not available for calculating the value of options. The Directors believe that any calculation of the value of options as at the Latest Practicable Date based on a number of speculative assumptions would not be meaningful and would be misleading to investors.
