**ANNOUNCEMENT ON APPROVAL OF EXPANSION OF
SOUND GLOBAL'S URBAN SEWAGE TREATMENT PLANT IN TONGLIAO CITY**

Sound Global Ltd. ("Sound Global" or the "Company") hereby announces that, the expansion of Sound Global's urban sewage treatment plant in Tongliao City has been approved. The expansion will bring an additional sewage treatment capacity of 50,000 tonnes per day to the project, and the aggregate investment is approximately RMB100 million, for a concession period of 30 years.

The urban sewage treatment plant in Tongliao City, established in 2007, is equipped with a sewage treatment capacity of 100,000 tonnes per day, with the quality of water discharged designed to meet Class I A standard as set out in the Discharge Standards on Pollutants from Urban Sewage Treatment Plants (《城鎮污水處理廠污染物排放標準》) (GB18918-2002). Given the fast expanding urban size going with the urbanization process, the urban population has seen a rapid growth, as a result, the volume of discharged urban sewage has been increasing year by year. Upon the completion of the expansion, the urban sewage treatment plant in Tongliao City will be equipped with a sewage treatment capacity of 150,000 tonnes per day. The expansion has been approved by the Municipal Government of Tongliao City, Inner Mongolia, and construction is expected to commence in September.

Mr. Wen Yibo, Chairman of Sound Global, commended that Tongliao City is located along the upstream of Liao River basin, and plays an important role in the pollution treatment campaign for Liao River basin. The construction of the urban sewage treatment project in Tongliao City largely improved the environment of the urban area, and contributed a lot to the protection of the quality of water of the Western Liao River. Sound Global will fully leverage its advantages in technology, capital, management expertise accumulated for years and the whole industry chain to capture more sewage treatment market share in the Inner Mongolia Autonomous Region.

None of the Directors or substantial shareholders of the Company has any direct or indirect interest (other than through their shareholdings in the Company) in the above-mentioned transaction.

This transaction is not expected to have any material impact on the net earnings per share and the net tangible assets per share of the Company for the financial year ended 31 December 2014.

By Order of the Board
