 - 20% of the aggregate nominal value of our share capital in issue immediately following completion of the Global Offering before any exercise of the Over-allotment Option;

- the aggregate nominal value of the share capital of our Company repurchased by us (if any);
- (iii) a general unconditional mandate was given to our Directors to exercise all the powers of our Company to repurchase Shares to be listed on the Hong Kong Stock Exchange with a total nominal value of not more than 10% of the aggregate nominal value of share capital in issue immediately following completion of the Global Offering before any exercise of the Over-allotment Option; and
- (iv) the general unconditional mandate as mentioned in paragraph (iii) above was extended by increasing the aggregate nominal value of our Shares which may be allotted and issued or agreed to be allotted and issued by our Directors pursuant to such general mandate by an amount representing the aggregate nominal value of our Shares purchased by our Company pursuant to the mandate to repurchases Shares referred to in paragraph (iii) above.

Each of the general mandates referred to in paragraphs (ii), (iii) and (iv) above will remain in effect until whichever is the earliest of (i) the conclusion of the next annual general meeting of our Company; (ii) the expiration of the period within which the next annual general meeting of our Company is required to be held by any applicable law or the Articles of Association; or (iii) the time when such mandate is revoked or varied by an ordinary resolution of our Shareholders in a general meeting.

5. Repurchase of our own Shares

This section includes information relating to the repurchase of our Shares, including information required by the Hong Kong Stock Exchange to be included in this prospectus concerning such repurchase.

(a) *Relevant Legal and Regulatory Requirements*

The Listing Rules permit our Shareholders to grant to our Directors a general mandate to repurchase our Shares that are listed on the Hong Kong Stock Exchange. Such mandate is required to be given by way of an ordinary resolution passed by our Shareholders in a general meeting.

(b) *Shareholders' Approval*

All proposed repurchases of Shares (which must be fully paid up) must be approved in advance by ordinary resolutions of our Shareholders in a general meeting, either by way of general mandate or by specific approval of a particular transaction.

On December 27, 2011, our Directors were granted a general unconditional mandate to repurchase up to 10% of the aggregate nominal value of the share capital of our Company in issue immediately following completion of the Global Offering on the Hong Kong Stock Exchange or on any other stock exchange on which our securities may be listed and which is recognized by the SFC and the Hong Kong Stock Exchange for this purpose before any exercise of the Over-allotment Option. This mandate will expire at the earliest of (i) the conclusion of our next annual Shareholders' general meeting, (ii) the date by which our next Shareholders' general meeting is required by applicable laws and our Articles of Association to be held, or (iii) such mandate being revoked or varied by ordinary resolutions of our Shareholders in a general meeting (the "Relevant Period").

(c) *Source of Funds*

Repurchases of Shares listed on the Hong Kong Stock Exchange must be funded from funds legally available for such purpose in accordance with our Memorandum of Association and Articles of Association and the applicable laws of the Cayman Islands. We may not repurchase our Shares on the Hong Kong Stock Exchange for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Hong Kong Stock Exchange. Subject to the foregoing, we may make repurchases with funds which would otherwise be available for dividend or distribution, or out of our share premium account or out of an issue of new Shares for the purpose of the repurchase.

(d) *Reasons for Repurchases*

Our Directors believe that it is in our Company's and our Shareholders' best interests for our Directors to have general authority to execute repurchases of our Shares in the market. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or earnings per Share and will only be made where our Directors believe that such repurchases will benefit our Company and our Shareholders.

(e) *Funding of Repurchases*

In repurchasing securities, we may only apply funds legally available for such purpose in accordance with the Companies Law, the common law of the Cayman Islands, our Memorandum of Association and Articles of Association and the Listing Rules.

On the basis of the current financial position of our Company as disclosed in this prospectus and taking into account the current working capital position of our Company, our Directors believe that, if the repurchase mandate were to be exercised in full, it might have a material adverse effect on our working capital and/or the gearing position as compared with the position disclosed in this prospectus. However, our Directors do not propose to exercise the repurchase mandate to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements of our Company or the gearing levels which in the opinion of our Directors are from time to time appropriate for us.

(f) *Share Capital*

The exercise in full of the current repurchase mandate, on the basis of 1,000,000,000 Shares in issue immediately after completion of the Global Offering before any exercise of the Over-allotment Option could accordingly result in up to 100,000,000 Shares being repurchased by us during the Relevant Period.

(g) *General*

None of our Directors nor, to the best of their knowledge having made all reasonable enquiries, any of their associates (as defined in the Listing Rules) currently intends to sell any of our Shares to us or our subsidiaries.

Our Directors have undertaken to the Hong Kong Stock Exchange that, so far as the same may be applicable, they will exercise the repurchase mandate in accordance with the Listing Rules, our Memorandum of Association and Articles of Association, the Companies Law and any other applicable laws of the Cayman Islands.

If, as a result of any repurchase of our Shares, a Shareholders' proportionate interest in our voting rights is increased, such increase will be treated as an acquisition for the purposes of the Hong Kong Code on Takeovers and Mergers. Accordingly, a Shareholder or a group of Shareholders acting in concert could obtain or consolidate control of us and become obliged to make a mandatory offer in accordance with rule 26 of the Hong Kong Code on Takeovers and Mergers. Our Directors are not aware of any intention to repurchase which would fall under the Hong Kong Code on Takeovers and Mergers.

No connected person as defined by the Listing Rules has notified us that he or it has a present intention to sell his or its Shares to us, or has undertaken not to do so, if the repurchase mandate is exercised.

No repurchase of Shares has been made by our Company within six months preceding the date of this prospectus.

2. Pre-IPO Share Option Scheme

(a) Summary of terms

The following is a summary of the principal terms of the Pre-IPO Share Option Scheme adopted on December 27, 2011:

(i) *Purpose of the Pre-IPO Share Option Scheme*

The Pre-IPO Share Option Scheme is established for the purposes of recognizing and acknowledging the contributions that certain of our employees have made or may make to our Group and encouraging such employees to continue to promote the interests of our Company and our Shareholders.

(ii) *Who may join*

The board of directors of Christine Princess may, upon the recommendations of our Board, offer to grant an option to subscribe for such number of Shares held by Christine Princess as our Board may recommend at a subscription price set out in paragraph (iv) below to any member of our employees.

(iii) *Maximum number of Shares*

Unless otherwise determined by the directors of Christine Princess, the maximum number of Shares in respect of which options may be granted under the Pre-IPO Share Option Scheme shall not exceed 10% of the total number of Shares in issue, being 75,000,000 Shares, on the date of adoption of the Pre-IPO Share Option Scheme.

(iv) *Price of Shares*

Subject to any adjustments made as described in paragraph (xi) below, the subscription price of a Share payable by the grantee in respect of any particular option granted under the Pre-IPO Share Option Scheme shall be 50% of the Offer Price per Share as finally determined under the Global Offering.

(v) *Time of exercise of options and the duration of the Pre-IPO Share Option Scheme*

The options subject to the Pre-IPO Share Option Scheme are subject to a vesting period of six years commencing from the date of grant of such options during which 25% of the options granted to a grantee will vest on each of the third, fourth, fifth and sixth anniversary of the date of grant and be exercisable within one year from such anniversary. In the event that the performance target specified in the offer of option is not fulfilled, the vesting date of options will be postponed by one year. Upon vesting, the options will become exercisable and options not exercised within the exercise period will lapse and cease to be of further effect. No option shall be exercisable 10 years after the date of grant.

(vi) *Exercise of options*

Subject to the fulfillment of all terms and conditions set out in the offer of the options, including the attainment of any performance targets stated therein (if any), options shall be exercisable. When an option is exercised, Christine Princess shall accordingly transfer

the relevant number of Shares to the grantee (or, in the event of an exercise of options by a personal representative pursuant to paragraph (viii) below, to the estate of the grantee) at the subscription price described in paragraph (iv) above. Shares transferred to the grantee upon the exercise of an option will be subject to all the provisions of the Articles of Association.

(vii) *Rights are personal to grantee*

An option is personal to the grantee and shall not be transferrable. No grantee shall transfer, sell, exchange or charge over any option granted to any other person. Any breach of the foregoing by the grantee shall entitle Christine Princess to cancel any option granted to such grantee to the extent not already exercised.

(viii) *Rights on death*

In the event of death of a grantee before exercising his options in full, his personal representative(s) may exercise the options (to the extent vested and not already exercised) within six months after the date of death. All options granted but not vested will be cancelled automatically.

(ix) *Rights on ceasing employment*

In the event of a grantee ceasing to be an employee of our Group by reason of retirement, ill-health or termination of his employment upon the expiry of his contract of employment before exercising his options in full, he may exercise the options (to the extent vested and not already exercised) before the end of his employment. All options granted but not vested will be cancelled automatically.

In the event of a grantee ceasing to be an employee of our Group by reason of his early termination of his contract of employment or termination or dismissal on the grounds of poor performance or serious default, he may exercise the options (to the extent vested and not already exercised) before the end of his employment. All options granted but not vested will be cancelled automatically.

(x) *Ranking of Shares*

The Shares to be transferred on the exercise of options will rank *pari passu* in all respects with the then existing fully paid Shares in issue on the date on which the option is duly exercised or, if that date falls on a day when the register of members of the Company is closed, the first day of the re-opening of the register of members (the "Exercise Date") and accordingly will entitle the holders thereof to participate in all dividends or other distribution previously declared or recommended or resolved to be paid or made if the record date therefore shall be before the Exercise Date. A Share transferred upon the exercise of an option shall not carry voting rights until the name of the grantee has been duly entered on the register of members of our Company as the holder thereof.

(xi) *Adjustment to subscription price*

In the event of any bonus issue, rights issue, dividend distribution or placing of new Shares, adjustments shall be made to the number and subscription price of Shares under the options, so far as unvested or unexercised, pursuant to terms of the Pre-IPO Share Option Scheme provided that the adjusted subscription price per Share shall not be lower than the last audited net asset value per Share.

(xii) Alteration, suspension and termination of the Pre-IPO Share Option Scheme

Christine Princess may by resolution in general meeting at any time alter, suspend or terminate the Pre-IPO Share Option Scheme, provided that options already granted but not vested or exercised shall continue to be valid and enforceable in accordance with the terms of such options granted.
