PROPOSED RIGHTS ISSUE

The Company proposes to raise approximately HK\$1,653.86 million before expenses, by way of a rights issue of 435,227,500 Rights Shares on the basis of one (1) Rights Share for every eight (8) existing Shares held by the Qualifying Shareholders on the Record Date at the Subscription Price of HK\$3.80 per Rights Share payable in full on acceptance.

The Company will provisionally allot one (1) Rights Share in nil-paid form for every eight (8) existing Shares held by each Qualifying Shareholder on the Record Date. Fractional entitlements will not be allotted but will be aggregated and sold for the benefit of the Company. The Rights Issue is only available to the Qualifying Shareholders and will not be available to the Non-Qualifying Shareholders.

The Directors consider that the Rights Issue would provide an opportunity for existing Shareholders to participate in the future development of the Group, strengthen the capital base and the financial position of the Group. For further details of the reasons for the Rights Issue, please also refer to the section headed “5. Reasons for the Rights Issue” below.

The net proceeds of the Rights Issue are estimated to be approximately HK\$1,634.78 million after the deduction of all estimated expenses (based on the number of Shares in issue as at the date of this announcement). The Company intends to apply the net proceeds from the Rights Issue to refinance part of the existing bank loan that will mature in December 2014.

IRREVOCABLE UNDERTAKING BY THE COMMITTED SHAREHOLDER

As at the date of this announcement, the Committed Shareholder holds an aggregate of 2,180,530,000 Shares, representing approximately 62.63% of the issued share capital of the Company. The Committed Shareholder has provided an Irrevocable Undertaking to the Company that, subject to the Rights Issue and the Underwriting Agreement not being terminated, by no later than 9:30 a.m. on the Latest Acceptance Date, the Committed Shareholder, as the trustee of the Chen’s Family Trust, will (i) subscribe the Committed Shares provisionally allotted to it under the Rights Issue and will lodge, or procure to be lodged, the PALs together with payment of the Irrevocable Subscription Amount in accordance with the terms of the Rights Issue Documents; and (ii) not dispose of or transfer (directly or indirectly, including without limitation by the creation of any option, charge, encumbrance or rights over or in respect of) any of the Shares held by it for the period from the date of the Irrevocable Undertaking until the date when dealings in the Rights Shares in their fully-paid form commence on the Stock Exchange.

As at the date of this announcement, save for the Irrevocable Undertaking by the Committed Shareholder, the Company has neither obtained any undertakings nor received any information on the intention from other Shareholders that they will subscribe for any or all of the Rights Shares to be provisionally allotted to them under the Rights Issue.

The Rights Shares (other than the Committed Shares) will be fully underwritten by the Underwriter on the terms and subject to the conditions set out in the Underwriting Agreement.

The Rights Issue is conditional on (i) the satisfaction (or, as applicable, waiver) of the conditions of the Underwriting Agreement referred to in the section headed “2(b) Conditions of the Rights Issue” in this announcement below, and (ii) the Underwriting Agreement not being terminated by the Underwriter in accordance with its terms. If the conditions of the Underwriting Agreement are not fulfilled (or waived) or the Underwriting Agreement is terminated pursuant to its terms, the Rights Issue will not proceed.

NO SHAREHOLDERS’ APPROVAL IS REQUIRED

As the proposed Rights Issue would not increase the issued share capital or the market capitalisation of the Company by more than 50%, it is not subject to the approval of the Shareholders in a general meeting in accordance with Rule 7.19(6)(a) of the Listing Rules.

WARNING OF THE RISKS OF DEALING IN THE SHARES AND THE NIL-PAID RIGHTS SHARES

The Underwriting Agreement contains provisions granting the Underwriter the right to terminate its obligations under the Underwriting Agreement upon the occurrence of certain events. Please refer to the section headed “2(c) Termination of the Underwriting Agreement” below for further details. If the Underwriting Agreement does not become unconditional or is terminated in accordance with its terms, the Rights Issue will not proceed, in which case a further announcement will be made by the Company at the relevant time.

The Shares are expected to be dealt in on an ex-rights basis from Tuesday, 21 October 2014. Dealings in the Rights Shares in nil-paid form are expected to take place from 9:00 a.m. on Thursday, 30 October 2014 to 4:00 p.m. on Thursday, 6 November 2014 (both days inclusive). Any Shareholder or other person contemplating transferring, selling or purchasing the Shares and/or Rights Shares in their nil-paid form is advised to exercise caution when dealing in the Shares and/or the nil-paid Rights Shares. Any person who is in any doubt about his/her/ its position or any action to be taken is recommended to consult his/her/its own professional adviser(s). Any Shareholder or other person dealing in the Shares or in the nil-paid Rights Shares up to the date on which all the conditions to the Rights Issue are fulfilled (or, as applicable, waived) will accordingly bear the risk that the Rights Issue may not become unconditional or may not proceed.

EXEMPTED CONNECTED TRANSACTIONS

The Underwriter is a connected person of the Company. The entering into of the Underwriting Agreement by the Company constitutes a connected transaction for the Company under the Listing Rules. The Company has made arrangements for the Qualifying Shareholders to apply for Rights Shares in excess of their entitlements under the Rights Issue in accordance with Rule 7.21(1) of the Listing Rules. The transactions under the Underwriting Agreement will be exempted from the Independent Shareholders’ approval, annual review and all disclosure requirements pursuant to Rule 14A.92(2)(b) of the Listing Rules.

The payment of the underwriting commission by the Company to the Underwriter constitutes a connected transaction of the Company. As the total amount of underwriting commission payable by the Company is within the de minimis threshold for connected transaction under Chapter 14A of the Listing Rules, the payment of commission to the Underwriter pursuant to the Underwriting Agreement is exempt from the reporting, announcement and Independent Shareholders' approval requirements under Rule 14A.76 of the Listing Rules.

Further to the Company's announcement dated 10 October 2014, the Company received further inside information on 15 October 2014, details of which are set out in the section headed "13. Inside Information" in this announcement.

1. PROPOSED RIGHTS ISSUE

(a) Issue statistics

Basis of the Rights Issue	: one (1) Rights Share for every eight (8) existing Shares held on the Record Date
Subscription Price	: HK\$3.80 per Rights Share
Number of Shares in issue	: 3,481,820,000 Shares as at the date of this announcement
Aggregate nominal value of Rights Shares to be issued under the Rights Issue	: HK\$43,522,750
Number of Rights Shares to be issued under the Rights Issue	: 435,227,500 Rights Shares
Underwriter	: Top Coast
Enlarged issued share capital of the Company upon completion of the Rights Issue	: 3,917,047,500 Shares (assuming no new Shares (other than the Rights Shares) are allotted and issued on or before completion of the Rights Issue)
Funds raised before expenses	: approximately HK\$1,653.86 million

As at the date of this announcement, the Company has no outstanding convertible securities, options or warrants in issue or other similar rights which confer any right to convert or exchange into or subscribe for Shares.

Assuming no new Shares (other than the Rights Shares) are allotted and issued on or before completion of the Rights Issue, the aggregate number of nil-paid Rights Shares proposed to be provisionally allotted pursuant to the terms of the Rights Issue represents approximately 12.50% of the Company's issued share capital as at the date of this announcement and approximately 11.11% of the Company's issued share capital as enlarged by the Rights Issue.

(b) Subscription Price

The Subscription Price is HK\$3.80 per Rights Share, which is payable in full by a Qualifying Shareholder upon acceptance of the relevant provisional allotment of the Rights Shares under the Rights Issue or, where applicable, application for excess Rights Shares or when a renouncee of any provisional allotment of the Rights Shares or a transferee of nil-paid Rights Shares applies for the Rights Shares. The Subscription Price represents:

- (i) a discount of approximately 8.65% to the closing price of HK\$4.16 per Share as quoted on the Stock Exchange on the Last Trading Day;
- (ii) a discount of approximately 13.24% to the average of the closing prices per Share as quoted on the Stock Exchange for the five previous consecutive trading days up to and including the Last Trading Day of approximately HK\$4.38;
- (iii) a discount of approximately 21.65% to the average of the closing prices per Share as quoted on the Stock Exchange for the ten previous consecutive trading days up to and including the Last Trading Day of approximately HK\$4.85; and
- (iv) a discount of approximately 7.77% to the theoretical ex-rights price of approximately HK\$4.12 per Share based on the closing price of HK\$4.16 per Share as quoted on the Stock Exchange on the Last Trading Day.

Each Rights Share will have a nominal value of HK\$0.10.

The Subscription Price was determined by the Directors with reference to the market price of the Shares prior to and including the Last Trading Day. Each Qualifying Shareholder will be entitled to subscribe for the Rights Shares at the Subscription Price in proportion to his/her/its shareholding held on the Record Date as well as to apply for additional Rights Shares in excess of their respective pro rata entitlements under the Rights Issue.

After taking into consideration the reasons for the Rights Issue as stated in the sections headed "5. Reasons for the Rights Issue" and "6. Use of Proceeds" below, the Directors consider the terms of the Rights Issue, including the Subscription Price (and the discounts to the relative values as indicated above), to be fair and reasonable to, and in the interests of, the Company and the Shareholders as a whole.

(c) Basis of provisional allotment

The basis of the provisional allotment will be one (1) Rights Share (in nil-paid form) for every eight (8) existing Shares held by Qualifying Shareholders on the Record Date.

Application for all or any part of a Qualifying Shareholder's provisional allotment should be made by completing a PAL and lodging the same with a remittance for the Rights Shares with the Registrar on or before the Latest Time for Acceptance.

(d) Status of the Rights Shares

The Rights Shares (when allotted, issued and fully-paid) will rank *pari passu* in all respects with the existing Shares then in issue. Holders of fully-paid Rights Shares will be entitled to receive all future dividends and distributions, the record dates of which are on or after the date of allotment and issue of the Rights Shares in their fully-paid form.

(e) Share Certificates for the Rights Shares and Refund Cheques

Subject to the fulfilment of the conditions of the Rights Issue as set out below, Share certificates for all fully-paid Rights Shares are expected to be sent by ordinary post on or around Wednesday, 19 November 2014 to those persons who have paid for and have accepted the Rights Shares at their own risk. Applicant(s) will receive one Share certificate for all the Rights Shares allotted and issued to him/her/it. Refund cheques in respect of wholly or partially unsuccessful applications for excess Rights Shares (if any) are expected to be sent by ordinary post on or around Wednesday, 19 November 2014 to the applicants at their own risk.

(f) Fractions of the Rights Shares

The Company will not provisionally allot and will not accept applications for any fractions of the Rights Shares. All fractions of the Rights Shares will be aggregated (and rounded down to the nearest whole number). All nil-paid Rights Shares arising from such aggregation will be provisionally allotted (in nil-paid form) to the Nominee, and will be sold in the market and the proceeds will be retained by the Company for its own benefit, if a premium (net of expenses and stamp duty) can be obtained. Any such unsold aggregated fractions of nil-paid Rights Shares will be made available for excess applications by Qualifying Shareholders by the EAFs. No odd lot matching services will be provided.

(g) Application for excess Rights Shares

Qualifying Shareholders will be entitled to apply, by way of excess application, for:

- (i) any unsold Rights Shares which would have been allotted to Non-Qualifying Shareholders had they been Qualifying Shareholders;
- (ii) any unsold Rights Shares created by adding together fractions of the Rights Shares;
and

- (iii) any Rights Shares provisionally allotted but not validly accepted by the Qualifying Shareholders or otherwise subscribed for by renounees or transferees of nil-paid Rights Shares.

Application for excess Rights Shares can be made only by Qualifying Shareholders and only by completing an EAF (in accordance with the instructions printed thereon) and lodging the same with a separate remittance for the excess Rights Shares being applied for with the Registrar by the Latest Time for Acceptance or such later time as may be agreed between the Company and the Underwriter.

Any excess Rights Shares will, at the discretion of the Directors, be allocated and allotted on a fair and reasonable basis and as far as practicable on the following principles:

- (i) no preference will be given to applications for topping-up odd-lot holdings to whole-lot holdings as the giving of such preference may potentially be abused by certain investors by splitting their nil-paid Rights Shares and thereby receiving more Rights Shares than they would receive if such preference is not given, which is an unintended and undesirable result; and
- (ii) subject to the availability of excess Rights Shares, the excess Rights Shares will be allocated to the Qualifying Shareholders who have applied for excess application on a pro rata basis based on the excess Rights Shares applied for by them.

In applying the principles in (i) and (ii) above, reference will only be made to the number of excess Rights Shares being applied for. No reference will be made to Rights Shares comprised in applications by PAL or the existing number of Shares held by the Qualifying Shareholders. The Directors are of the view that such allocation of excess Rights Shares is fair and equitable as all Qualifying Shareholders are also entitled to apply for the excess Rights Shares. In addition, any Rights Shares not applied for by the Qualifying Shareholders will be taken up by the Underwriter.

In relation to applications for excess Rights Shares, where Shares are held by a nominee (or which are held in CCASS), the Beneficial Owners of those Shares should note that the Board will regard a Registered Nominee as a single Shareholder. Accordingly, the arrangements regarding allocation of excess Rights Shares will not be extended to the Beneficial Owners individually. Beneficial Owners who own the Shares through a Registered Nominee are advised to consider whether they would like to arrange for the registration of their Shares in their own names prior to 4:30 p.m. on the Last Day for Transfer.

Beneficial Owners whose Shares are held by a Registered Nominee and who would like to have their names registered on the register of members of the Company must lodge all necessary documents with the Registrar for completion of the relevant registration by 4:30 p.m. on the Last Day for Transfer.

(h) Application for listing of and dealings in the Rights Shares

The Company will apply to the Listing Committee of the Stock Exchange for the listing of, and permission to deal in, the Rights Shares in both their nil-paid and fully-paid forms. The nil-paid and fully-paid Rights Shares are expected to be traded in board lots of 2,000 (as the Shares are currently traded on the Main Board of the Stock Exchange in board lots of 2,000). Save as disclosed in this announcement, no part of the Shares of the Company in issue or for which listing or permission to deal is being or is proposed to be sought is listed on or dealt in, any other stock exchange.

(i) Stamp duty and other applicable fees and charges

Dealings in the Rights Shares (in both their nil-paid and fully-paid forms) will be subject to the payment of stamp duty, Stock Exchange trading fee, SFC transaction levy and other applicable fees and charges in Hong Kong.

(j) Rights Shares will be eligible for admission into CCASS

Subject to the approval for the listing of, and permission to deal in, the Rights Shares in both their nil-paid and fully-paid forms on the Stock Exchange as well as compliance with the stock admission requirements of HKSCC, the Rights Shares in both their nil-paid and fully-paid forms will be accepted as eligible securities by HKSCC for deposit, clearance and settlement in CCASS with effect from the respective commencement dates of dealings in the Rights Shares in both their nil-paid and fully-paid forms on the Stock Exchange or such other dates as determined by HKSCC. Settlement of transactions between participants of the Stock Exchange on any trading day is required to take place in CCASS on the second trading day thereafter.

All activities under CCASS are subject to the General Rules of CCASS and CCASS Operational Procedures in effect from time to time. Shareholders should seek advice from their licensed securities dealers or other professional advisers for details of those settlement arrangements and how such arrangements will affect their rights and interests.

(k) Qualifying Shareholders

To qualify for the Rights Issue, a Shareholder must:

- (a) be registered as a member of the Company on the Record Date; and
- (b) not be a Non-Qualifying Shareholder.

In order to be registered as a member of the Company on the Record Date, any transfer of Shares (together with the relevant Share certificate(s)) must be lodged with the Registrar,

Tricor Investor Services Limited
Level 22, Hopewell Centre
183 Queen's Road East
Hong Kong

by 4:30 p.m. (Hong Kong time) on the Last Day for Transfer.

The Company expects to despatch the Rights Issue Documents to Qualifying Shareholders on or before the Posting Date. Subject to the advice of the Company's legal advisers in the relevant jurisdictions and to the extent reasonably practicable and legally permitted, the Company will send copies of the Prospectus to Non-Qualifying Shareholders for their information only but will not send any PAL or EAF to them.

The Latest Time for Acceptance of and payment for the Rights Shares is expected to be 4:00 p.m. on the Latest Acceptance Date.

Qualifying Shareholders who take up their pro rata entitlement in full will not suffer any dilution to their interests in the Company (except in relation to any dilution resulting from the taking up by third parties of any Rights Shares arising from the aggregation of fractional entitlements). If a Qualifying Shareholder does not take up any of his/her/its entitlement in full under the Rights Issue, his/her/its proportionate shareholding in the Company will be diluted.

(I) Non-Qualifying Shareholders

Overseas Shareholders on the Record Date may not be eligible to take part in the Rights Issue as explained below.

The Rights Issue Documents will not be registered or filed under the applicable securities legislation of any jurisdiction other than Hong Kong. The Board is making enquiries pursuant to Rule 13.36(2)(a) of the Listing Rules as to the applicable securities legislation of the relevant overseas jurisdictions or the requirements of any relevant regulatory body or stock exchange to assess the feasibility of extending the Rights Issue to the Overseas Shareholders and the results of the enquiries will be included in the Prospectus. If, after making such enquiries, the Board is of the opinion that it would be necessary or expedient, on account of either the legal restrictions under the laws of the relevant jurisdiction or any requirement of the relevant regulatory body or stock exchange in that jurisdiction, not to offer the Rights Shares to any of the Overseas Shareholders, no provisional allotment of nil-paid Rights Shares or allotment of fully-paid Rights Shares will be made to such Overseas Shareholders. The basis of exclusion of Non-Qualifying Shareholders, if any, from the Rights Issue will be disclosed in the Prospectus. The Company will, to the extent reasonably practicable and legally permitted, send the Prospectus to Non-Qualifying Shareholders for their information only on or before the Posting Date but will not send the PALs or the EAFs to them.

The Company will make arrangements for the Rights Shares which would otherwise have been provisionally allotted to Non-Qualifying Shareholders to be provisionally allotted (in nil-paid form) to the Nominee, who will sell such Rights Shares in the market in their nil-paid form after dealings in the nil-paid Rights Shares commence on the Stock Exchange but before the Latest Time for Acceptance, if a premium (net of expenses) can be obtained. The proceeds of each sale, less expenses, will be paid by the Company to the relevant Non-Qualifying Shareholder(s) pro rata to their shareholdings in the Company on the Record Date in Hong Kong dollars. The Company will retain individual amounts of less than HK\$100.00 for the benefit of the Company. Any unsold entitlements of Non-Qualifying Shareholders, as referred to above in this announcement, will be made available for excess applications by Qualifying Shareholders under the EAFs.

Overseas Shareholders should note that they may or may not be entitled to the Rights Issue subject to the results of the enquiries made by the Board pursuant to Rule 13.36(2)(a) of the Listing Rules. The Company reserves the right to treat as invalid any acceptances of or applications for the Rights Shares where it believes that such acceptance or application would violate the applicable securities or other laws or regulations of any territory or jurisdiction. Accordingly, Overseas Shareholders should exercise caution when dealing in the Shares.

(m) Closure of the register of members

The register of members of the Company will be closed from Thursday, 23 October 2014 to Monday, 27 October 2014 (both days inclusive) for determining the entitlements to the Rights Issue. No transfer of Shares will be registered during this period.

- Underwriter : Top Coast Investment Limited, being the trustee of the Chen's Family Trust. As at the date of this announcement, the Underwriter holds 2,180,530,000 Shares, representing approximately 62.63% of the issued share capital of the Company. The Underwriter does not underwrite issues of securities in its ordinary course of business.
- Number of Underwritten Shares : The Rights Shares (other than the Committed Shares) will be fully underwritten by the Underwriter.

The Directors consider that the terms of the Underwriting Agreement including the rate of commission are on normal commercial terms and fair and reasonable so far as the Company and the Shareholders are concerned.

(b) Conditions of the Rights Issue

The Rights Issue is conditional on (i) the satisfaction (or, as applicable, waiver) of the conditions of the Underwriting Agreement referred to in this section, and (ii) the Underwriting Agreement not being terminated in accordance with its terms. The obligations of the Underwriter under the Underwriting Agreement are conditional upon:

- (ii) the Stock Exchange issuing a certificate authorising registration of the Prospectus with the Hong Kong Companies Registry under section 342C of the Companies (Winding up and Miscellaneous Provisions) Ordinance not later than the Posting Date (or such later time and/or date as the Company and the Underwriter may agree in writing);

The Company has undertaken to use its best endeavours to procure the fulfilment of each of the conditions by the due time and/or date referred to in each case (or if no date is specified, by the Latest Time for Termination) and the Company shall in particular furnish such information, supply such documents, pay (in the case of the Company) such fees, give such undertakings and do all such acts and things, as may be reasonably required by the Underwriter and the Stock Exchange to give effect to the Rights Issue and in connection with the listing of the Rights Shares.

If any of the above conditions of the Underwriting Agreement is not fulfilled, or is not waived if permitted by the terms of the Underwriting Agreement in whole or in part by the Underwriter, by the specified time and date or the date on which the Latest Time for Termination occurs, the Underwriting Agreement shall terminate (save in respect of certain rights and obligations under the Underwriting Agreement) and the Rights Issue will not proceed.

The Underwriter shall have the right by giving written notice to the Company on or before the latest time at which, or the latest day on which, any of the above conditions of the Underwriting Agreement may be fulfilled:

- (i) to extend the deadline for the fulfilment of any condition by such time or date as the Underwriter may reasonably determine; or
- (ii) to waive the condition 2(b)(iv) above, and such waiver may be made subject to such terms and conditions as the Underwriter may reasonably determine.

(c) Termination of the Underwriting Agreement

The Underwriting Agreement contains provisions granting the Underwriter, by notice in writing to the Company, the right to terminate the Underwriting Agreement on the occurrence of certain events.

The Underwriter may at any time prior to the Latest Time for Termination, by notice in writing to the Company, rescind or terminate the Underwriting Agreement if:

- (i) any matter or circumstance arises as a result of which any of the conditions set out in paragraph 2(b) above has become incapable of satisfaction or waiver (if applicable) as at the required time;

- (iii) any event occurs or matter arises or is discovered, which, if it had occurred before the date of the Underwriting Agreement or before any of the dates or before any time on which the representations, warranties and undertakings are deemed to be given would have rendered any of those representations, warranties or undertakings untrue, inaccurate, incomplete or misleading in any respect, comes to the knowledge of the Underwriter;
- (iv) any statement contained in the Prospectus has become or been discovered to be untrue, inaccurate, incomplete or misleading in any material respect;
- (v) any matter arises or is discovered which would, if the Prospectus was to be issued at the time, constitute a material omission therefrom;
- (vi) the Listing Approval is withdrawn by the Stock Exchange;
- (vii) there is any change or prospective change in the results of operations, prospects, management, business or in the financial or trading position or prospects of any member of the Group which in the sole opinion of the Underwriter is or may be materially adverse in the context of the Rights Issue; or
- (viii) there has occurred, happened or come into effect any event, series of events or circumstances concerning or relating to (whether or not foreseeable):
 - (a) any change in local, national or international financial, political, economic, military, industrial, legal, fiscal, regulatory or securities market matters or conditions or currency exchange rates or exchange controls (including without limitation, any change in the system under which the value of the Hong Kong currency is linked to that of the United States) in Hong Kong, the United States, the European Union (or any member thereof), the United Kingdom or the PRC;

- (d) the declaration of a banking moratorium by authorities in Hong Kong, United States, the European Union (or any member thereof), the United Kingdom or the PRC occurring due to exceptional financial circumstances or otherwise,

then in any such case the Underwriter may by notice in writing to the Company, served prior to the Latest Time for Termination, rescind or terminate the Underwriting Agreement.

In the event the Underwriter exercises its right to terminate the Underwriting Agreement prior to the Latest Time for Termination, the obligations of all parties thereunder shall terminate forthwith (save in respect of certain rights or obligations under the Underwriting Agreement) and no party shall have any claim against any other for costs, damages, compensation or otherwise provided that such termination shall be without prejudice to the rights of the Company and the Underwriter in respect of any breach of the Underwriting Agreement occurring prior to such termination.

If the Underwriter exercises such right, the Underwriting Agreement will not become unconditional and the Rights Issue will not proceed. Further announcement will be made if the Underwriting Agreement is terminated by the Underwriter.

(d) Irrevocable Undertaking by the Committed Shareholder

As at the date of this announcement, the Committed Shareholder holds an aggregate of 2,180,530,000 Shares, representing approximately 62.63% of the issued share capital of the Company. 5. REASONS FOR THE RIGHTS ISSUE

The Directors consider that the Rights Issue would provide an opportunity for existing Shareholders to participate in the future development of the Group and strengthen the capital base and financial position of the Group:

(a) The Rights Issue provides the ability for existing Shareholders to participate in the Rights Issue

- (i) The Rights Issue will enable the Qualifying Shareholders to maintain their respective pro rata shareholding interests in the Group;
- (ii) Support of controlling shareholder of the Company to participate in the Rights Issue demonstrates its confidence in the Group's growth prospects and long-term fundamentals of China's real estate sector;
- (iii) The Rights Issue will offer to the Qualifying Shareholders the opportunity to participate in the future development of the Group on equal terms; and
- (iv) The Qualifying Shareholders will be entitled to apply by way of excess application for any unsubscribed Rights Shares pursuant to the terms as stated in the section headed "1. Proposed Rights Issue - (g) Application for excess Rights Shares" above.

(b) The Rights Issue is an optimal financing strategy for the Group

The net proceeds of the Rights Issue will:

- (i) be used to refinance the existing indebtedness;
- (ii) enlarge the Group's capital base and therefore enhance financing flexibility which will enable the Group to make capital investment for its business growth; and
- (iii) strengthen the financial position of the Group and improve the credit ratios without increasing finance costs.

Based on the foregoing, the Directors consider that the Rights Issue is favourable to the Company's long-term business development and in the best interests of the Company and the Shareholders as a whole.

6. USE OF PROCEEDS

The net proceeds of the Rights Issue are estimated to be approximately HK\$1,634.78 million after the deduction of all estimated expenses of approximately HK\$19.08 million and will be borne by the Company. The Company intends to apply the net proceeds from the Rights Issue to refinance part of the existing bank loan that will mature in December 2014.

For the refinancing of the balance of the existing bank loan that will mature in December 2014, the Company is considering other fund-raising alternatives which would include issue of equity, bond and/or convertibles. The Company is also in discussion with its banks on time extension for the loan.

Although there is no current intention to deviate from the stated use of proceeds, the Directors may review and vary the purpose for which the proceeds are used in light of what they consider to be the optimal use of proceeds from time to time. Further announcements will be made, if necessary, in the event of material change to the use of proceeds.
