# Notes to the Condensed Consolidated Financial Statements

For the six months ended 31 December 2010

## **1. BASIS OF PREPARATION**

---

These condensed consolidated financial statements for the six months ended 31 December 2010 have been prepared in accordance with Hong Kong Accounting Standard (“HKAS”) 34 ‘Interim Financial Reporting’ issued by the Hong Kong Institute of Certified Public Accountants (“HKICPA”) and the disclosure requirements in accordance of Appendix 16 to the Rules Governing the Listing of Securities on the Stock Exchange of Hong Kong Limited (the “Listing Rules”).

The condensed consolidated financial statements should be read in conjunction with the audited financial statements for the year ended 30 June 2010, which have been prepared in accordance with Hong Kong Financial Reporting Standards (“HKFRSs”).

The accounting policies and methods of computation used in the preparation of these condensed consolidated financial statements are consistent with those used in the annual financial statements for the year ended 30 June 2010 except as stated below.

## **2. ADOPTION OF NEW AND REVISED HONG KONG FINANCIAL REPORTING STANDARDS**

---

In the current interim period, the Group has adopted all the new and revised Hong Kong Financial Reporting Standards (“HKFRSs”) issued by the Hong Kong Institute of Certified Public Accountants (the “HKICPA”) that are relevant to its operations and effective for its accounting period beginning on or after 1 July 2010. HKFRSs comprise Hong Kong Financial Reporting Standards (“HKFRS”); Hong Kong Accounting Standards (“HKAS”); and Interpretations. The adoption of these new and revise HKFRSs did not result in any substantial changes to the Group’s accounting policies, presentation of the Group’s financial statements and amounts reported for the current period and prior years.

The Group has not applied the new HKFRSs that have been issued but are not yet effective. The Group has already commenced an assessment of the impact of these new HKFRSs but is not yet in a position to state whether these new HKFRSs would have a material impact on its results of operations and financial position.

## 3. SEGMENTAL INFORMATION

---

### *Business Segment*

The Group has adopted HKFRS 8 Operating Segments with effect from 1 July 2010. HKFRS 8 requires operating segments to be identified on the basis of internal reports about components of the Group that are regularly reviewed by the chief operating decision maker, the Company's executive Directors, in order to allocate resources to the segments and to assess their performance. In contrast, the predecessor standard (HKAS 14 Segment Reporting) required an entity to identify two sets of segments (business and geographical) using a risks and returns approach, with the entity's "system of internal financial reporting to key management personnel" serving only as the starting point for the identification of such segments.

In the past, the Group's primary reporting format was business segments by nature of their operations and the products and services they provide. The Group's operating businesses are structured and managed separately, according to the nature of their operations, and the products and services they provide.

Each of the Group's business segments represents a strategic business unit that offers products and services which are subject to risks and returns that are different from those of the other business segments. Summarised details of each of the business segments are as follows:

- (a) the liquid crystal display ("LCD") monitors segment, which engages in the manufacturing, trading and distribution of LCD monitors;
- (b) the thin-film transistor ("TFT")-LCD televisions segment, which engages in the manufacturing, trading and distribution of TFT-LCD televisions;
- (c) the cathode ray tube ("CRT") monitors segment, which engages in the manufacturing, trading and distribution of CRT monitors; and
- (d) the others segment, which engages in the manufacturing, trading and distribution of computer monitor components, non-TFT-LCD televisions as well as audio and video products other than monitors and televisions.

The application of HKFRS 8 has not resulted in a redesignation of the Group's reportable segments as compared with the primary reportable segments determined in accordance with HKAS 14. Nor has the adoption of HKFRS 8 changed the basis of measurement of segment profit or loss. Information regarding these business segments is reported below:

## 12. LITIGATIONS

---

There are litigations being undertaken against and for the Group as at and after the end of the reporting period, details of which are summarised as follows:

- (a) *China Development Bank Corporation (Plaintiff) vs the Company (Defendant) – High Court Action 2145 of 2009*

On 21 October 2009, a statement of claim was filed for alleging the Defendant had failed to honour in full its payment obligations towards the Plaintiff under an oral agreement made between the parties on or around early 2007 and as evidenced by an Acceptance Purchase Agreement dated 30 June 2008.

The Plaintiff claimed (i) judgement sum of approximately US\$1,500,000; (ii) interest; (iii) costs; and (iv) further and other relief. By the joint application of the Plaintiff and the Defendant, the action was ordered to be discontinued with no order as to costs on 31 May 2011.

- (b) *Apple Inc (1st Plaintiff) and IP Application Development Limited (2nd Plaintiff) vs the Company (1st Defendant); Proview Electronics Co. Ltd. (2nd Defendant); Proview Technology (Shenzhen) Co., Ltd. (3rd Defendant); YANG Long-san, Rowell (4th Defendant); and Yoke Technology (Shenzhen) Co. Ltd. (5th Defendant) – High Court Action 739 of 2010*

On 25 June 2010, the Plaintiffs alleged that there was an agreement entered into in or about December 2009 between the 2nd Plaintiff and the Company, 2nd and 3rd Defendants in relation to the sale, transfer and assignment of certain Trademarks. It was given to understand that the 2nd Defendant was the sole proprietor of such Trademarks. However, it found out that the 3rd Defendant instead is the registered proprietor of the Trademarks during the process of making application to the Trademarks Office of the PRC to assign the Trademarks from the 2nd Defendant to the 1st Plaintiff. As such, the 3rd Defendant has to execute a replacement assignment of the Trademark in honouring the transfer and assign of the Trademarks to the 1st Plaintiff.

The Plaintiffs claimed (i) the specific performance of the agreement for the transfer and assignment of the Trademarks made between the counterparties as before; (ii) the declaration that the 3rd and/or 5 Defendants merely held the Trademarks on trust for the Plaintiff's benefits; (iii) including the Company as constructive trustee and liable to the Plaintiffs; (iv) the injunction against the Company, and all of the remaining Defendants from selling, transferring, disposing the Trademarks without the Plaintiff's consent, nor to make any oral or written representation to any person that they have any title or rights in the Trademarks; (v) damages for conspiracy, equitable compensation, interest and costs, etc.

On 25 June 2012, a settlement was reached in relation to a related proceedings taken out by the Plaintiffs against the 3rd Defendant in the PRC Shenzhen Court. The terms of the settlement resulted in the resolution of the dispute matter, including the current action, are in the process of being implemented by the parties and was still ongoing.

By an order on 12 September 2012, it was ordered that all further proceedings in the action be stayed with liberty to the Plaintiffs to restore the same upon giving 21 days' notice in writing.

## 12. LITIGATIONS (CONTINUED)

---

- (c) *China Development Bank Corporation (Plaintiff) vs the Company (Defendant) – High Court Action 623 of 2011*

On 28 December 2006, the Plaintiff entered into a loan agreement with Proview Technology (Shenzhen) Co., Ltd. for a loan of Rmb 100 million. The Company and YANG Long-san, Rowell executed 2 separate deeds of guarantee both dated 28 December 2006 in favor of the Plaintiff for repayment of such loan within 30 days after demand from the Plaintiff. An extension agreement dated 17 September 2009 was signed by the Company, Proview Technology (Shenzhen) Co., Ltd. and YANG Long-san, Rowell as supplementary of the initial Loan Agreement. Despite a settlement agreement dated 10 September 2010 was entered among all 4 parties, Proview Technology (Shenzhen) Co., Ltd, YANG Long-san, Rowell has nonetheless failed to repay the loan.

The Plaintiff thus claimed against the Company for the judgement debt, interest and costs for relief. Since the Company has not filed any Notice of Intention to defend, the Court entered the judgement for the Plaintiff on 7 June 2011 for (i) the judgement sum of approximately Rmb 88 million; (ii) interest on the sum of Rmb 80 million at Rmb lending rate times 150% from 21 March 2011 to 7 June 2011, and (iii) at judgement rate of 8% thereafter and fix costs of HK\$11,045.

The Plaintiff made 5 Garnishee Order to Show Cause on 19 August 2011 against 5 bankers of the Company. By an order on 28 September 2011, the Garnishee Order made against the HSBC was made absolute, i.e. approximately of HK\$260,000 of the Company was garnisheed.

- (d) *The Company (Plaintiff) vs Ms. HUI Siu-ling, Elina (1st Defendant) and Ms. WANG Pik-lan (2nd Defendant) – High Court Action 1564 of 2011*

On 14 September 2011, the Company commenced legal proceedings against HUI and WANG in the Court of First Instance of the High Court of HKSAR for their breach of duties and refusal to cooperating with the Board by: (i) failing and/or refusing to provide the documents, records, and accounts of the Company to the Board; (ii) changing the bank mandate for operating the bank accounts of the Company; and (iii) failing to notify the Company of the winding-up proceedings commenced against the Company in Bermuda, such that the Board had to incur substantial costs in contesting the Bermuda proceedings and setting aside the winding-up order.

On 24 February 2012, the Defendants defended that they were not handed over the proper control of management, business, operations, finance, accounts and affairs of the Group by the ex-chairman – YANG Long-san, Rowell, who was at all material time and in actual control of the said matters. It was denied that they had ever agreed to deliver such items to the Company.

The Company had not filed any Reply or provided any Answer to the Request for Further and Better Particulars of the Statement of Claim. In addition, by an order dated 27 April 2012, the Company's legal adviser – Henry Wai & Co. ceased to act as the Company's solicitors, the action had been dormant hitherto.

## 12. LITIGATIONS (CONTINUED)

---

- (e) *The Company applied under Order 102, Rule 2 of the Rules of the High Court of HKSAR and in accordance with Section 166(1) of the Companies Ordinance – High Court Miscellaneous Proceedings 1918 of 2011*

The Company filed an ex parte originating summons to the Hong Kong Court on 20 September 2011 to convene a meeting of the Creditors of the Company other than Preferential Creditors to consider, if thought fit, approve with or without modification a proposed Scheme of Arrangement. The Bermuda Court ordered that a meeting with all creditors of the Company be convened for the purpose of considering the Bermuda Scheme and if appropriate, approving it.

By an order of the Hong Kong Court dated 1 November 2011, the hearing for the ex parte originating summons for leave to convene the Creditors' meeting for approval of the Hong Kong Scheme be adjourned sine die with liberty to restore. By an order dated 27 April 2012, the Company's legal adviser – Henry Wai & Co. ceased to act as the Company's solicitors.

- (f) *3M Hong Kong Limited (Plaintiff) vs the Company (Defendant) – District Court Civil Action 4675 of 2009*

Pursuant to an oral agreement and evidenced by a letter dated 25 November 2002, Proview Group (L) Limited – a then-subsiary of the Company had agreed to make purchase from the Plaintiff and the Company provided the Plaintiff with a continuing guarantee whereby in the event of default payment of Proview Group (L) Limited and the Company had to be immediately liable for settlement. Despite numerous demands, Proview Group (L) Limited failed to settle its outstanding dues to the Plaintiff.

The Plaintiff thereby claimed against the Company for: (i) the net outstanding sum of approximately US\$30,000; (ii) interest; (iii) costs; and (iv) further or other relief. On 17 February 2011, the District Court of HKSAR ordered that the Plaintiff do have leave to wholly discontinue its claim with no order as to costs.

- (g) *Henry Wai & Company (Plaintiff) vs the Company (Defendant) – District Court Civil Action 1694 of 2012*

On 23 May 2012, the Plaintiff filed a Statement of Claim for: (i) the sums of approximately HK\$392,000 and US\$43,000 being fees and disbursements of professional services rendered by the Plaintiff to the Company; (ii) interests of the said sums in the aforesaid; (iii) costs; and (iv) further or other relief.

As the Company had not filed any Notice of Intention to Defend, the District Court of HKSAR entered judgement for the Plaintiff on 13 September 2012 for: (i) the judgement sum of approximately HK\$392,000 and US\$43,000; (ii) interest on the respective sums at judgement rate of 8% from 23 May 2012 until payment and (iii) fix costs of approximately HK\$7,000.
