What happens at expiry?

If the Cash Settlement Amount is greater than zero, the Warrants will be automatically exercised on the Expiry Date. The Cash Settlement Amount per Board Lot will be an amount in Hong Kong dollars calculated as follows (if positive):

In the case of a series of call warrants:

Entitlement x (*Average Price – Exercise Price) x one Board Lot Number of Warrant(s) per Entitlement

In the case of a series of put warrants:

Entitlement x (Exercise Price – *Average Price) x one Board Lot

Number of Warrant(s) per Entitlement

* "Average Price" means the arithmetic mean of the closing prices of one Share, as derived from the daily quotation sheet of the Stock Exchange in respect of each of the five business days immediately preceding the Expiry Date.

Listing of the Warrants

We will make an application to the Stock Exchange for the listing of, and permission to deal in, the Warrants on the Stock Exchange and the issue of the Warrants is conditional upon listing being granted.
