*Terms not defined in this notice have the same meaning as defined in the general conditions and the product conditions of the CBBCs (together, the **conditions**).*

Credit Suisse AG (the **issuer**) announces that under the conditions, following the occurrence of a mandatory call event (**MCE**) in respect of the CBBCs at 13:05:48 on May 16, 2012, the amount of the residual value has been determined to be HKD 400.0000 per board lot of CBBCs (such board lot being 10,000 CBBCs).

In respect of each board lot of CBBCs, the residual value is an amount in Hong Kong dollars calculated by the issuer in accordance with the following formula:

$$\frac{\text{entitlement} \times (\text{minimum trade price} - \text{strike price}) \times \text{one board lot}}{\text{number of CBBC(s) per entitlement}}$$

Where:

“entitlement” means one share;

“minimum trade price” means HKD 214.00;

“strike price” means HKD 210.00;

“one board lot” means 10,000; and

“number of CBBC(s) per entitlement” means 100.

Subject to the occurrence of a settlement disruption event, all holders will receive the residual value (net of any exercise expenses) (if any) no later than May 22, 2012, which is three CCASS settlement days following the end of the MCE valuation period.
