Announcement

SGA Société Générale Acceptance N.V. (the “**Issuer**”) gives notice that under the terms and conditions of the CBBCs (the “**Conditions**”), following the occurrence of the Mandatory Call Event (the “**MCE**”) in respect of the CBBCs described in the table below in the pre-opening session or the continuous trading session (as the case may be) of the Stock Exchange at the time (the “**MCE Time**”) and on the date (the “**MCE Date**”) specified in the table below, the Residual Value in respect of the CBBCs has been determined as follows:

Stock Code	Type	MCE Time	MCE Date	Underlying	Issue Size	Entitlement Ratio	Index Currency Amount	Board Lot	Strike Level	Maximum / Minimum Index Level	Residual Value per CBBC	Residual Value per Board Lot
69886	Bull	13:02:15	18-May-2012	Hang Seng Index	200,000,000	10,000	HKD 1.00	10,000	18,500	18,622.31	HK\$0.012231	HK\$122.31

For Bull CBBCs, the Residual Value per Board Lot is determined by the Issuer by reference to the following formula:

$$\frac{(\text{Minimum Index Level} - \text{Strike Level}) \times \text{one Board Lot} \times \text{Index Currency Amount}}{\text{Entitlement Ratio}}$$

For Bear CBBCs, the Residual Value per Board Lot is determined by the Issuer by reference to the following formula:

$$\frac{(\text{Strike Level} - \text{Maximum Index Level}) \times \text{one Board Lot} \times \text{Index Currency Amount}}{\text{Entitlement Ratio}}$$

Subject to Settlement Disruption Event, all eligible CBBC holders will receive the Residual Value (if any) no later than 24 May 2012, being the third CCASS Settlement Day following the end of the MCE Valuation Period.

Capitalised terms not defined in this announcement have the meaning given to them in the Conditions.

Hong Kong, 21 May 2012
