**PROPOSED SHARE SUBDIVISION
AND
PROPOSED CHANGE IN BOARD LOT SIZE**

Financial adviser to the Company

PROPOSED SHARE SUBDIVISION

The Board proposes to put forward to the Shareholders a proposal to effect the proposed Share Subdivision whereby every one (1) issued and unissued Share of par value of HK\$0.01 each will be subdivided into ten (10) Subdivided Shares of par value of HK\$0.001 each. The Share Subdivision will become effective upon fulfillment of the conditions set out under the section headed “Conditions of the Share Subdivision” below.

PROPOSED CHANGE IN BOARD LOT SIZE

The Board proposes to change the board lot size for trading on the Stock Exchange from 2,000 Shares to 20,000 Subdivided Shares after and conditional upon the Share Subdivision becoming effective.

Other than the relevant expenses, including but not limited to professional fees and printing charges incurred, the implementation of the Share Subdivision and the Change in Board Lot Size will have no effect on the consolidated net asset value of the Group, nor will it alter the underlying assets, business, operations, management or financial position of the Company or the interests of the Shareholders. The Directors believe that the Share Subdivision will not have any material adverse effect on the financial position of the Group.

GENERAL

A SGM will be convened and held for the Shareholders to consider, and if thought fit, to approve the proposed Share Subdivision. A circular containing, among other things, further details about the Share Subdivision and the Change in Board Lot Size and the notice convening the SGM, will be despatched to the Shareholders on or before 10 December 2014.

PROPOSED SHARE SUBDIVISION

The Board proposes to put forward to the Shareholders a proposal to effect the proposed Share Subdivision whereby every one (1) issued and unissued Share of par value of HK\$0.01 each will be subdivided into ten (10) Subdivided Shares of par value of HK\$0.001 each.

Conditions of the Share Subdivision

The Share Subdivision is conditional upon (i) the passing of the relevant resolution to approve the Share Subdivision by the Shareholders at the SGM; and (ii) the Listing Committee of the Stock Exchange granting approval to the listing of, and permission to deal in, the Subdivided Shares and the Subdivided Shares which may fall to be issued upon exercise of the Outstanding Options.

An application will be made by the Company to the Listing Committee of the Stock Exchange for the listing of, and the permission to deal in, the Subdivided Shares and the Subdivided Shares which may fall to be issued upon exercise of the Outstanding Options.

The Share Subdivision will become effective following the fulfillment of the above conditions.

Effect of the Share Subdivision

As at the date of this announcement, the authorised share capital of the Company is HK\$100,000,000 divided into 10,000,000,000 Shares of HK\$0.01 each, of which 833,251,487 Shares have been issued and are fully paid or credited as fully paid. Assuming that no further Shares are issued or repurchased between the date of this announcement and the date of the SGM, immediately after the Share Subdivision becoming effective, the authorised share capital of the Company will become HK\$100,000,000 divided into 100,000,000,000 Subdivided Shares of HK\$0.001 each, of which 8,332,514,870 Subdivided Shares will be in issue which are fully paid or credited as fully paid following the Share Subdivision becoming effective.

Upon the Share Subdivision becoming effective, the Subdivided Shares will rank *pari passu* in all respects with each other.

Free exchange of Subdivided Shares' certificates and trading arrangement

Subject to the Share Subdivision becoming effective, which is expected to be on Friday, 2 January 2015, Shareholders may, during the period from Friday, 2 January 2015 to Tuesday, 10 February 2015 (both days inclusive) between 9:00 a.m. and 4:00 p.m. on any Business Day, submit share certificates for the existing Shares in grey colour to the Company's branch share registrar and transfer office in Hong Kong, Union Registrars Limited at 18th Floor, Fook Lee Commercial Centre, Town Place, 33 Lockhart Road, Wanchai, Hong Kong (address to be changed to A18/F., Asia Orient Tower, Town Place, 33 Lockhart Road, Wanchai, Hong Kong with effect from 1 December 2014), to exchange, at the expense of the Company, for new certificates of the Subdivided Shares in blue colour. Thereafter, each share certificate for the existing Shares will be accepted for exchange only on payment of a fee of HK\$2.50 (or such higher amount as may from time to time be specified by the Stock Exchange) for each new share certificate issued for the Subdivided Shares or each share certificate for the existing Shares submitted for cancellation, whichever the number of certificates issued or cancelled is higher. Nevertheless, the share certificates for the existing Shares will continue to be good evidence of legal title and may be exchanged for new share certificates for the Subdivided Shares at any time but are not accepted for trading, settlement and registration upon completion of the Share Subdivision.

The Outstanding Options

As at the date of this announcement, 146,030,000 Outstanding Options granted under the Share Option Scheme are outstanding. Under the relevant terms and conditions thereof, the Share Subdivision may lead to adjustments to the exercise price and/or the number of shares of the Company falling to be issued upon exercise of the Outstanding Options pursuant to the terms thereof. Further announcement will be made by the Company in respect of such adjustments as and when appropriate.

Save for the aforesaid, the Company does not have any options outstanding under any share option scheme of the Company or any other derivatives, options, warrants and conversion rights or other similar rights which are convertible or exchangeable into shares of the Company as at the date of this announcement.

PROPOSED CHANGE IN BOARD LOT SIZE

As at the date of this announcement, the shares of the Company are traded in board lots of 2,000 Shares. The Board proposes to change the board lot size for trading on the Stock Exchange from 2,000 Shares to 20,000 Subdivided Shares after and conditional upon the Share Subdivision becoming effective.

Based on the closing price of HK\$1.81 per Share (equivalent to HK\$0.181 per Subdivided Share) as at the date of this announcement, the value of each board lot of 20,000 Subdivided Shares, assuming the Share Subdivision had already become effective, would be HK\$3,620.

Arrangement on odd lot trading

In order to facilitate the trading of odd lots (if any) of the Subdivided Shares, the Company will appoint a securities firm to provide matching services, on a best effort basis, to those Shareholders who wish to top up or sell their holding of odd lots of the Subdivided Shares. Details of the odd lot trading arrangement will be stated in the circular to be despatched to the Shareholders which shall also contain, inter alia, details of the Share Subdivision and the Change in Board Lot Size.

REASONS FOR THE SHARE SUBDIVISION AND THE CHANGE IN BOARD LOT SIZE

Upon the proposed Share Subdivision becoming effective, the par value of each share of the Company will decrease and the total number of shares of the Company in issue will increase. The Share Subdivision will result in a downward adjustment to the trading price of the shares of the Company. The Board believes that the Share Subdivision will reduce the trading spread as well as the volatility of the trading price of its shares and thus improving liquidity in the Company's Subdivided Shares. The Board also considers that the proposed Change in Board Lot Size will maintain the trading amount for each board lot at a reasonable level. In view of the above, the Board considers that the Share Subdivision and the Change in Board Lot Size are in the interests of the Company and the Shareholders as a whole.

Other than the relevant expenses, including but not limited to professional fees and printing charges incurred, the implementation of the Share Subdivision and the Change in Board Lot Size will have no effect on the consolidated net asset value of the Group, nor will it alter the underlying assets, business, operations, management or financial position of the Company or the interests of the Shareholders. The Directors believe that the Share Subdivision will not have any material adverse effect on the financial position of the Group.
