# If that date is not a business day, the immediately preceding business day.

\* The implied volatility, gearing, effective gearing and premium may not be comparable to similar information provided by other issuers of derivative warrants as different issuers may use different pricing models.

#### **How do we calculate the cash settlement amount?**

The warrants are in global registered form and exercisable only in integral multiples of the relevant board lot.

If on the relevant expiry date the relevant cash settlement amount is greater than zero, the warrants will be automatically exercised.

Each relevant exercise amount will entitle you to receive from the issuer the relevant cash settlement amount in Hong Kong dollars calculated by the issuer as equal to:

*For call warrants:* [entitlement x (closing price – exercise price)] – exercise expenses

*For put warrants:* [entitlement x (exercise price – closing price)] – exercise expenses

The relevant **closing price** per share is the arithmetic mean of the closing price of one share (which is obtained from the daily quotation sheet of the stock exchange (subject to adjustments)) for each **valuation date** (being each of the five business days immediately preceding the relevant expiry date, subject to adjustment in accordance with the terms and conditions of the warrants).

#### **Where can you obtain further information?**

The base listing document dated 15 July 2011 (as supplemented by the first addendum to be dated 14 February 2012) and the supplemental listing document to be dated 14 February 2012 will be available for inspection, together with their Chinese translations, during normal business hours at the office of Daiwa Capital Markets Hong Kong Limited, which is presently at Level 26, One Pacific Place, 88 Queensway, Hong Kong. Information on the issuer can also be found on the website of [www.hk.daiwacm.com](http://www.hk.daiwacm.com) and on the website of the group of companies to which it belongs, which is [www.daiwa-grp.jp](http://www.daiwa-grp.jp).

#### **How will the liquidity provider provide quotes?**

The liquidity provider will provide liquidity by responding to requests for bid and offer quotes. A quote may be obtained by calling the telephone number of the liquidity provider. The issuer or the liquidity provider may be the only market participant for the warrants. The secondary market for the warrants may be limited.

**Additional information**

The warrants will constitute general unsecured and unsubordinated contractual obligations of the issuer. They are not obligations of any other person.

An application will be made to the stock exchange for the listing of, and permission to deal in, the warrants on the stock exchange. The date of commencement of dealings in the warrants is expected to be 15 February 2012.

The issuer is regulated by the Hong Kong Securities and Futures Commission for the conduct of the business in dealing in securities in Hong Kong.
