### **SUPPLEMENTAL ANNOUNCEMENT OF ANNUAL RESULTS FOR THE YEAR ENDED 31 DECEMBER 2011**

Reference is made to the results announcement of Computer And Technologies Holdings Limited (the "Company") dated 22 March 2012 (the "Results Announcement") and the annual report of the Company dated 17 April 2012 (the "2011 Annual Report") in respect of, among other things, the business and financial review disclosed in the Results Announcement and 2011 Annual Report. Capitalised terms used herein shall have the same meanings ascribed to them in the Announcement and 2011 Annual Report unless otherwise defined in this announcement.

#### **ADDENDUM TO BUSINESS AND FINANCIAL REVIEW**

For the year ended 31 December 2011, the investments segment of the Group recorded segment results of HK\$14.7 million (2010: HK\$13.8 million), representing an increase of 7%, which was primarily due to the combined effect of the following transactions, including (i) HK\$6.9 million gain on disposal of property, plant and equipment (2010: HK\$1.5 million), (ii) HK\$5.9 million fair value loss on listed securities in Hong Kong (2010: fair value gain of HK\$0.6 million) due to unexpected decreases in their share prices in the fourth quarter of 2011 and (iii) a HK\$9.1 million fair value gain on investment properties (2010: HK\$7.4 million) due to continuing appreciation in their market values.

As at 31 December 2011, the investments segment of the Group recorded segment assets (mainly comprised (i) investment properties located in Hong Kong, Guangzhou and Nanjing for rental purpose and (ii) listed debt and listed securities in Hong Kong) of HK\$60 million (2010: HK\$52.1 million), representing an increase of 15%, which was mainly due to the increase in investments in listed debt and listed securities in Hong Kong.

The management is optimistic that this segment will continue generating stable rental income from investment properties and dividend and interest income from investments in financial assets but takes a prudent view on their short term price fluctuations.
