POSITIVE PROFIT ALERT

The Board would like to inform the shareholders of the Company and potential investors that, based on a preliminary review of the unaudited management accounts of the Group and other information currently available, it expects the unaudited consolidated interim results of the Group for the six months ending 30 June 2013 to record a consolidated net profit.

Shareholders of the Company and potential investors are advised to exercise caution when dealing in the shares of the Company.

Reference is made to the announcement of FIH Mobile Limited (formerly known as Foxconn International Holdings Limited) (the “Company” and together with its subsidiaries, the “Group”) dated 31 May 2013.

This announcement is made by the Company pursuant to Rule 13.09(2) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “Listing Rules”) and the Inside Information Provisions (as defined under the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board of directors of the Company (the “Board”) would like to inform the shareholders of the Company and potential investors that, based on a preliminary review of the unaudited management accounts of the Group and other information currently available, it expects the unaudited consolidated interim results of the Group for the six months ending 30 June 2013 to record a consolidated net profit. This is contrasted with the consolidated net loss of US\$224,128,000 recorded for the corresponding period in 2012 and the consolidated net loss of US\$316,067,000 recorded for the year ended 31 December 2012.

The Board understands that the expected consolidated net profit of the Group for the six months ending 30 June 2013 is primarily attributable to the improvement in the Group's gross profit margins principally as a result of the corresponding improvement in the Group's yield and operation efficiency, as well as control of the Group's cost of sales and general and administrative expenses and optimisation of its research and development resources.

The Company is still in the process of finalising the unaudited consolidated interim results of the Group for the six months ending 30 June 2013. The information contained in this announcement is only a preliminary assessment by the management of the Company based on the latest unaudited management accounts of the Group and other information currently available and is subject to possible adjustments following further internal review, and is not based on any figure or information which has been reviewed by the Company's auditors or audit committee. The finalised unaudited consolidated interim results of the Group and other related details will be disclosed in the 2013 interim results announcement and interim report to be published by the Company.

Shareholders of the Company and potential investors are advised to exercise caution when dealing in the shares of the Company.
