(Incorporated in Bermuda with limited liability)

INTRODUCTION

We have reviewed the interim financial information set out on pages 3 to 20 which comprises the condensed consolidated statement of financial position of the Company as at 30 September 2012 and the related condensed consolidated income statement, condensed consolidated statement of comprehensive income, condensed consolidated statement of changes in equity and condensed consolidated statement of cash flows for the six-month period then ended, and a summary of significant accounting policies and other explanatory notes. The Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited require the preparation of a report on interim financial information to be in compliance with the relevant provisions thereof and International Accounting Standard 34 "Interim Financial Reporting". The directors are responsible for the preparation and presentation of this interim financial information in accordance with International Accounting Standard 34. Our responsibility is to express a conclusion on this interim financial information based on our review and to report our conclusion solely to you, as a body, in accordance with our agreed terms of engagement, and for no other purpose. We do not assume responsibility towards or accept liability to any other person for the contents of this report.

SCOPE OF REVIEW

We conducted our review in accordance with International Standard on Review Engagements 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

CONCLUSION

Based on our review, nothing has come to our attention that causes us to believe that the interim financial information is not prepared, in all material respects, in accordance with International Accounting Standard 34.

RESULTS FOR THE SIX MONTHS ENDED 30 SEPTEMBER 2012

BUSINESS REVIEW:

In 2012, the global mobile handset industry exhibited a decline from 2011 for the same period. According to the statistics from Gartner, Inc. ("Gartner"), during the first six months of the year, approximately 838.1 million mobile handsets were sold globally, representing a decrease of approximately 2.15% compared to the same period in 2011. Gartner's analyst stated that due to the challenging economic environment and users postponing upgrades to take advantage of high-profile device launches later in the year, demand slowed down across markets while sales declined more than expected.

The mobile handset market of China maintained steady growth. During the first eight months, there was an increase of approximately 86 million to 1.07 billion in the number of mobile handset users, of which 3G subscribers increased around 64 million. The PRC manufacturers were also promoting 3G which drove the smart-phone market upward. Statistics shown that sales of smart-phone continued to drive the mobile handset market growth. Smart-phone sales accounted for around 36.7% of mobile handset sales in the second quarter of 2012, while it grew around 43.7% year-on-year. This implies that the demand of feature phones continued to decline, significantly weakening the overall mobile handset market. Android OS accounted for more than half of all smart-phone sales in 2012 according to Gartner's research. As a result, smart-phone market becomes highly commoditized and differentiation is becoming a challenge especially in the mid to low-end segment with price increasingly becoming the sole differentiator, leading to increased competition and low profitability.

As the mobile handset market is declining, energy saving LED lighting projects a potential market prospect. While energy saving becomes the focus of many local PRC provincial governments. The PRC government will purchase around RMB8 billion of LED street lamps during the period of "The Twelfth Five-Year Guideline". It is estimated that the policy will drive an additional industrial revenue of RMB3 billion. Leading market research company, Strategies Unlimited, forecasted that global LED replacement lamp market will grow 68.2% from US$2.2 billion in 2011 to US$3.7 billion in 2016.

The Group will continue to take cautious measures in its business operation and advance its development plan. It will keep abreast of the latest developments of the global economy, the mobile handset industry and other potential industries, while adjusting its business strategies as necessary from time to time.

CODE ON CORPORATE GOVERNANCE PRACTICES

Compliance with the Corporate Governance Code

The Board and senior management of the Company are committed to maintaining a high standard of corporate governance by complying, where possible, with the principles and guidelines of the Code of Corporate Governance 2005 (the "Singapore Code") issued by the Council Corporate Disclosure and Governance, Singapore and the Corporate Governance Code (the "Hong Kong Code") contained in Appendix 14 of the Rules Governing the Listing of Securities (the "Hong Kong Listing Rules") on the HKSE. The Board will be reviewing, and where necessary, adopting the recommendations made by the Corporate Governance Council Singapore on the Code of Corporate Governance which is effective in respect of the Company's Annual Report for the financial year ending 31 March 2014.

Other than those minor deviations which are explained below, the Company has complied with the principles of both the Singapore Code and Hong Kong Code during the period under review.

Segregation of role of Chairman and Chief Executive Officer

Currently, Mr. Wang Shih Zen, is the Chairman and the Chief Executive Officer ("CEO") of the Company. He is responsible for managing the Board, business strategy and direction, formulation of the Group's corporate plans and policies including executive decision-making and the day-to-day business operations of the Group. He also ensures that the Board is kept updated and informed of the Group's businesses.

Although there is a deviation from the recommendation of both the Singapore Code and Hong Kong Code, the Board believes that vesting the roles of both Chairman and CEO on the same person provides the Group with a strong and consistent leadership and allows for more effective planning execution of long-term business strategies. In addition, there is a strong element of independence of the Board as half of the current Board comprises Independent Non-executive Directors.

All major decisions made by the Chairman and CEO are reviewed by the Board. His performance and re-appointment to the Board are reviewed by the Nominating Committee (the "NC") and his remuneration package is reviewed by the Remuneration Committee (the "RC"). Both the NC and RC are chaired by Independent Non-executive Directors. The Board believes that there are adequate safeguards and checks in place to ensure that the process of decision making by the Board is independent and based on collective decision making without Mr. Wang Shih Zen being able to exercise considerable concentration of power or influence. As such, the Board does not consider segregating the role of Chairman and CEO at this moment. The NC will review the need to separate the roles from time to time and make its recommendation accordingly.

As the Chairman of the Board, Mr. Wang Shih Zen is responsible for the effective working of the Board such as ensuring that Board meetings are held when necessary, assisting in ensuring compliance with the Company's guidelines on corporate governance, acting as a facilitator at Board meetings and maintaining regular dialogue with Management on all operational matters. The Company Secretaries assist the Chairman in scheduling the Board and Board Committee meeting respectively in consultation with the Chief Financial Officer.

Mr. Chan Kam Loon was appointed as the Lead Independent Director to co-ordinate and lead Independent Non-executive Directors to provide a non-executive perspective and to contribute a balanced viewpoint to the Board. He is also available to address shareholders' concerns on issues that cannot be appropriately dealt with by the Chairman/CEO or the Chief Financial Officer.

Specific term for the appointment of Non-executive Directors (including Independent Non-executive Directors)

Pursuant to the Hong Kong Code, the Non-executive Directors (including Independent Non-executive Directors) should be appointed with a fixed term. However, there is no fixed term for the appointment of Independent Non-executive Directors and Non-executive Director. The Independent Non-executive Directors and Non-executive Director are re-appointed in accordance with the provision of the Bye-Laws.
