2010	•	Asian ETFs Awards 2010 – Best New ETF in Asia – Republic Partners Ltd., September 2010	

VALUE CHINA ETF (a Hong Kong Unit Trust)

MANAGER'S REPORT

Value China ETF ("the Fund") is an index-tracking exchange traded fund whose units are listed and traded on the Stock Exchange of Hong Kong Limited ("SEHK"). The Fund aims to provide investment results that, before fees and expenses, closely correspond to the performance of the FTSE Value-Stocks China Index ("the Index") by holding a portfolio of the constituent stocks of the Index. The Index comprises 25 value stocks amongst Chinese companies' shares listed in Hong Kong.

As at 30 September 2013, the Net Asset Value ("NAV") per unit of the Fund was HKD36.62, and 4,800,000 units were outstanding. The total size of the Fund was approximately HKD175 million.

A summary of the performance of the Index and the Fund is given below.

Total Return in HKD	From 1 Apr 2013 to 30 Sep 2013	2013 YTD (as at 30 Sep)	Since inception
FTSE Value-Stocks China Index	1.1%	-1.3%	19.1%
Value China ETF	-0.4%	-3.1%	10.0%

The difference in performance between the FTSE Value-Stocks China Index and the Value China ETF is mainly attributed to fees and expenses, and security misweightings. The historical tracking error for the NAV of the Fund against the FTSE Value-Stocks China Index was at 38 basis points on an annualized basis since its inception on 10 December 2009.

Sensible Asset Management Hong Kong Limited

20 November 2013

All performance figures are sourced from HSBC Institutional Trust Services (Asia) Limited and Bloomberg, in HKD, NAV to NAV with dividends reinvested, as at 30 September 2013. Performance data is net of all fees.

Investors should note that investment involves risk. The price of units may go down as well as up and past performance is not indicative of future results. Investors should read the prospectus for details and risk factors in particular those associated with investment in emerging markets and the arrangement in the event that the Fund is de-listed. Investors should also note that the Fund is different from a typical retail investment fund, in particular, units in the Fund may only be created or redeemed directly by a participating dealer in large unit sizes.
