NOTES TO THE CONDENSED CONSOLIDATED FINANCIAL STATEMENTS

1. BASIS OF PREPARATION

The condensed consolidated financial statements have been prepared in accordance with Hong Kong Accounting Standard 34 (HKAS 34) Interim Financial Reporting issued by Hong Kong Institute of Certified Public Accountant as well as with the applicable disclosure requirements of Appendix 16 to the Rules Governing the Listing of Securities of The Stock Exchange of Hong Kong Limited (the “Listing Rules”).

2. PRINCIPAL ACCOUNTING POLICIES

The condensed consolidated financial statements have been prepared on the historical cost basis except for certain properties and financial instruments, which are measured at revalued amounts or fair values, as appropriate.

The accounting policies and methods of computation used in the condensed consolidated financial statements for the six month ended 30 June 2014 are the same as those followed in the preparation of the Group’s annual financial statements for the year ended 31 December 2013.

In the current interim period, the Group has applied, for the first time, a new interpretation and certain amendments to Hong Kong Financial Reporting Standards (“HKFRSs”) issued by the Hong Kong Institute of Certified Public Accountants (“HKICPA”) that are mandatorily effective for the current interim period.

The application of the above new Interpretation and amendments to HKFRSs in the current interim period has had no material effect on the amounts reported in the condensed consolidated financial statements and disclosures set out in these condensed consolidated financial statements.

3. SEGMENT INFORMATION

For the purpose of resources allocation and performance assessment, the chief operating decision maker of the Group, being the Group's Chief Executive Officer, regularly reviews the revenue and operating results analysis by geographical market based on destination of the goods shipped or delivered, irrespective of the origin of the goods. The Group's operating segments determined based on location of geographical markets are North America, Asia, Europe and other regions. However, the chief operating decision maker does not regularly review the assets and liabilities by operating segments and hence no analysis of segment assets and segment liabilities are presented.

BUSINESS REVIEW AND FUTURE PROSPECTS

BUSINESS REVIEW

Looking back on the first half of 2014, affected by the slow global economy recovery and the outlook remained uncertain, the pace of China's economic growth remained slow, with the consumer's consumption habits tending to be conservative, export manufacturers were stable as a whole. The Group is confident that the well-established foundation and high quality products are the key to survive in this tough environment, we continue to work closely with our business partners, and consolidate our experience and strength. The Group also implemented a comprehensive cost control policy to monitor the spending, to improve in all aspects and strive for excellence, aiming at a better margin to the stakeholders.

Domestic Market

The growth in domestic market has slowed down and started to saturated in recent years, and the intensified competition is a big challenge to all market participants. The Group has accumulated market experience in the domestic market, but we will maintain conservatives in our strategy and slow down our development in China.

FUTURE PROSPECTS

The year of 2014 will see the economic tendency of slow recovery in the major consumption markets. With continuous internal improvements, coupled with strict cost control and quality assurance, we believe that our performance should have an optimistic growth in the future.

LIQUIDITY AND FINANCIAL RESOURCES

As at 30 June 2014, the Group's total net assets was US\$121,807,000, comprising mainly current assets of US\$68,478,000, non-current assets of US\$63,174,000 current liabilities of US\$6,708,000 and non-current liability of US\$3,137,000. The current ratio was approximately 10.21 times and net bank balances and cash of US\$41,837,000 was recorded as at 30 June 2014. The Group services its debts primarily through cashflow generated from its operation. The Directors believe that the Group has maintained sufficient working capital for its operation and future expansion.

PURCHASE, SALE OR REDEMPTION OF THE COMPANY'S LISTED SHARES

During the six months ended 30 June 2014, neither the Company nor any of its subsidiaries purchased, sold or redeemed any of the Company's listed securities.

CORPORATE GOVERNANCE

The Company has complied throughout the six months ended 30 June 2014 with the code provisions set out in the Corporate Governance Code contained in Appendix 14 to the Listing Rules.

COMPLIANCE WITH THE MODEL CODE SET OUT IN APPENDIX 10 OF THE LISTING RULES

The Company has adopted a code of conduct regarding directors' securities transactions on terms no less exact than the required standard set out in Appendix 10 Model Code for Securities Transactions by Directors of Listed Issuers (the "Model Code") of the Listing Rules. Having made specific enquiry of all directors, all directors have complied with the required standard set out in the Model Code and its code of conduct regarding directors' securities transactions.

AUDIT COMMITTEE

The Audit Committee has reviewed with management the accounting principles and practices adopted by the Group and discussed auditing, internal control and financial reporting matters including the review of the unaudited interim financial statements.
