SOUND GLOBAL WON THE BID FOR THE SEWAGE TREATMENT PLANT CONSTRUCTION PROJECT IN WULI TOWN, ANKANG CITY, SHAANXI PROVINCE

Sound Global Ltd. (“Sound Global” or the “Company”) hereby announces that Sound Global has won the bid for a project to build the sewage treatment plant in Wuli Town, Ankang City, Shaanxi Province, the PRC in September 2014.

The project, located south of Yinjiaying Village, Wuli Town, Hanbin District, Ankang City, Shaanxi Province with short-term and long-term daily treatment capacity of 10,000 tonnes and 20,000 tonnes respectively, will be invested, built, operated and transferred by Sound Global as a BOT project. The total investment in the project amounts to approximately RMB37.7 million for a concession period of 30 years.

Mr. Wen Yibo, Chairman of Sound Global, commented that Ankang City, located upstream of the Han River, is a historic place as one of the birthplace of Chinese culture and is well placed with huge development potential as a transport hub bordering Shaanxi, Sichuan, Chongqing and Hubei. Wuli Town, 13 kilometers to the west of the center of Ankang City, is a key town of the Ankang City. Ankang Airport and the interchange of the expressways “Shitian” and “Shaanxi - Sichuan” are situated in the town. The sewage treatment plant in Wuli Town is the first one in the town. The project, upon completion of construction and commencement of operation, will make a great contribution towards preserving the water quality of the Han River, enhancing the comprehensive capacity of the town, improving living conditions of the local people and the investment environment, strengthening sustainable economic development and improving the ecology of the surrounding tourist areas.

None of the Directors or substantial shareholders of the Company has any direct or indirect interest (other than through their shareholdings in the Company) in the above-mentioned transaction.

The accounting treatment for this project will be the same as that of our previous BOT projects. This transaction is not expected to have any material impact on the net earnings per share and the net tangible assets per share of the Company for the financial year ending 31 December 2014.
