REPORT OF THE MANAGER TO THE UNITHOLDERS

Introduction

The ChinaAMC CSI 300 Index ETF (the "Sub-Fund") is a sub-fund of ChinaAMC ETF Series, a Hong Kong umbrella unit trust, authorised under Section 104 of the Securities and Futures Ordinance (Cap.571) of Hong Kong. Its RMB counter (stock code: 83188) and HKD counter (stock code: 3188) commenced trading on the Stock Exchange of Hong Kong Limited (the "SEHK") on 17 July 2012 and 26 October 2012 respectively. The Sub-Fund is an index-tracking fund that seeks to track the performance of the CSI 300 Index (the "Index").

The Manager primarily use a full replication strategy through investing directly in securities included in the Index, through the Renminbi Qualified Foreign Institutional Investor ("RQFII") investment quota of RMB 15 billion (as of 30 June 2013) granted to the Manager by the State Administration of Foreign Exchange (the "SAFE"). The Manager may also use a representative sampling strategy where it is not possible to acquire certain securities which are constituents of the Index due to restrictions or limited availability. This means that the Sub-Fund will invest directly in a representative sample of securities that collectively has an investment profile that aims to reflect the profile of the Index, through the RQFII investment quota granted to the Manager by the SAFE. The securities constituting the representative sample may or may not themselves be constituents of the Index.

Performance of the Sub-Fund

The investment objective of the Sub-Fund is to provide investment results that, before fees and expenses, closely correspond to the performance of the Index. There can be no assurance that the Sub-Fund will achieve its investment objective.

A summary of the performance of the Sub-Fund is shown below: Performance in respective currency¹:

| | 1-Month | 3-Month | 2013 YTD | 2012 | Since |
