## FORWARD LOOKING STATEMENTS

---

This prospectus includes forward-looking statements. All statements other than statements of historical facts contained in this prospectus, including, without limitation, those regarding our future financial position, our strategy, plans, objectives, goals, targets and future developments in the markets where we participate or are seeking to participate, and any statements preceded by, followed by or that include the words “believe,” “expect,” “estimate,” “predict,” “aim,” “intend,” “will,” “may,” “plan,” “consider,” “anticipate,” “seek,” “should,” “could,” “would,” “continue,” or similar expressions or the negative thereof, are forward-looking statements. These forward-looking statements involve known and unknown risks, uncertainties and other factors, some of which are beyond our control, which may cause our actual results, performance or achievements, or industry results, to be materially different from any future results, performance or achievements expressed or implied by the forward-looking statements. These forward-looking statements are based on numerous assumptions regarding our present and future business strategies and the environment in which we will operate in the future. Important factors that could cause our actual performance or achievements to differ materially from those in the forward-looking statements include, among others, the following:

- our ability to successfully implement our business plan and strategies;
- PRC government’s policies and regulatory framework supporting the clean energy industry;
- future development and other trends in the PRC hydropower, wind power and coal-fired power industries;
- cost, fluctuations in the price and availability of coal, wind turbines and other key equipment;
- changes to our expansion plans and estimated capital expenditures;
- our operations and business prospects;
- our financial condition and performance;
- the competitive markets for our products and the actions and development of our competitors;
- our dividend policy;
- general political and economic conditions, including those related to the PRC;
- exchange rate fluctuations;
- developments in the industries and markets in which we operate;
- regulations and restrictions, including tariffs and environmental regulations; and
- macroeconomic measures taken by the PRC government to manage economic growth.

Additional factors that could cause actual performance or achievements to differ materially include, but are not limited to, those discussed under the section headed “Risk Factors” and elsewhere in this prospectus. We caution you not to place undue reliance on these forward-looking statements, which reflect our management’s view only as of the date of this prospectus. We undertake no obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise. In light of these risks, uncertainties and assumptions, the forward-looking events discussed in this prospectus might not occur. All forward-looking statements contained in this prospectus are qualified by reference to the cautionary statements set out in this section and the risk and uncertainties discussed in the section entitled “Risk Factors.”
