Under the Underwriting Agreement, if the conditions of the Open Offer are fulfilled at or before the Latest Time for Acceptance (or such later time and/or date as the Company and the Underwriter may determine in writing) and the Underwriting Agreement becomes unconditional and is not terminated in accordance with the terms thereof, and in the event that by the Latest Time for Acceptance any of the Underwritten Shares have not been taken up ("**Untaken Shares**"), the Company shall as soon as practicable thereafter and in any event before 6:00 p.m. on the second Business Day after the Latest Time for Acceptance, notify or procure the branch share registrar and transfer office of the Company in Hong Kong on behalf of the Company to notify the Underwriter in writing of the number of Underwritten Shares not taken up. In this regard, as one of the conditions precedent to the obligations of the Underwriter to underwrite the Underwritten Shares under the Underwriting Agreement, the Company has obtained the PS Consent and Undertaking pursuant to which Partner Shanghai had:

- (1) granted an unconditional and irrevocable consent to the Company to proceed with the Open Offer in accordance with the terms and conditions of the Underwriting Agreement, notwithstanding that the Open Offer would constitute an adjustment event under the Master Framework and Subscription Agreement; and

*Shareholders and public investors should note that the above shareholding changes are for illustration purposes only and the actual changes in the shareholding structure of the Company upon completion of the Open Offer are subject to various factors, including the results of acceptance of the Open Offer. Further announcements will be made by the Company in accordance with the Listing Rules following the completion of the Open Offer upon which the Offer Shares are allotted and issued.*

### REASONS FOR THE OPEN OFFER

The Group is principally engaged in growing, processing and sales of agricultural products, and consumer food and beverage products.

The Directors are of the view that the Open Offer will enable the Company to raise funds and provide the Company with the financial flexibility necessary for the Group's future development and investment purposes as and when suitable opportunities arise. As at the Latest Practicable Date, save for the proposed investment in the southwest product base of China Green Foods Group Co., Ltd. (中綠食品集團有限公司), a company incorporated in the PRC with limited liability and a subsidiary of the Company, as disclosed in the announcement of the Company dated 10 August 2014, the Company has not identified any such business development and/or investment opportunities. In addition, the Open Offer would allow the Company to strengthen its capital base and provide an opportunity to all Qualifying Shareholders to participate in the future development of the Company. Accordingly, the Directors consider that the terms of the Underwriting Agreement are fair and reasonable and that the Underwriting Agreement and the Open Offer are in the interests of the Company and the Shareholders as a whole.

### USE OF PROCEEDS FROM THE OPEN OFFER

The Company will raise approximately HK\$132.6 million before expenses from the Open Offer. The Company intends to use the net proceeds from the Open Offer, being approximately HK\$128.6 million as to (i) approximately HK\$47 million for the payment of interests of the Bonds which will be due in October 2014 in the amount of approximately RMB17.9 million (equivalent to approximately HK\$22.4 million) for the 7.00 per cent. Bonds and approximately RMB19.6 million (equivalent to approximately HK\$24.6 million) for the 10.00 per cent. Bonds; and (ii) the remaining of approximately HK\$81.6 million will be used as to approximately HK\$58.6 million to reduce the debt level of the Group and as to approximately HK\$23 million as general working capital of the Group. As at the Latest Practicable Date, save for the Bonds, the Company has certain outstanding short-term loans in the aggregate amount of approximately HK\$87.2 million at an interest rate of 10% per annum which will fall due in late September 2014.

The estimated expenses in relation to the Open Offer, including underwriting commission, financial, legal and other professional expenses, of approximately HK\$4 million, will be borne by the Company.

### CHANGE IN BOARD LOT SIZE

As at the Latest Practicable Date, the Shares are traded on the Stock Exchange in board lot of 3,000 Shares. Based on the closing price of HK\$0.405 per Share (equivalent to a theoretical ex-right price of approximately HK\$0.353 per Share) as at the Latest Practicable Date, the value of each board lot of 3,000 Shares is estimated to be approximately HK\$1,060.00 upon the allotment and issue of the Offer Shares. It is proposed that after the allotment and issue of the Offer Shares, the board lot size for trading in the Shares on the Stock Exchange shall be changed from 3,000 to 6,000 so that the estimated market value per board lot of the Shares will be approximately HK\$2,120.00 (based on the theoretical ex-right price of approximately HK\$0.353 per Share as at the Latest Practicable Date). The Board considers that the change of board lot size will increase the value of each board lot of the Shares, as well as to reduce transaction and registration costs incurred by the Shareholders and investors of the Company.

The applicable criteria on the basis of which the directors have compiled the pro forma financial information are described in section B of Appendix II to the Prospectus.

The Unaudited Pro Forma Financial Information has been compiled by the directors to illustrate the impact of the proposed open offer at HK\$0.25 per offer share on the basis of 1 offer share for every 2 listing shares held on the record date (the “**Open Offer**”) as if the Open Offer had taken place at 30 April 2014. As part of this process, information about the Group’s financial position has been extracted by the directors from the Group’s consolidated financial statements for the year ended 30 April 2014, on which an audit report has been published.

**Directors’ Responsibility for the Pro Forma Financial Information**

The directors are responsible for compiling the pro forma financial information in accordance with paragraph 4.29 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and with reference to Accounting Guideline 7 “Preparation of Pro Forma Financial Information for Inclusion in Investment Circulars” issued by the Hong Kong Institute of Certified Public Accountants (the “**HKICPA**”).

For purposes of this engagement, we are not responsible for updating or reissuing any reports or opinions on any historical financial information used in compiling the Unaudited Pro Forma Financial Information, nor have we, in the course of this engagement, performed an audit or review of the financial information used in compiling the pro forma financial information.

The purpose of Unaudited Pro Forma Financial Information included in the Prospectus is solely to illustrate the impact of a significant transaction on unadjusted financial information of the Group as if the event had occurred or the transaction had been undertaken at an earlier date selected for purposes of the illustration. Accordingly, we do not provide any assurance that the actual outcome of the Open Offer at 30 April 2014 would have been as presented.

A reasonable assurance engagement to report on whether the Unaudited Pro Forma Financial Information has been properly compiled on the basis of the applicable criteria involves performing procedures to assess whether the applicable criteria used by the directors in the compilation of the Unaudited Pro Forma Financial Information provide a reasonable basis for presenting the significant effects directly attributable to the executor transaction, and to obtain sufficient appropriate evidence about whether:

- The related pro forma adjustments give appropriate effect to those criteria; and
- The Unaudited Pro Forma Financial Information reflects the proper application of those adjustments to the unadjusted financial information.

The procedures selected depend on the reporting accountants' judgment, having regard to the reporting accountants' understanding of the nature of the Group, the transaction in respect of which the Unaudited Pro Forma Financial Information has been compiled, and other relevant engagement circumstances.
