**PYXIS GROUP LIMITED** 

### Chairman's Statement

On behalf of the Board of Directors (the "Board") of Pyxis Group Limited (the "Company"), I would first like to thank our shareholders and staff for their support during the year.

For the year ended 31 March 2013, the Company and its subsidiaries (collectively the "Group") had a loss attributable to shareholders of HK\$15.2 million, reflecting the difficult operating environment of the Group.

Following the disposal of unprofitable businesses previously, management has focused its resources on identifying new businesses to create long-term value for shareholders. In this regard, the Board has been proactively seeking new investment opportunities and evaluating strategic acquisitions, to prepare the Company for future growth.

The difficult market environment in the past few years has slowed the progress of our business development efforts, and resulted in the Company's share trading being suspended. We have been focusing on exploring new opportunities in marketing services, communications, real estate, renewable energy and financial services industries where significant growth exists in Asia and where the Group has core competency. Looking forward, we intend to capitalize on such opportunities, and we will seek to improve the Group's operating results and enhance shareholders' value through our investments in this direction. The Company has been working at its best effort to have its share trading resumed.

On behalf of the Company, I would also like to express my sincere thanks to all of our suppliers and business associates for their continued support. Lastly, I wish to thank our staff for their loyalty and hard work.

#### **Henry Hung CHEN**

Chairman

Hong Kong, 25 June 2013

### **Review of Operations**

#### **Business outlook**

Following the disposal of the Group's unprofitable businesses previously, the Group shifted its business focus to sectors such as marketing services, communications, real estate, renewable energy and financial services. With this business focus, the Group has been actively exploring and seeking suitable investment opportunities (including the free standing insert coupon business, and also solar farm, micro financing, estate broker, advertising, e-coupon, employee benefits management, etc.). As the economic environment has been difficult, no investment deal has been concluded so far.

Because of the challenging environment the Group is facing, trading in the shares of the Company has been suspended since 5 July 2010. As stated in the announcements of the Company "Update on the Listing Status of the Company" and "Update on the Listing Status of the Company – Proceeding to the Second Stage of Delisting", dated 20 October 2010 and 27 April 2011, respectively, and the announcement by The Stock Exchange of Hong Kong Limited ("Stock Exchange") "Proceeding to third stage of delisting procedures", dated 23 November 2011, the third stage of delisting of the Company's shares under Practice Note 17 to the Rules Governing the Listing of Securities on the Stock Exchange of Hong Kong Limited ("Main Board Listing Rules") expired on 22 May 2012. Before the expiry date, the Company had submitted a resumption proposal, as described below.

The Company has continued to work to have its share trading resumed. As stated in the announcements of the Company "Update on Current Status", dated 21 October 2011, 11 May 2012 and 26 September 2012, the Board had identified an investment opportunity in obtaining the rights to build and operate renewable energy projects. The Company submitted a resumption proposal on 10 May 2012, along with a revision on 14 September 2012.

Subsequent to the above-mentioned submission, the Stock Exchange informed the Company in a letter dated 5 November 2012 (the "Decision Letter") that it concluded the Company's proposed transactions as stated in the revised resumption proposal constituted a reverse takeover under Rule 14.06(6) of the Main Board Listing Rules and would therefore treat the Company's proposal as it were a new listing application. Under such conclusion, the Company was required to submit a new listing application according to Chapter 9 of the Main Board Listing Rules by 1 May 2013. The Company then applied to have the decisions under the Decision Letter reviewed by the Listing Committee.

As stated in the announcements of the Company "Update on Current Status" dated 11 June 2013 and 31 January 2013, the Review Hearing was held on 22 January 2013, and in a letter dated 30 January 2013, the Listing Committee informed the Company that they decided to uphold the decisions under the Decision Letter but agreed to vary the deadline for the submission of a new listing application to 1 November 2013.

**PYXIS GROUP LIMITED** 

### **Review of Operations**

#### Business outlook (continued)

As a result of the decision by the Listing Committee, the Company, after consultations with the professional advisors, has put the renewable energy projects on hold. The Company is making best efforts to find other projects which shall fulfill new listing requirements to acquire before the above deadline for submitting new listing application for resuming trading of its shares. Further announcement(s) will be made by the Company on the details of the project and material development(s) of the submission as and when appropriate.

Notwithstanding the current difficulties, the Board still believes that, the Company should be making prudent management and investment decisions in order to protect shareholders' value. It is the intention of the Board to continue such cautious approach in applying the Group's managerial and financial resources in implementing any of the Group's proposed investment projects.

Looking forward, despite these difficulties, the Board believes that by focusing on the abovementioned business sectors, the Group can best leverage its experience and network, and thus best realise its potential to improve the Group's results of operations and enhance long-term shareholders' value.

#### Liquidity and capital resources

The Group principally finances its operations by funding provided by previous share capital subscription & placement, proceeds from previous disposals of businesses, and internally generated cashflows. There were no outstanding bank overdrafts or bank borrowings as at the end of the reporting period.

As at 31 March 2013, shareholders' funds of the Group amounted to HK\$94.7 million. Current assets amounted to HK\$96.5 million, of which HK\$92.9 million were cash and bank deposits. The Group's current liabilities amounted to HK\$1.9 million.

The Group expects to use the cash to make investments to acquire partially or in whole, in businesses that are in the targeted fields as mentioned above in the section "Business outlook". The high cash and bank deposits balance is only temporary. But under the current tough economic and financial environment, the Group has to use its cash very cautiously.

As at 31 March 2013, in the opinion of the Board, the Group was not exposed to significant foreign currency risks because most of the monetary assets and liabilities of the Group's operating entities were denominated in their own functional currencies, which are mainly the United States dollars, the New Taiwan dollars and the RMB. The Group has no specific policy to deal with the foreign currency risk but will closely monitor the market and take appropriate measures when necessary.

As at 31 March 2013 and the date of this Annual Report, the Group did not have any outstanding commitment in any of the financial derivative instruments.

PYXIS GROUP LIMITED Annual Report 2013

06

## **Review of Operations**

#### **Contingent liability**

As at 31 March 2013, the Group did not have any significant contingent liability.

#### Staff remuneration policy and share option scheme

As at 31 March 2013, the Group maintained a staff team of 4 full-time employees. Employees are paid at salaries comparable to market rates, and free medical insurance coverage is provided for permanent staff. The Group continues to investigate the possibility of introducing other benefits that would help retain current experienced staff and attract new employees so that the Company can maintain a capable workforce to meet present and future requirements.

The Company operates a share option scheme ("Scheme") for the purpose of providing incentives and rewards to eligible participants who contribute to the success of the Group's operations. The Scheme, the details of which is to be set out in note 17 to the financial statements, was adopted by the Company in previous financial year ended 31 March 2005. No new share option has been granted under the Scheme since the Scheme became effective.

### Directors' Profile

**PYXIS GROUP LIMITED** 

#### **Executive Directors**

Mr. Henry Hung CHEN, aged 51, is also the Managing Director of the Company. Mr. CHEN has extensive industry experience in strategy development, marketing and general management, having worked in both consumer goods and financial services industries in U.S. and Asia. Mr. CHEN was previously the Marketing Director of The Pillsbury Company where he oversaw business development initiatives in Greater China and Asia; and with Procter & Gamble, PaineWebber and Citibank. Mr. CHEN received his MBA from The Wharton School of University of Pennsylvania and BA cum laude in Applied Mathematics and Economics from Harvard University.

Miss Wing Yan AU, aged 38, is also the authorized representative of the Company. Miss AU is responsible for the treasury functions and strategic planning of the Group. Miss AU joined the Company in June 2000. Miss AU has extensive experience in financial management, having worked in major brokerage houses in Hong Kong as an investment advisor. Miss AU received her Master of Business (Electronic Commerce) from Curtin University of Technology and BA in Business and Commercial Studies from the University of Western Ontario, Canada.

#### **Independent Non-executive Director**

**Mr. Chin Yao LIN**, aged 48, was appointed as the Independent Non-Executive Director of the Company in June 2000. Mr. LIN is a director of Eastlite Industries Limited and Wing Sang Cheong Limited as well as a director of CWE Group in Hong Kong. He is also a director of Toa Shoji Company Limited and Toshin Shoji Company Limited in Japan.

#### Corporate governance practice

Pyxis Group Limited (the "Company") is committed to maintaining a high standard of corporate governance, emphasizing transparency, independence and accountability, in order to promote interests of all shareholders and enhance shareholders' value. The Company's corporate governance practices are based on principles and code provisions and, where applicable, the recommended best practices, as prescribed in the Corporate Governance Code and Corporate Governance Report ("CG Code") as set out in Appendix 14 of the Rules Governing the Listing of Securities on the Stock Exchange of Hong Kong Limited ("Main Board Listing Rules"). The Board of directors (the "Board") reviews its corporate governance practices from time to time with reference to the latest development of corporate governance in order to meet expectations from all interested parties and comply with requirements from relevant regulatory authorities.

#### Directors' securities transactions

The Company has adopted the Model Code for Securities Transactions by Directors of Listed Issuers ("Model Code") as set out in Appendix 10 of the Main Board Listing Rules. A reminder is served by the Company to each director twice annually of the black out period that the director cannot deal in the securities and derivatives of the Company. The Company has also made specific enquiries to all directors regarding any non-compliance with the Model Code during the current year ended 31 March 2013 (the "Year") and they all confirmed full compliance (including Mr. Robert Joseph ZULKOSKI ("Mr. ZULKOSKI") up to his resignation date effective 2 November 2012 as Independent Non-Executive Director ("INED") of the Company) with the required standards as set out in the Model Code.

#### **Board of directors**

Following the resignations of Mr. ZULKOSKI and Mr. Bernard King Bong LEUNG ("Mr. LEUNG") effective 2 November 2012 and 18 July 2011, respectively, the Board currently comprises of two Executive Directors ("ED"s) and one INED, and its composition balances skills and experiences necessary for independent decision making and fulfilling business needs. The Board is responsible for guiding and leading the Company, and is accountable to shareholders. Management and control of the Company's business is vested in its Board and the duty of the Board is to create value for Company's shareholders.

09

#### **Board of directors** (continued)

The Board is bound to manage the Company in a responsible and effective manner. Therefore, all directors, individually and collectively, must ensure that they carry out their duties in good faith and in compliance with the standards of applicable laws and regulations, and act in the best interests of the Company and its shareholders at all times.

The Board is also responsible for performing the corporate governance functions under the requirement of the CG Code.

EDs are responsible for establishing the Company's strategic direction, setting the Company's objectives, and providing leadership so as to ensure availability of resources in the achievement of such objectives. The INED is responsible for ensuring a high standard of financial and mandatory reporting the Company is obliged to comply, to provide independent professional opinions to the Board on business issues, and to provide a balance to the Board in order to protect shareholders' interest and overall interests of the Company and its subsidiaries (collectively the "Group"). The Company believes that such a structure of the Board is the most suitable for the Group's existing operation and is the most beneficial to shareholders' interest. However, a review of the structure will be done regularly to assess whether any change is needed.

All directors have full and timely access to all relevant information, as well as advice and service of the Company Secretary and independent professionals to ensure Board procedures and all applicable rules and regulations are followed.

The Board currently has only one INED and this does not comply with the requirement under Rule 3.10(1) of the Main Board Listing Rules as the number of the INEDs is now below the minimum requirement of three members. The Board shall use its best endeavours to look for suitable candidates to fill the vacancy of the INEDs of the Company in compliance with the Main Board Listing Rules as soon as practicable. Please also see the below sections "Non-executive directors" and "Audit committee".

PYXIS GROUP LIMITED Annual Report 2013

10

### Corporate Governance Report

#### **Board of directors** (continued)

The Board meets regularly, at approximately quarterly intervals, or when necessary, which were participated by the directors either in person or through other electronic means of communication. The attendance records during the Year under review are as follows:

#### Attended/Eligible to Attend

#### **Executive Directors**

Mr. Henry Hung CHEN	4/4
Miss Wing Yan AU	4/4

#### **Non-Executive Independent Directors**

Mr. Chin Yao LIN	4/4
Mr. Robert Joseph ZULKOSKI (resigned effective 2 November 2012)	1/1

The Company Secretary attended all the scheduled meetings to report matters arising from corporate governance, operations, risk management, statutory compliance, internal control, accounting and finance.

Meeting minutes are kept by the Company Secretary. Draft and final versions of meeting minutes are sent to all members of the Board within a reasonable time after the meetings for their comments and records respectively.

#### Directors' training and professional development

Pursuant to A.6.5 of the CG Code, all directors should participate in continuous professional development to develop and refresh their knowledge and skills. This is to ensure that their contribution to the Board remains informed and relevant. During the Year under review, all directors have confirmed their compliance (including Mr. ZULKOSKI up to his resignation date effective 2 November 2012 as INED of the Company) by participating in continuous professional development by attending seminars or programmes or studying relevant materials on the topics related to corporate governance and regulations.

Annual Report 2013 PYXIS GROUP LIMITED

### Corporate Governance Report

#### Chairman and chief executive officer

CG Code Provision A.2.1 stipulates that the roles of chairman of the Board ("Chairman") and Chief Executive Officer ("CEO") should be separate and should not be performed by the same individual. The Company does not have a separate position of CEO and Mr. Henry Hung CHEN currently holds both the position of Chairman and Managing Director ("MD"). The Board believes that vesting the roles of Chairman and MD in the same person provides the Company and the Group with strong and consistent leadership in the development and execution of long-term strategies at enhanced level of operational efficiency.

#### Non-executive directors

The Company has received written confirmation from each INED (including the one from Mr. ZULKOSKI at his resignation) of his independence pursuant to the requirements of the Main Board Listing Rules. The Company considers all INEDs to be independent in accordance with the independence guidelines set out in the Main Board Listing Rules.

CG Code Provision A.4.1 stipulates that Non-Executive Directors should be appointed for a specific term, subject to re-election. Currently, the Company's existing INED was not appointed for specific term. However, all the directors (save for the Chairman and the MD) are subject to the retirement provisions under the Company's Bye-laws, and the Board considers that sufficient measures have been taken to serve the purpose of this Code Provision.

CG Code Provision A.6.7 stipulates that INEDs and other non-executive directors should attend general meetings of the Company. Due to other business commitments, the two INEDs of the Company, including Mr. ZULKOSKI who resigned effective 2 November 2012, were unable to attend the Annual General Meeting ("AGM") of the Company held on 28 September 2012.

As mentioned in the above section "Board of directors", the Board currently has only one INED and this does not comply with the requirement under Rule 3.10(1) of the Main Board Listing Rules as the number of the INED is now below the minimum requirement of three members. The Board shall use its best endeavours to look for suitable candidates to fill the vacancy of the INEDs of the Company in compliance with the Main Board Listing Rules as soon as practicable. Please also see the below section "Audit committee".

#### Appointment and re-election of directors

CG Code Provision A.4.2 stipulates that every director, including those appointed for a specific term, should be subject to retirement by rotation at least once every three years. Currently, none of the Company's existing directors, including the INED as mentioned above, is appointed for specific term. However, all the directors (save for the Chairman and the MD) are subject to the retirement provisions under the Company's Bye-laws, and the Board considers that sufficient measures have been taken to serve the purpose of this Code Provision, and the Chairman and the MD should not be subject to retirement to ensure the continuity of leadership and stability of growth.

CG Code Provision A.5.1 stipulates the establishment of a Nomination Committee by 1 April 2012. However, the Board considers that the setting up of such a Nomination Committee may not be necessary at the current scale of the Board and the Company. According to the Bye-laws of the Company, the Board has the power from time to time and at any time is fully responsible for selection and approval of candidate for appointment as a director either to fill a casual vacancy or as addition to the Board. In assessing a new director, the Board will take consideration of the candidate's integrity, qualification, capability, experience and potential contribution to the Company.

CG Code Provision D.1.4 stipulates that the Company should have formal letters of appointment for directors setting out the key terms and conditions of their appointments. The Company did not have formal letters of appointment for directors. However, the directors are subject to the retirement and re-election provisions under the Company's Bye-laws. Moreover, the directors are required to refer to the guidelines set out in "A Guide on Directors' Duties" issued by the Companies Registry of the Hong Kong SAR, and "Guidelines for Directors" and "Guide for Independent Non-Executive Directors" (if applicable) published by the Hong Kong Institute of Directors in performing their duties and responsibilities as directors. In addition, the directors are required to comply with the requirements under statue and common law, the Main Board Listing Rules, legal and other regulatory requirements.

The Board as a whole is responsible for reviewing the Board composition, developing and formulating relevant procedures for nomination and appointment of EDs and INEDs, and assessing the independence of INEDs.

13

#### **Audit committee**

The Audit Committee (the "AC") currently comprises of the one INED of the Company. Terms of reference of the AC are aligned with recommendations as set out in "A Guide for Effective Audit Committee" issued by the Hong Kong Institute of Certified Public Accountants and code provisions as set out in the CG Code. The AC is responsible for review of the Group's financial information and oversight of the Group's financial reporting system and internal control procedures. It is also responsible for reviewing interim and final results of the Group prior to recommending them to the Board for approval. In performing its duties, the AC has the authority of unrestricted access to personnel, records, external auditors and senior management.

As mentioned in the above sections "Board of directors" and "Non-executive directors", following the resignations of Mr. ZULKOSKI and Mr. LEUNG effective 2 November 2012 and 18 July 2011, respectively, the Company no longer complies with the requirement under Rule 3.21 of the Main Board Listing Rules as the number of the AC members is now below the minimum requirement of three members. The Board shall use its best endeavours to look for suitable candidates to fill the vacancy in the AC of the Company in compliance with the Main Board Listing Rules as soon as practicable.

The AC meets regularly, at approximately quarterly intervals, or when necessary, which were participated by the members either in person or through other electronic means of communication. The attendance records during the Year under review are as follows:

#### Attended/Eligible to Attend

#### **Non-Executive Independent Directors**

Mr. Chin Yao LIN

4/4

Mr. Robert Joseph ZULKOSKI (resigned effective 2 November 2012)

1/1

Meeting minutes are kept by the Company Secretary. Draft and final versions of meeting minutes are sent to all members of the AC within a reasonable time after the meetings for their comments and records respectively.

CG Code Provision C.3.3(e)(i) stipulates that the AC should meet at least twice a year with the Company's external auditors regarding the review of the Group's financial information. The AC did not meet with the Company's external auditors during the Year under review because of the current scale of operations of the Group and the simplicity of the related financial report and accounts. On the other hand, the Company maintains close and frequent communications with the external auditors and the Board considers that sufficient measures have been taken to serve the purpose of this Code Provision.

#### **Remuneration committee**

The Remuneration Committee comprises of the INEDs (currently one) of the Company and the Chairman of the Board. The Remuneration Committee is responsible for making recommendations to the Board on the Company's policy and structure for the remuneration of directors and senior management (that is, the model as stated in the CG Code Provision B.1.2(c)(ii)) and on the establishment of a formal and transparent procedure for developing policy on such remuneration. The objectives, authority and duties of the Remuneration Committee are clearly set out in its terms of reference.

The primary goal of the remuneration policy on executive remuneration packages is to enable the Company to retain and motivate EDs by linking their compensation with performance as measured against corporate objectives. Under the policy, no director or any of his associate is allowed in deciding his own remuneration.

Details of the remuneration of the directors and senior management are set out in note 7 to the financial statements.

The Remuneration Committee held one meeting during the Year under review of which all the members attended, including Mr. ZULKOSKI who resigned effective 2 November 2012.

#### **Accountability**

The directors are responsible for preparation of accounts for each financial period with a view to ensuring such accounts give a true and fair view of the state of affairs of the Group, and operating results and cash flows for that period. The Company's accounts are prepared in accordance with all relevant statutory requirements and in conformity with applicable accounting standards. The directors are responsible for ensuring that appropriate accounting policies are selected and applied consistently; and that judgements and estimates made are prudent and reasonable, with an appropriate consideration to materiality.

15

#### **Internal control**

The Board has overall responsibility for maintaining sound and effective internal control of the Group. The Group's system of internal control includes a defined management structure with limits of authority, to prevent unauthorized transactions, control excessive capital expenditures, safeguard its assets against unauthorized use or disposition, maintain proper accounting records for the provision of accurate and reliable financial information for internal use or for publication, and ensure compliance with relevant laws and regulations. The system is designed to provide reasonable assurance against material misstatement or loss, and oversee the Group's operations to ensure achievement of the Group's business objectives. Qualified management personnel of the Company will maintain and monitor internal control system on an on-going basis, and will report internal control situation to the AC and the Board periodically for evaluation.

During the Year under review and up to the date of this 2013 annual report, the Board considered that the Company's internal control system was adequate and effective and the Company has complied with the provisions on internal control of the CG Code.

The Board confirms that systems and procedures are in place to identify, control and report on significant risks involved in achieving the Company's strategic objectives.

#### **Auditors' remuneration**

Messrs. Ernst and Young ("E&Y") has been re-appointed as the external auditors of the Company for the Year under review at the AGM on 28 September 2012. The AC has given its approval on the fee charged by E&Y to the Company. For the current Year under review, total auditors' remuneration in relation to statutory audit work of the Group amounted to HK\$360,000 (HK\$330,000 at Company level and HK\$30,000 at subsidiary level). Furthermore, service fees of HK\$432,000 were incurred for tax and other non-audit services (HK\$400,000 of which was incurred for the preparation of the Company's share trading resumption proposal for the submission to The Stock Exchange of Hong Kong Limited) provided by the external auditors for the Group during the Year under review.

The responsibilities of E&Y with respect to financial reporting are set out in the section of "Independent Auditors' Report" on pages 24 to 25.

#### Company secretary

The Company Secretary is responsible to the Board for ensuring the board procedures are followed and that the Board is briefed on legislative, regulatory and corporate governance developments. Mr. Yu Keung WONG ("Mr. WONG") was appointed as the Company Secretary of the Company on 26 March 2001. Since Mr. WONG was appointed between the period 1 January 2000 to 31 December 2004, he is not required to comply with Rule 3.29 of the Main Board Listing Rules in relation to professional training until the financial year commenced on or after 1 January 2013.

#### Shareholders' rights

The general meetings of the Company provide an opportunity for communications between the shareholders and the Board. An AGM of the Company shall be held in each year at the place as may be determined by the Board. Each general meeting, other than an annual general meeting, shall be called a special general meeting.

#### Putting enquiries by shareholders to the Board

Shareholders and other stakeholders may send their enquiries, concerns and requisitions to the Board by addressing them to the Company Secretary of the Company at the principal place of business in Hong Kong at Suite 1611, 16/F, Tower Two, Times Square, 1 Matheson Street, Causeway Bay, Hong Kong, or by calling (852) 2108-2000, or by fax to (852) 2295-0001.

#### Rights to convene a special general meeting

Shareholders may convene a special general meeting of the Company according to the provisions as set out in Section 74 of the Companies Act 1981 of Bermuda. The Board shall, on the requisition of shareholders holding at the date of the deposit of the requisition not less than one-tenth of such of the paid-up capital of the Company as at the date of the deposit carries the right of voting at general meetings of the Company, forthwith proceed duly to convene a special general meeting of the Company.

The requisition must state the purposes of the meeting, and must be signed by the requisitionists and deposited at the above-stated principal place of business in Hong Kong, and may consist of several documents in like form each signed by one or more requisitionists.

Annual Report 2013 **PYXIS GROUP LIMITED** 

### Corporate Governance Report

#### Shareholders' rights (continued)

#### Rights to convene a special general meeting (continued)

If the Board does not within twenty-one days from the date of the deposit of the requisition proceed duly to convene a meeting, the requisitionist, or any of them representing more than one half of the total voting rights of all of them, may themselves do so in accordance with the provisions of Section 74(3) of the Companies Act 1981 of Bermuda, but any meeting so convened shall not be held after the expiration of three months from the said date.

#### Procedures for putting forward proposals by shareholders at shareholders' meeting

Subject to Section 79 of The Companies Act 1981 of Bermuda, it shall be the duty of the Company, on the requisition in writing of (i) either any number of members representing not less than onetwentieth of the total voting rights of all the members having at the date of the requisition a right to vote at the meeting to which the requisition relates; or (ii) not less than one hundred members, at the expense of the requisitionists:

- (a) to give to members of the Company entitled to receive notice of the next AGM notice of any resolution which may properly be moved and is intended to be moved at that meeting; and
- to circulate to members entitled to have notice of any general meeting sent to them any (b) statement of not more than one thousand words with respect to the matter referred to in any proposed resolution or the business to be dealt with at that meeting.

Notice of any such intended resolution shall be deposited to the above-stated principal place of business in Hong Kong not less than six weeks before the meeting (in the case of a requisition requiring notice of a resolution); and not less than one week before the meeting (in the case of any other requisition) together with a sum reasonably sufficient to meet the company's expenses in sending the notice.

Upon receiving the requisition, the Company would take appropriate actions and make necessary arrangements in accordance with the requirements under the provisions as stated in Sections 79 and 80 of the Companies Act 1981 of Bermuda.

#### Communication with shareholders

Establishing effective communication with shareholders is always a priority of the Company. The Company aims to provide its shareholders with high standard of disclosure and financial transparency in its interim and annual reports, announcements and circulars. The Company regards its AGM and other general meetings as an opportunity for direct communication between the Board and its shareholders. All directors, senior management and external auditors make an effort to attend the AGM and other general meetings to address shareholders' queries. The Company encourages participation of its shareholders at the AGM and other general meetings, and welcomes expression of views or concerns they might have with the Group.

A notice of the date and venue of the AGM and other general meetings would be served to all shareholders in accordance with the timeline requirement as laid down in the Main Board Listing Rules and the Bye-Laws of the Company. The Company also keeps shareholders informed of the right to demand a poll and the procedure for voting by poll in all circulars together with notices of the AGM and other general meetings. Detail procedures for conducting a poll are to be explained by the Chairman of the AGM and other general meetings at the commencement of the meeting. Any questions raised from shareholders regarding voting by way of a poll are also be answered by the Chairman of the meeting.

As a channel of further promoting effective communication and fulfilling the requirements of the Main Board Listing Rules, the Company maintains a website (www.capitalfp.com.hk/eng/index. jsp?co=516) where relevant financial and non-financial information is posted on a timely basis. The published information will be maintained at the above-mentioned website for at least five years.

**PYXIS GROUP LIMITED** 

## Report of the Directors

The directors present their report and the audited financial statements of Pyxis Group Limited (the "Company") and its subsidiaries (collectively referred to as the "Group") for the year ended 31 March 2013.

#### **Principal activities**

The principal activity of the Company is investment holding. The principal activities of the principal subsidiaries are set out in note 13 to the financial statements. There were no significant changes in the nature of the Group's principal activities during the year.

#### Results

The Group's loss for the year ended 31 March 2013 and the state of affairs of the Company and the Group at that date are set out in the financial statements on pages 26 to 77.

#### **Summary financial information**

A summary of the published results, and assets and liabilities of the Group for the last five financial years, as extracted from the audited financial statements and reclassified as appropriate, is set out on page 78. This summary does not form part of the audited financial statements.

#### Property, plant and equipment

Details of movements in the property, plant and equipment of the Group during the year are set out in note 12 to the financial statements.

#### Share capital

There were no movements in either the Company's authorised or issued share capital during the year. Details of the Company's share capital are set out in note 16 to the financial statements.

#### **Pre-emptive rights**

There are no provisions for pre-emptive rights under the Company's bye-laws or the laws of Bermuda which would oblige the Company to offer new shares on a pro rata basis to existing shareholders.

### Report of the Directors

#### Purchase, redemption or sale of listed securities of the Company

Neither the Company, nor any of its subsidiaries purchased, redeemed or sold any of the Company's listed securities during the year.

#### Reserves

Details of movements in the reserves of the Company and the Group during the year are set out in note 18(b) to the financial statements and in the consolidated statement of changes in equity, respectively.

#### Distributable reserves

At 31 March 2013, the Company had no reserves available for distribution in accordance with the Companies Act 1981 of Bermuda (as amended).

#### **Directors**

The directors of the Company during the year were:

#### **Executive directors:**

Mr. Henry Hung CHEN (Chairman) Miss Wing Yan AU

#### **Independent non-executive directors:**

Mr. Chin Yao LIN

Mr. Robert Joseph ZULKOSKI (resigned on 2 November 2012)

In accordance with bye-law 110(A) of the Company, Miss Wing Yan AU will retire by rotation and, being eligible, will offer herself for re-election at the forthcoming annual general meeting. The remaining directors will continue in office.

The Company has received annual confirmations of independence from Mr. Robert Joseph ZULKOSKI upon his resignation and from Mr. Chin Yao LIN, and as at the date of this report still considers the remaining director to be independent.

#### Directors' biographies

Biographical details of the directors of the Company are set out on page 7 of the annual report.

#### **Directors' service contracts**

No director proposed for re-election at the forthcoming annual general meeting has a service contract with the Company which is not determinable by the Company within one year without payment of compensation, other than statutory compensation.

#### **Directors' remuneration**

The directors' fees are subject to shareholders' approval at general meetings. Other emoluments are determined by the Company's board of directors with reference to directors' duties, responsibilities and performance and the results of the Group.

#### **Directors' interests in contracts**

No director had a material interest, either directly or indirectly, in any contract of significance to the business of the Group to which the Company, its holding company, or any of its subsidiaries or fellow subsidiaries was a party during the year.

#### Directors' interests and short positions in shares and underlying shares

At 31 March 2013, the interests and short positions of the directors in the share capital of the Company or its associated corporations (within the meaning of Part XV of the Securities and Futures Ordinance (the "SFO")), as recorded in the register required to be kept by the Company pursuant to Section 352 of the SFO, or as otherwise notified to the Company and The Stock Exchange of Hong Kong Limited (the "Stock Exchange") pursuant to the Model Code for Securities Transactions by Directors of Listed Issuers (the "Model Code"), were as follows:

## Report of the Directors

**Directors' interests and short positions in shares and underlying shares** (continued)

Long positions in ordinary shares of the Company:

	Number	
	of ordinary	Percentage of
	shares directly	the Company's
	beneficially	issued
Name of director	owned	share capital
Mr. Chin Yao LIN	3,242,000	0.14
Miss Wing Yan AU	2,000	_

In addition to the above, certain directors have non-beneficial personal equity interests in certain subsidiaries held for the benefit of the Company solely for the purpose of complying with the minimum company membership requirements.

Save as disclosed above, as at 31 March 2013, none of the directors of the Company had registered an interest or short position in the shares and underlying shares of the Company or any of its associated corporations that was required to be recorded pursuant to Section 352 of the SFO, or as otherwise notified to the Company and the Stock Exchange pursuant to the Model Code.

#### **Share option scheme**

No share options have been granted under the share option scheme during the year. Details of the Company's share option scheme are set out in note 17 to the financial statements.

**PYXIS GROUP LIMITED** 

### Report of the Directors

# Substantial shareholders' interests and short positions in shares and underlying shares

At 31 March 2013, the following interest of 5% or more of the issued share capital of the Company was recorded in the register of interests required to be kept by the Company pursuant to Section 336 of the SFO:

#### Long positions:

			Percentage of
		Number of	the Company's
	Capacity and	ordinary	issued share
Name	nature of interest	shares held	capital
Coralbells Investments Limited	Directly beneficially owned	1,795,000,000	74.79

Save as disclosed above, as at 31 March 2013, no person, other than the directors of the Company, whose interests are set out in the section "Directors' interests and short positions in shares and underlying shares" above, had registered an interest or short position in the shares or underlying shares of the Company that was required to be recorded pursuant to Section 336 of the SFO.

#### Sufficiency of public float

Based on information that is publicly available to the Company and within the knowledge of the directors, at least 25% of the Company's total issued share capital was held by the public as at the date of this report.

#### **Auditors**

Ernst & Young retire and a resolution for their reappointment as auditors of the Company will be proposed at the forthcoming annual general meeting.

ON BEHALF OF THE BOARD

#### To the shareholders of Pyxis Group Limited

(Incorporated in Bermuda with limited liability)

We have audited the consolidated financial statements of Pyxis Group Limited (the "Company") and its subsidiaries (together, the "Group") set out on pages 26 to 77, which comprise the consolidated and company statements of financial position as at 31 March 2013, and the consolidated income statement, the consolidated statement of comprehensive income, the consolidated statement of changes in equity and the consolidated statement of cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

#### Directors' responsibility for the consolidated financial statements

The directors of the Company are responsible for the preparation of consolidated financial statements that give a true and fair view in accordance with Hong Kong Financial Reporting Standards issued by the Hong Kong Institute of Certified Public Accountants and the disclosure requirements of the Hong Kong Companies Ordinance, and for such internal control as the directors determine is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

#### **Auditors' responsibility**

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. Our report is made solely to you, as a body, in accordance with Section 90 of the Bermuda Companies Act 1981, and for no other purpose. We do not assume responsibility towards or accept liability to any other person for the contents of this report.

We conducted our audit in accordance with Hong Kong Standards on Auditing issued by the Hong Kong Institute of Certified Public Accountants. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

## Independent Auditors' Report

25

#### Auditors' responsibility (continued)

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditors' judgement, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the entity's preparation of consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### **Opinion**

In our opinion, the consolidated financial statements give a true and fair view of the state of affairs of the Company and of the Group as at 31 March 2013, and of the Group's loss and cash flows for the year then ended in accordance with Hong Kong Financial Reporting Standards and have been properly prepared in accordance with the disclosure requirements of the Hong Kong Companies Ordinance.

Annual Report 2013 **PYXIS GROUP LIMITED** 

### Notes to Financial Statements

31 March 2013

33

#### **CORPORATE INFORMATION** 1.

Pyxis Group Limited (the "Company") is a limited liability company incorporated in Bermuda. The registered office of the Company is located at Canon's Court, 22 Victoria Street, Hamilton HM12, Bermuda.

During the year, the Company and its subsidiaries (collectively referred to as the "Group") were engaged in investment holding and the provision of marketing services.

In the opinion of the directors, the parent and the ultimate holding company of the Company is Coralbells Investments Limited, which is incorporated in the British Virgin Islands.

#### 2.1 **BASIS OF PREPARATION**

These financial statements have been prepared in accordance with Hong Kong Financial Reporting Standards ("HKFRSs") (which include all Hong Kong Financial Reporting Standards, Hong Kong Accounting Standards ("HKASs") and Interpretations) issued by the Hong Kong Institute of Certified Public Accountants ("HKICPA"), accounting principles generally accepted in Hong Kong and the disclosure requirements of the Hong Kong Companies Ordinance. They have been prepared under the historical cost convention, except for equity investments at fair value through profit or loss which have been measured at fair value. These financial statements are presented in Hong Kong dollars and all values are rounded to the nearest thousand except when otherwise indicated.

#### **Basis of consolidation**

The consolidated financial statements include the financial statements of the Company and its subsidiaries for the year ended 31 March 2013. The financial statements of the subsidiaries are prepared for the same reporting period as the Company, using consistent accounting policies. The results of subsidiaries are consolidated from the date of acquisition, being the date on which the Group obtains control, and continue to be consolidated until the date that such control ceases. All intra-group balances, transactions, unrealised gains and losses resulting from intra-group transactions and dividends are eliminated on consolidation in full.

Total comprehensive income within a subsidiary is attributed to the non-controlling interest even if it results in a deficit balance.

A change in the ownership interest of a subsidiary, without a loss of control, is accounted for as an equity transaction.

### Notes to Financial Statements

31 March 2013

#### **2.1 BASIS OF PREPARATION** (continued)

Basis of consolidation (continued)

If the Group loses control over a subsidiary, it derecognises (i) the assets (including goodwill) and liabilities of the subsidiary, (ii) the carrying amount of any non-controlling interest and (iii) the cumulative translation differences recorded in equity; and recognises (i) the fair value of the consideration received, (ii) the fair value of any investment retained and (iii) any resulting surplus or deficit in profit or loss. The Group's share of components previously recognised in other comprehensive income is reclassified to profit or loss or accumulated losses, as appropriate.

#### 2.2 CHANGES IN ACCOUNTING POLICY AND DISCLOSURES

The Group has adopted the following revised HKFRSs for the first time for the current year's financial statements.

HKFRS 1 Amendments Amendments to HKFRS 1 First-time Adoption of

Hong Kong Financial Reporting Standards - Severe

Hyperinflation and Removal of Fixed Dates

for First-time Adopters

HKFRS 7 Amendments Amendments to HKFRS 7 Financial Instruments:

Disclosures – Transfers of Financial Assets

HKAS 12 Amendments Amendments to HKAS 12 Income Taxes – Deferred

Tax: Recovery of Underlying Assets

The adoption of the revised HKFRSs has had no significant financial effect on these financial statements.

## 2.3 ISSUED BUT NOT YET EFFECTIVE HONG KONG FINANCIAL REPORTING STANDARDS

The Group has not applied the following new and revised HKFRSs, that have been issued but are not yet effective, in these financial statements.

### Notes to Financial Statements

31 March 2013

#### 2.4 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### **Subsidiaries**

A subsidiary is an entity whose financial and operating policies the Company controls, directly or indirectly, so as to obtain benefits from its activities.

The results of subsidiaries are included in the Company's income statement to the extent of dividends received and receivable. The Company's investments in subsidiaries are stated at cost less any impairment losses.

### Impairment of non-financial assets

Where an indication of impairment exists, or when annual impairment testing for an asset is required (other than financial assets), the asset's recoverable amount is estimated. An asset's recoverable amount is the higher of the asset's or cash-generating unit's value in use and its fair value less costs to sell, and is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets, in which case the recoverable amount is determined for the cash-generating unit to which the asset belongs.

An impairment loss is recognised only if the carrying amount of an asset exceeds its recoverable amount. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. An impairment loss is charged to the income statement in the period in which it arises in those expense categories consistent with the function of the impaired asset.

An assessment is made at the end of each reporting period as to whether there is an indication that previously recognised impairment losses may no longer exist or may have decreased. If such an indication exists, the recoverable amount is estimated. A previously recognised impairment loss of an asset other than certain financial assets is reversed only if there has been a change in the estimates used to determine the recoverable amount of that asset, but not to an amount higher than the carrying amount that would have been determined (net of any depreciation) had no impairment loss been recognised for the asset in prior years. A reversal of such an impairment loss is credited to the income statement in the period in which it arises.

31 March 2013

**PYXIS GROUP LIMITED** 

### 2.4 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

#### Related parties

A party is considered to be related to the Group if:

- (a) the party is a person or a close member of that person's family and that person
  - (i) has control or joint control over the Group;
  - (ii) has significant influence over the Group; or
  - (iii) is a member of the key management personnel of the Group or of the holding companies of the Group;

or

- (b) the party is an entity where any of the following conditions applies:
  - (i) the entity and the Group are members of the same group;
  - (ii) one entity is an associate or joint venture of the other entity (or of a parent, subsidiary or fellow subsidiary of the other entity);
  - (iii) the entity and the Group are joint ventures of the same third party;
  - (iv) one entity is a joint venture of a third entity and the other entity is an associate of the third entity;
  - (v) the entity is a post-employment benefit plan for the benefit of employees of either the Group or an entity related to the Group;
  - (vi) the entity is controlled or jointly controlled by a person identified in (a); and
  - (vii) a person identified in (a)(i) has significant influence over the entity or is a member of the key management personnel of the entity (or of a parent of the entity).

38

# Notes to Financial Statements

31 March 2013

## 2.4 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

#### Property, plant and equipment and depreciation

Property, plant and equipment are stated at cost less accumulated depreciation and any impairment losses. The cost of an item of property, plant and equipment comprises its purchase price and any directly attributable costs of bringing the asset to its working condition and location for its intended use. Expenditure incurred after items of property, plant and equipment have been put into operation, such as repairs and maintenance, is normally charged to the income statement in the period in which it is incurred. In situations where the recognition criteria are satisfied, the expenditure for a major inspection is capitalised in the carrying amount of the asset as a replacement. Where significant parts of property, plant and equipment are required to be replaced at intervals, the Group recognises such parts as individual assets with specific useful lives and depreciates them accordingly.

Depreciation is calculated on the straight-line basis to write off the cost of each item of property, plant and equipment to its residual value over its estimated useful life. The principal annual rates used for this purpose are as follows:

Leasehold improvements

Over the lease terms

Furniture, fixtures and office equipment

15% to 33<sup>1</sup>/<sub>3</sub>%

Where parts of an item of property, plant and equipment have different useful lives, the cost of that item is allocated on a reasonable basis among the parts and each part is depreciated separately. Residual values, useful lives and the depreciation method are reviewed, and adjusted if appropriate, at least at each financial year end.

An item of property, plant and equipment including any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss on disposal or retirement recognised in the income statement in the year the asset is derecognised is the difference between the net sales proceeds and the carrying amount of the relevant asset.

#### **Operating leases**

Leases where substantially all the rewards and risks of ownership of assets remain with the lessor are accounted for as operating leases. Rentals payable under operating leases are charged to the income statement on the straight-line basis over the lease terms.

31 March 2013

## 2.4 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

#### Investments and other financial assets

Initial recognition and measurement

Financial assets within the scope of HKAS 39 are classified as financial assets at fair value through profit or loss, and loans and receivables, as appropriate. The Group determines the classification of its financial assets at initial recognition. When financial assets are recognised initially, they are measured at fair value, plus transaction costs, except in the case of financial assets recorded at fair value through profit or loss.

All regular way purchases and sales of financial assets are recognised on the trade date, that is, the date that the Group commits to purchase or sell the asset. Regular way purchases or sales are purchases or sales of financial assets that require delivery of assets within the period generally established by regulation or convention in the marketplace.

The Group's financial assets include cash and bank balances, other receivables, deposits and equity investments at fair value through profit or loss.

Subsequent measurement

The subsequent measurement of financial assets depends on their classification as follows:

#### (a) Financial assets at fair value through profit or loss

Financial assets at fair value through profit or loss include the financial assets held for trading and financial assets designated upon initial recognitions as at fair value through profit or loss. Financial assets are classified as held for trading if they are acquired for the purpose of sale in the near term. Derivatives, including separated embedded derivatives, are also classified as held for trading unless they are designated as effective hedging instruments as defined by HKAS 39.

Financial assets at fair value through profit or loss are carried in the statement of financial position at fair value with positive net changes in fair value presented as other income and negative net change in fair value presented as other losses in the income statement. These net fair value changes do not include any dividends or interest earned on these financial assets, which are recognised in accordance with the policy set out for "Revenue recognition" below, if any.

PYXIS GROUP LIMITED Annual Report 2013

40

# Notes to Financial Statements

31 March 2013

### 2.4 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

**Investments and other financial assets** (continued)

Subsequent measurement (continued)

### (a) Financial assets at fair value through profit or loss (continued)

Financial assets designated upon initial recognition at fair value through profit or loss are designated at the date of initial recognition and only if the criteria under HKAS 39 are satisfied.

The Group evaluates its financial assets at fair value through profit or loss (held for trading) to assess whether the intent to sell them in the near term is still appropriate. When, in rare circumstances, the Group is unable to trade these financial assets due to inactive markets and management's intent to sell them in the foreseeable future significantly changes, the Group may elect to reclassify them. The reclassification from financial assets at fair value through profit or loss to loans and receivables, available-for-sale financial assets or held-to-maturity investments depends on the nature of the assets. This evaluation does not affect any financial assets designed at fair value through profit and loss using the fair value option at designation, as these instruments cannot be reclassified after initial recognition.

#### (b) Loans and receivables

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market. After initial measurement, such assets are subsequently measured at amortised cost using the effective interest rate method less any allowance for impairment. Amortised cost is calculated by taking into account any discount or premium on acquisition and includes fees or costs that are an integral part of the effective interest rate. The effective interest rate amortisation is included in other income and gains in the income statement. The loss arising from impairment is recognised in the income statement.

31 March 2013

**PYXIS GROUP LIMITED** 

### 2.4 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

#### **Derecognition of financial assets**

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is derecognised when:

- the rights to receive cash flows from the asset have expired; or
- the Group has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a "pass-through" arrangement; and either (a) the Group has transferred substantially all the risks and rewards of the asset, or (b) the Group has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the Group has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risk and rewards of ownership of the asset. When it has neither transferred nor retained substantially all the risks and rewards of the asset nor transferred control of the asset, the asset is recognised to the extent of the Group's continuing involvement in the asset. In that case, the Group also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Group has retained.

Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the Group could be required to repay.

### Impairment of financial assets

The Group assesses at the end of each reporting period whether there is any objective evidence that a financial asset or a group of financial assets is impaired. A financial asset or a group of financial assets is deemed to be impaired if, and only if, there is objective evidence of impairment as a result of one or more events that has occurred after the initial recognition of the asset (an incurred "loss event") and that loss event has an impact on the estimated future cash flows of the financial asset or the group of financial assets that can be reliably estimated. Evidence of impairment may include indications that a debtor or a group of debtors is experiencing significant financial difficulty, default or delinquency in interest or principal payments, the probability that they will enter bankruptcy or other financial reorganisation and observable data indicating that there is a measurable decrease in the estimated future cash flows, such as changes in arrears or economic conditions that correlate with defaults.

31 March 2013

## 2.4 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Impairment of financial assets (continued)

Financial assets carried at amortised cost

For financial assets carried at amortised cost, the Group first assesses individually whether objective evidence of impairment exists for financial assets that are individually significant, or collectively for financial assets that are not individually significant. If the Group determines that no objective evidence of impairment exists for an individually assessed financial asset, whether significant or not, it includes the asset in a group of financial assets with similar credit risk characteristics and collectively assesses them for impairment. Assets that are individually assessed for impairment and for which an impairment loss is, or continues to be, recognised are not included in a collective assessment of impairment.

If there is objective evidence that an impairment loss has been incurred, the amount of the loss is measured as the difference between the asset's carrying amount and the present value of estimated future cash flows (excluding future credit losses that have not been incurred). The present value of the estimated future cash flow is discounted at the financial asset's original effective interest rate (i.e., the effective interest rate computed at initial recognition). If a loan has a variable interest rate, the discount rate for measuring any impairment loss is the current effective interest rate.

The carrying amount of the asset is reduced either directly or through the use of an allowance account and the amount of the loss is recognised in the income statement. Interest income continues to be accrued on the reduced carrying amount and is accrued using the rate of interest used to discount the future cash flows for the purpose of measuring the impairment loss. Loans and receivables together with any associated allowance are written off when there is no realistic prospect of future recovery and all collateral has been realised or has been transferred to the Group.

If, in a subsequent period, the amount of the estimated impairment loss increases or decreases because of an event occurring after the impairment was recognised, the previously recognised impairment loss is increased or reduced by adjusting the allowance account. If a future write-off is later recovered, the recovery is credited to the income statement.

31 March 2013

43

### 2.4 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

#### Financial liabilities

Initial recognition and measurement

Financial liabilities within the scope of HKAS 39 are classified as financial liabilities at fair value through profit or loss, loans and borrowings, or as derivatives designated as hedging instruments in an effective hedge, as appropriate. The Group determines the classification of its financial liabilities at initial recognition.

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings, net of directly attributable transaction costs.

The Group's financial liabilities include accruals.

Subsequent measurement

The subsequent measurement of financial liabilities depends on their classification as follows:

Loans and borrowings

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost, using the effective interest rate method unless the effect of discounting would be immaterial, in which case they are stated at cost. Gains and losses are recognised in the income statement when the liabilities are derecognised as well as through the effective interest rate amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the effective interest rate. The effective interest rate amortisation is included in finance costs in the income statement.

PYXIS GROUP LIMITED Annual Report 2013

44

# Notes to Financial Statements

31 March 2013

## 2.4 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

#### **Derecognition of financial liabilities**

A financial liability is derecognised when the obligation under the liability is discharged or cancelled, or expires.

When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as a derecognition of the original liability and a recognition of a new liability, and the difference between the respective carrying amounts is recognised in the income statement.

### Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the statement of financial position there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, or to realise the assets and settle the liabilities simultaneously.

### Fair value of financial instruments

The fair value of investments that are actively traded in organised financial markets is determined by reference to quoted market bid prices at the close of business at the end of the reporting period, without any deduction for transaction costs. For investments where there is no active market, fair value is determined using valuation techniques. Such techniques include using recent arm's length market transactions; reference to the current market value of another instrument which is substantially the same; and a discounted cash flow analysis.

### Cash and cash equivalents

For the purpose of the consolidated statement of cash flows, cash and cash equivalents comprise cash on hand and demand deposits, and short term highly liquid investments that are readily convertible into known amounts of cash, are subject to an insignificant risk of changes in value, and have a short maturity of generally within three months when acquired, less bank overdrafts which are repayable on demand and form an integral part of the Group's cash management.

For the purpose of the statements of financial position, cash and cash equivalents comprise cash on hand and at banks, including term deposits and assets similar in nature to cash, which are not restricted as to use.

31 March 2013

45

### 2.4 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

#### **Income tax**

Income tax comprises current and deferred tax. Income tax relating to items recognised outside profit or loss is recognised outside profit or loss, either in other comprehensive income or directly in equity.

Current tax assets and liabilities for the current and prior periods are measured at the amount expected to be recovered from or paid to the taxation authorities, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period, taking into consideration interpretations and practices prevailing in the countries in which the Group operates.

Deferred tax is provided, using the liability method, on all temporary differences at the end of the reporting period between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes.

Deferred tax liabilities are recognised for all taxable temporary differences, except:

- when the deferred tax liability arises from the initial recognition of an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss; and
- in respect of taxable temporary differences associated with investments in subsidiaries, when the timing of the reversal of the temporary differences can be controlled and it is probable that the temporary differences will not reverse in the foreseeable future.

46

# Notes to Financial Statements

31 March 2013

### 2.4 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Annual Report 2013

#### Income tax (continued)

Deferred tax assets are recognised for all deductible temporary differences, the carryforward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carryforward of unused tax credits and unused tax losses can be utilised, except:

- when the deferred tax asset relating to the deductible temporary differences arises from the initial recognition of an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss; and
- in respect of deductible temporary differences associated with investments in subsidiaries, deferred tax assets are only recognised to the extent that it is probable that the temporary differences will reverse in the foreseeable future and taxable profit will be available against which the temporary differences can be utilised.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are reassessed at the end of each reporting period and are recognised to the extent that it has become probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply to the period when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

31 March 2013

### 2.4 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

#### Revenue recognition

Revenue is recognised when it is probable that the economic benefits will flow to the Group and when the revenue can be measured reliably, on the following bases:

- (a) securities trading profits or losses, on the transaction dates when the relevant contract notes are exchanged; and
- (b) interest income, on an accrual basis using the effective interest method by applying the rate that discounts the estimated future cash receipts through the expected life of the financial instrument to the net carrying amount of the financial asset.

#### Foreign currencies

These financial statements are presented in Hong Kong dollars, which is the Company's functional and presentation currency. Each entity in the Group determines its own functional currency and items included in the financial statements of each entity are measured using that functional currency. Foreign currency transactions recorded by the entities in the Group are initially recorded using their respective functional currency rates prevailing at the dates of the transactions. Monetary assets and liabilities denominated in foreign currencies are retranslated at the functional currency rates of exchange ruling at the end of the reporting period. Differences arising on settlement or translation of monetary items are recognised in the income statement.

Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was determined. The gain or loss arising on translation of a non-monetary item measured at fair value is treated in line with the recognition of the gain or loss on change in fair value of the item (i.e., translation difference on the item whose fair value gain or loss is recognised in other comprehensive income or profit or loss is also recognised in other comprehensive income or profit or loss, respectively).

31 March 2013

### 2.4 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

#### Foreign currencies (continued)

The functional currencies of certain overseas subsidiaries are currencies other than the Hong Kong dollar. As at the end of the reporting period, the assets and liabilities of these entities are translated into the presentation currency of the Company at the exchange rates prevailing at the end of the reporting period and their income statements are translated into Hong Kong dollars at the weighted average exchange rates for the year. The resulting exchange differences are recognised in other comprehensive income and accumulated in the exchange fluctuation reserve. On disposal of a foreign operation, the component of other comprehensive income relating to that particular foreign operation is recognised in the income statement.

For the purpose of the consolidated statement of cash flows, the cash flows of overseas subsidiaries are translated into Hong Kong dollars at the exchange rates ruling at the dates of the cash flows. Frequently recurring cash flows of overseas subsidiaries which arise throughout the year are translated into Hong Kong dollars at the weighted average exchange rates for the year.

#### **Employee benefits**

#### Pension schemes

The Group operates a defined contribution Mandatory Provident Fund retirement benefit scheme (the "MPF Scheme") under the Mandatory Provident Fund Schemes Ordinance for all of its employees in Hong Kong. Contributions are made based on a percentage of the employees' basic salaries and are charged to the income statement as they become payable in accordance with the rules of the MPF Scheme. The assets of the MPF Scheme are held separately from those of the Group in an independently administered fund. The Group's employer contributions vest fully with the employees when contributed into the MPF Scheme.

The employees of the Group's subsidiaries which operate in Taiwan and Mainland China are required to participate in central pension schemes operated by the local municipal government. These subsidiaries are required to contribute certain percentages of their payroll costs to the central pension schemes. The contributions are charged to the income statement as they become payable in accordance with the rules of the central pension schemes.

31 March 2013

49

## 3. SIGNIFICANT ACCOUNTING JUDGEMENTS AND ESTIMATES

The preparation of the Group's financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and their accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that could require a material adjustment to the carrying amounts of the assets or liabilities affected in the future.

#### **Judgements**

In the process of applying the Group's accounting policies, management has made the following judgements, apart from those involving estimations, which have the most significant effect on the amounts recognised in the financial statements:

### Impairment of financial assets

The Group determines that financial assets are impaired when there has been a significant or prolonged decline in the fair value below its cost. This determination of what is significant or prolonged decline requires judgement. In making this judgement, the Group evaluates among other factors, the normal volatility in market price. In addition, impairment may be appropriate when there is evidence of a deterioration in the financial health of the investee, industry and sector performance, changes in technology, and changes in operational and financing cash flows.

#### **Estimation uncertainty**

The key assumptions concerning the future and other key sources of estimation uncertainty at the end of the reporting period, that have a significant risk of causing a material adjustment to the carrying amounts of the assets and liabilities within the next financial year, are described below.

### Valuation of financial instruments

The Group valued certain of its financial instruments using a valuation technique based on assumptions that are not supported by observable market prices or rates. Estimating the value of investments requires the Group to make certain estimates and assumptions, further details of which are given in note 14 to the financial statements.

31 March 2013

# 3. SIGNIFICANT ACCOUNTING JUDGEMENTS AND ESTIMATES (continued)

Estimation uncertainty (continued)

Deferred tax assets

Deferred tax assets are recognised for all unused tax losses to the extent that it is probable that taxable profit will be available against which the losses can be utilised. Significant management judgement is required to determine the amount of deferred tax assets that can be recognised, based upon the likely timing and level of future taxable profits together with future tax planning strategies.

The amounts of unrecognised tax losses at 31 March 2013 arising in Hong Kong, Mainland China and Taiwan were HK\$79,776,000 (2012: HK\$74,290,000), HK\$5,080,000 (2012: HK\$5,146,000) and HK\$15,526,000 (2012: HK\$15,867,000), respectively. Further details are contained in note 9 to the financial statements.

#### 4. OPERATING SEGMENT INFORMATION

For management purposes, the Group is organised into business units based on their products and services and has two reportable operating segments as follows:

- (a) the investment holding segment that engages in investments in equity investment; and
- (b) the marketing service segment that engages in the provision of marketing services.

Management monitors the results of the Group's operating segments separately for the purpose of making decisions about resources allocation and performance assessment. Segment performance is evaluated based on reportable segment loss, which is a measure of adjusted loss before tax.

## **9. INCOME TAX** (continued)

The Group has tax losses arising in Hong Kong of HK\$79,776,000 (2012: HK\$74,290,000) that are available indefinitely for offsetting against future taxable profits of the companies in which the losses arose. Besides, the Group also has tax losses arising in Taiwan of HK\$15,526,000 (2012: HK\$15,867,000) and in Mainland China of HK\$5,080,000 (2012: HK\$5,146,000) that are available for offsetting against future taxable profits of the companies in which the losses arose until the years ending 31 March 2023 and 2018, respectively. Deferred tax assets have not been recognised in respect of these losses as the directors consider it is not probable that future taxable profits will be available against which these tax losses can be utilised.

### 10. LOSS ATTRIBUTABLE TO OWNERS OF THE COMPANY

The consolidated loss attributable to owners of the Company for the year ended 31 March 2013 includes a loss of HK\$14,479,000 (2012: HK\$17,601,000) which has been dealt with in the financial statements of the Company (note 18(b)).

# 11. LOSS PER SHARE ATTRIBUTABLE TO OWNERS OF THE COMPANY

The calculation of basic and diluted loss per share is based on the loss for the year attributable to owners of the Company of HK\$15,210,000 (2012: HK\$18,259,000), and the weighted average number of 2,400,002,000 (2012: 2,400,002,000) ordinary shares in issue during the year.

No adjustments have been made to the basic loss per share amounts for the current and prior years as there were no dilutive potential ordinary shares in existence during these years.

## 13. INVESTMENTS IN SUBSIDIARIES

	Company		
	2013	2012	
	HK\$'000	HK\$'000	
Unlisted shares, at cost	_	-47	
Due from subsidiaries	43,459	48,385	
	43,459	48,385	

The amounts due from subsidiaries are unsecured, interest-free and have no fixed terms of repayment. In the opinion of the directors, these advances are considered as quasi-equity loans to the subsidiaries.

Particulars of the principal subsidiaries are as follows:

	Place of incorporation/	Nominal value of issued					
	registration	ordinary		Percenta	ge of equity	Y	Principal
Name	and operations	share capital	at	tributable t	to the Com	pany	activities
			D	irect	In	direct

64

# EQUITY INVESTMENTS AT FAIR VALUE THROUGH PROFIT OR LOSS (continued)

The fair values of unlisted equity investments at fair value through profit or loss have been estimated using a valuation technique based on assumptions that are not supported by observable market prices or rates. The directors believe that the estimated fair values resulting from the valuation technique, which are recorded in the consolidated statement of financial position, and the related changes in fair values, which are recorded in the consolidated income statement, are reasonable, and that they are the most appropriate values at the end of the reporting period.

### 15. CASH AND CASH EQUIVALENTS

	Group		Com	pany
	2013	2012	2013	2012
	HK\$'000	HK\$'000	HK\$'000	HK\$'000
Time deposits	26,348	27,249	_	_
Cash and bank balances	66,510	81,265	52,124	62,453
Cash and cash equivalents	92,858	108,514	52,124	62,453

At the end of the reporting period, the cash and bank balances of the Group denominated in Renminbi ("RMB") amounted to HK\$25,255,000 (2012: HK\$26,117,000). The RMB is not freely convertible into other currencies, however, under Mainland China's Foreign Exchange Control Regulations and Administration of Settlement, Sale and Payment of Foreign Exchange Regulations, the Group is permitted to exchange RMB for other currencies through banks authorised to conduct foreign exchange business.

Cash at banks earns interest at floating rates based on daily bank deposit rates. Short term time deposits are made for a period of one year (2012: six months to one year) and earn interest at the respective short term fixed deposit rates. The bank balances are deposited with creditworthy banks with no recent history of default.

### 16. SHARE CAPITAL

	2013	2012
	HK\$'000	HK\$'000
Authorised:		
5,000,000,000 ordinary shares of HK\$0.1 each	500,000	500,000
		<del></del>
Issued and fully paid:		
2,400,002,000 ordinary shares of HK\$0.1 each	240,000	240,000

#### 17. SHARE OPTION SCHEME

On 30 September 2004, the Company adopted an option scheme (the "Scheme") which became effective on 28 October 2004 and, unless otherwise cancelled or amended, will remain in force for 10 years from that date. The Company operates the Scheme for the purpose of providing incentives and rewards to eligible participants who contribute to the success of the Group's operations. Eligible participants of the Scheme include the Company's directors, employees of the Group and other individuals as determined by the directors on the basis of their contribution to the success of the development and growth of the Group. No share options have been granted under the Scheme since the Scheme became effective.

The maximum number of unexercised share options currently permitted to be granted under the Scheme is an amount equivalent, upon their exercise, to 10% of the shares of the Company in issue at any time. The maximum number of shares issuable under share options to each eligible participant in the Scheme within any 12-month period is limited to 1% of the shares of the Company in issue at any time. Any further grant of share options in excess of this limit is subject to shareholders' approval in a general meeting.

Share options granted to a director, chief executive or substantial shareholder of the Company, or to any of their associates, are subject to approval in advance by the independent non-executive directors. In addition, any share options granted to a substantial shareholder or an independent non-executive director of the Company, or to any of their associates, in excess of 0.1% of the shares of the Company in issue at any time or with an aggregate value (based on the price of the Company's shares at the date of grant) in excess of HK\$5 million, within any 12-month period, are subject to shareholders' approval in advance in a general meeting.

31 March 2013

# 17. SHARE OPTION SCHEME (continued)

The offer of a grant of share options may be accepted within 28 days from the date of offer, upon payment of a nominal consideration of HK\$1 in total by the grantee. The exercise period of the share options granted is determinable by the directors, and commences after a vesting period of one to three years and ends on a date which is not later than 10 years from the date of offer of the share options or the expiry date of the Scheme, if earlier.

Annual Report 2013

The exercise price of the share options is determinable by the directors, but may not be less than the highest of (i) the Stock Exchange of Hong Kong Limited (the "Stock Exchange") closing price of the Company's shares on the date of offer of the share options; (ii) the average Stock Exchange closing price of the Company's shares for the five trading days immediately preceding the date of offer; and (iii) the nominal value of a share.

Share options do not confer rights on the holders to dividends or to vote at shareholders' meetings.

### 18. RESERVES

#### (a) Group

The amounts of the Group's reserves and the movements therein for the current and prior years are presented in the consolidated statement of changes in equity of the financial statements.

The Group's contributed surplus represents the excess of the nominal value of the shares of the subsidiaries acquired pursuant to the Group's reorganisation prior to the listing of the Company's shares over the nominal value of the Company's shares issued in exchange therefor.

31 March 2013

**PYXIS GROUP LIMITED** 

## 18. RESERVES (continued)

at 1 April 2012	112,550	51,061	(294,433)	(130,822)
Total comprehensive expense				
for the year	-	_	(14,479)	(14,479)
At 31 March 2013	112,550	51,061	(308,912)	(145,301)

The Company's contributed surplus represents the excess of the fair value of the shares of the subsidiaries acquired pursuant to the Group's reorganisation prior to the listing of the Company's shares over the nominal value of the Company's shares issued in exchange therefor.

Under the Bermuda Companies Act 1981 (as amended), the Company's contributed surplus is distributable to shareholders in certain circumstances.

31 March 2013

## 19. OPERATING LEASE ARRANGEMENTS

The Group leases certain of its office properties and office equipment under operating lease arrangements. Leases for properties are negotiated for terms ranging from one to three years, and that for office equipment for terms of five years.

At 31 March 2013, the Group had total future minimum lease payments under non-cancellable operating leases falling due as follows:

	Group		Company	
	2013	2012	2013	2012
	HK\$'000	HK\$'000	HK\$'000	HK\$'000
Within one year	436	661	280	626
In the second to fifth years, inclusive	34	274	10	274
	470	935	290	900

### 20. RELATED PARTY TRANSACTION

All compensation of key management personnel of the Group is included in the directors' remuneration as disclosed in note 7 to the financial statements.

31 March 2013

**PYXIS GROUP LIMITED**

## 22. FAIR VALUE AND FAIR VALUE HIERARCHY (continued)

### Company

	Carrying	amounts	ts Fair values		
	2013	2012	2013	2012	
	HK\$'000	HK\$'000	HK\$'000	HK\$'000	
Financial assets					
Cash and bank balances	52,124	62,453	52,124	62,453	
Financial assets included in					
prepayments, deposits and					
other receivables	207	207	207	207	
	52,331	62,660	52,331	62,660	
Financial liabilities					
Financial liabilities included in accruals	1,404		1,404		

The fair values of the financial assets are included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale. The following methods and assumptions were used to estimate the fair values:

The fair values of cash and cash equivalents, and financial assets included in prepayments, deposits and other receivables approximate to their carrying amounts largely due to the short term maturities of these instruments.

The fair values of unlisted equity investments at fair value through profit or loss have been estimated using a valuation technique based on assumptions that are not supported by observable market prices or rates. The directors believe that the estimated fair values resulting from the valuation technique, which are recorded in the consolidated statement of financial position, and the related changes in fair values, which are recorded in the consolidated income statement, are reasonable, and that they are the most appropriate values at the end of the reporting period.

31 March 2013

73

#### 22. FAIR VALUE AND FAIR VALUE HIERARCHY (continued)

### Fair value hierarchy

The Group uses the following hierarchy for determining and disclosing the fair values of financial instruments:

- Level 1: fair values measured based on quoted prices (unadjusted) in active markets for identical assets or liabilities
- Level 2: fair values measured based on valuation techniques for which all inputs which have a significant effect on the recorded fair value are observable, either directly or indirectly
- Level 3: fair values measured based on valuation techniques for which any inputs which have a significant effect on the recorded fair value are not based on observable market data (unobservable inputs)

### Assets measured at fair value:

### Group

#### As at 31 March 2013

	Level 1 HK\$'000	Level 2 HK\$'000	Level 3 HK\$'000	Total HK\$'000
Equity investments at fair value through profit or loss		1,946		1,946
As at 31 March 2012				
	Level 1 HK\$'000	Level 2 HK\$'000	Level 3 HK\$'000	Total HK\$'000
Equity investments at fair value through profit or loss		1,789		1,789

During the year, there were no transfers of fair value measurements between Level 1 and Level 2 and no transfer into or out of Level 3 (2012: Nil).

PYXIS GROUP LIMITED Annual Report 2013

74

# Notes to Financial Statements

31 March 2013

## 22. FAIR VALUE AND FAIR VALUE HIERARCHY (continued)

The Company did not have any financial assets measured at fair value as at 31 March 2013 and 2012.

The Group and the Company did not have any financial liabilities measured at fair value as at 31 March 2013 and 2012.

## 23. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

The Group's principal financial instruments, other than equity investments at fair value through profit or loss held for trading purposes, comprise cash and time deposits. The main purpose of these financial instruments is to raise finance for the Group's operations.

The main risks arising from the Group's financial instruments are equity price risk, foreign currency risk, credit risk and liquidity risk. The board reviews and agrees policies for managing each of these risks and they are summarised below.

#### **Equity price risk**

Equity price risk is the risk that the fair values of equity securities decrease as a result of changes in the levels of equity indices and the value of individual securities. The Group is exposed to equity price risk arising from individual equity investments classified as equity investments at fair value through profit or loss (note 14) as at 31 March 2013.

31 March 2013

**PYXIS GROUP LIMITED** 

# 23. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES (continued)

### Equity price risk (continued)

The following table demonstrates the sensitivity to every 1% change in the fair values of the equity investments, with all other variables held constant and before any impact on tax, based on their carrying amounts at the end of the reporting period.

	Carrying amount of equity investments	Increase/ (decrease) in loss before tax	Increase/ (decrease) in equity
2013	HK\$'000	HK\$'000	HK\$'000*
Equity investments at fair value through profit or loss	1,946	19	
2012 Equity investments at fair value			
through profit or loss	1,789	18	

<sup>\*</sup> Excluding accumulated losses

The Group has investment guidelines that set out its overall business strategies, its tolerance for risk and its general risk management philosophy and has established processes to monitor and control various trading transactions in a timely and accurate manner.

#### Foreign currency risk

As at 31 March 2013, in the opinion of the directors, the Group was not exposed to significant foreign currency risks because most of the monetary assets and liabilities of the Group's operating entities were denominated in their own functional currencies, which are mainly the United States dollars, the New Taiwan dollars and the RMB. The Group has no specific policy to deal with the foreign currency risk but will closely monitor the market and take appropriate measures when necessary.

31 March 2013

# 23. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES (continued)

#### Credit risk

The credit risk of the Group's financial assets, which comprise cash and cash equivalents, equity investments at fair value through profit or loss, and deposits and other receivables, arises from default of the counterparty, with a maximum exposure equal to the carrying amounts of these instruments.

### Liquidity risk

The Group monitors its risk to a shortage of funds using a recurring liquidity planning tool. This tool considers the maturity of both its financial instruments and financial assets and projected cash flows from operations.

The Group's objective is to maintain a balance between continuity of funding and flexibility through the use of banking facilities. The Group's policy is to minimise borrowings.

The maturity profile of the Group's and the Company's financial liabilities as at the end of the reporting period, based on the contractual undiscounted payments, is as follows:

	Gre	oup	Company		
	Less tha	n 1 year	ear Less than 1 year		
	2013	2012	2013	2012	
	HK\$'000	HK\$'000	HK\$'000	HK\$'000	
Accruals	1,755	_	1,404	_	

#### Capital management

The primary objectives of the Group's capital management are to safeguard the Group's ability to continue as a going concern and to maintain healthy capital ratios in order to support its business and maximise shareholders' value.

The Group manages its capital structure and makes adjustments to it in light of changes in economic conditions. To maintain or adjust the capital structure, the Group may adjust the dividend payment to shareholders, return capital to shareholders or issue new shares. The Group is not subject to any externally imposed capital requirements. No changes were made in the objectives, policies or processes for managing capital during the years ended 31 March 2013 and 2012.

31 March 2013

**PYXIS GROUP LIMITED** 

# 23. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES (continued)

### Capital management (continued)

The Group monitors capital using a current ratio, which is current assets divided by current liabilities. The Group's policy is to maintain the current ratio at all times at a healthy level. The current ratios as at the end of the reporting periods are as follows:

	2013	2012
	HK\$'000	HK\$'000
Total current assets	96,461	111,731
Total current liabilities	1,895	2,537
Current ratio	50.9	44.0

### 24. APPROVAL OF THE FINANCIAL STATEMENTS

The financial statements were approved and authorised for issue by the board of directors on 25 June 2013.

# Five Year Financial Summary

A summary of the results and of the assets and liabilities of the Group for the last five financial years, as extracted from the published audited financial statements and reclassified as appropriate, is set out below. This summary is not part of the audited financial statements.

	2013	2012	2011	2010	2009
