
FORWARD-LOOKING STATEMENTS

This prospectus contains forward-looking statements that state our intentions, beliefs, expectations or predictions for the future that are, by their nature, subject to significant risks and uncertainties. These forward-looking statements include, without limitation, statements relating to:

- our operations and business prospects;
- our strategies, plans, objectives and goals;
- future developments, trends and conditions in the pharmaceutical product and medical device marketing, promotion and channel management service industry in China;
- general economic conditions of China;
- the industry regulatory environment as well as the industry outlook in general;
- our dividend policy;
- the amount and nature of, and potential for, future development of our business;
- capital markets developments;
- the actions and developments of our competitors; and
- volumes, operations, margins, overall market trends, risk management and exchange rates.

The words “anticipate,” “believe,” “could,” “expect,” “going forward,” “intend,” “may,” “plan,” “seek,” “will,” “would” and similar expressions, as they relate to us, are intended to identify a number of these forward-looking statements. Such statements reflect the current views of our management with respect to future events and are subject to certain risks, uncertainties and assumptions, including the risk factors described in this prospectus. Should one or more of these risks or uncertainties materialise, or should underlying assumptions prove to be incorrect, our results of operations and financial condition may be adversely affected and may vary materially from those described herein as anticipated, believed or expected. Accordingly, such statements are not a guarantee of future performance and you should not place undue reliance on such forward-looking information. Moreover, the inclusion of forward-looking statements should not be regarded as representations by us that our plans and objectives will be achieved or realised.
