- (i) the date of the Board meeting (as such date is first notified to the Stock Exchange in accordance with the Listing Rules) for the approval of our Company's results for any year, half year, quarterly or any other interim period (whether or not required under the Listing Rules); and
- (ii) the deadline for our Company to publish an announcement of our Company's results for any year or half-year under the Listing Rules, or quarterly or any other interim period (whether or not required under the Listing Rules), and in each case ending on the date of the results announcement, our Company may not repurchase Shares on the Stock Exchange unless the circumstances are exceptional.

(e) *Procedural and reporting requirements*

As required by the Listing Rules, repurchases of Shares on the Hong Kong Stock Exchange or otherwise must be reported to the Hong Kong Stock Exchange not later than 30 minutes before the earlier of the commencement of the morning trading session or any pre-opening session on the Hong Kong Stock Exchange business day following any day on which our Company may make a purchase of Shares. The report must state the total number of Shares purchased the previous day, the purchase price per Share or the highest and lowest prices paid for such purchases. In addition, our Company's annual report is required to disclose details regarding repurchases of Shares made during the year, including a monthly analysis of the number of shares repurchased, the purchase price per Share or the highest and lowest price paid for all such purchases, where relevant, and the aggregate prices paid.

(f) *Connected parties*

A company is prohibited from knowingly repurchasing securities on the Hong Kong Stock Exchange from a connected person (as defined in the Listing Rules) and a connected person shall not knowingly sell its securities to the company on the Hong Kong Stock Exchange.

(g) *Reasons for Repurchase*

Our Directors believe that it is in our and our Shareholders' best interests for our Directors to have general authority to execute repurchases of our Shares in the market. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or earnings per Share and will only be made where our Directors believe that such repurchases will benefit us and our Shareholders.

(h) *Funding of Repurchase*

In repurchasing securities, we may only apply funds legally available for such purpose in accordance with our Memorandum of Association and Articles of Association, Cayman Companies Law or any other applicable laws of Cayman Islands and the Listing Rules.

On the basis of the current financial position of our Company as disclosed in this prospectus and taking into account the current working capital position of our Company, our Directors believe that, if the repurchase mandate were to be exercised in full, it might have a material adverse effect on our working capital and/or the gearing position as compared with the position disclosed in this prospectus. However, our Directors do not propose to exercise the repurchase mandate to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements of our Company or the gearing levels which, in the opinion of our Directors, are from time to time appropriate for us.

(i) *Share Capital*

The exercise in full of the current repurchase mandate, on the basis of 1,560,980,000 Shares in issue immediately upon the Capitalization Issue and completion of the Global Offering but before any exercise of the Over-allotment Option, could accordingly result in up to 156,098,000 Shares being repurchased by us during the Relevant Period.

(j) *General*

None of our Directors nor, to the best of their knowledge, having made all reasonable inquiries, any of their associates (as defined in the Listing Rules) currently intends to sell any of our Shares to us or our subsidiaries.

Our Directors have undertaken to the Hong Kong Stock Exchange that, so far as the same may be applicable, they will exercise the repurchase mandate in accordance with the Listing Rules, the Memorandum of Association and Articles of Association, the Cayman Companies Law and any other applicable laws of the Cayman Islands.

If, as a result of any repurchase of our Shares pursuant to the repurchase mandate, a shareholder's proportionate interest in our voting rights is increased, such increase will be treated as an acquisition for the purposes of the Takeovers Code. Accordingly, a Shareholder or a group of Shareholders acting in concert, depending on the level of increase of the Shareholders interest, could obtain or consolidate control of us and become obliged to make a mandatory offer in accordance with rule 26 of the Takeovers Code. Our Directors are not aware of any consequences of repurchases which would arise under the Takeovers Code if the repurchase mandate is exercised.

No connected person, as defined in the Listing Rules, has notified us that he/she or it has a present intention to sell his/her or its Shares to us, or has undertaken not to do so, if the repurchase mandate is exercised.

On April 3, 2012, Asset Link transferred 11,000 Shares, representing 5.5% of the then issued share capital of the Company, to Yongda Employee Incentive Company Limited, which is a special purpose vehicle incorporated in the BVI on March 8, 2012 and is wholly owned by HSBC HK Trustee, the trustee of the Employee Pre-IPO Incentive Scheme which was appointed pursuant to a trust deed dated April 3, 2012, for the purpose of holding the trust assets.

Immediately upon the Capitalization Issue and completion of the Global Offering, the Yongda Employee Trust will hold 70,400,000 Shares (the “Scheme Shares”), representing approximately 4.5% of the issued share capital of the Company, assuming the Over-allotment Option is not exercised.

Objective

We adopted the Employee Pre-IPO Incentive Scheme to recognize the contributions by certain employees, directors (other than independent non-executive directors) and members of senior management of the Group, to attract suitable personnel, and to provide financial incentives to them to remain with the Group and strive for the future development and expansion of the Group.

Under the Employee Pre-IPO Incentive Scheme, any employees, directors (other than independent non-executive directors) and members of the senior management of the Group, but excluding (a) any person who has given or been given notice terminating his or her office or directorship, as the case may be; and (b) any other person that the Board may determine from time to time may participate in this scheme.

Abstinence From Voting

Pursuant to the trust deed and the rules of the Employee Pre-IPO Incentive Scheme, HSBC HK Trustee is required to abstain from voting on any Scheme Shares for the term of the Employee Pre-IPO Incentive Scheme.

Duration and Effectiveness

The Employee Pre-IPO Incentive Scheme will take effect conditional upon (a) the Listing Committee of the Hong Kong Stock Exchange granting approval for the listing of, and permission to deal in, the Shares on the Hong Kong Stock Exchange; and (b) the commencement of dealings in the Shares on the Hong Kong Stock Exchange.
