How much will a holder of Warrants receive on expiry?

A holder of Warrants will receive a Cash Settlement Amount per Board Lot in Hong Kong dollars calculated as follows:

$$\frac{\text{Entitlement} \times (\text{Average Price}^* - \text{Exercise Price}) \times \text{one Board Lot}}{\text{Number of Warrant(s) per Entitlement}}$$

* When we refer to "Average Price", we mean the arithmetic mean of the closing price of one Share (as derived from the daily quotation sheet of the Stock Exchange, subject to any adjustments (as determined by us in accordance with the terms and conditions of the Warrants) to such closing price as may be necessary to reflect any capitalisation, rights issue, distribution or the like) in respect of each of the five business days immediately preceding the Expiry Date.

Where the above formula results in a negative amount, the Cash Settlement Amount per Board Lot shall be zero.

What happens at expiry?

On the Expiry Date, if the Cash Settlement Amount is greater than zero, the Warrants will be automatically exercised. We will pay a holder of Warrants the Cash Settlement Amount in accordance with the terms and conditions of the Warrants net of any exercise expenses.
