At the annual general meeting of the Company held on 30 May 2014, resolutions were passed granting general mandates to the Directors (i) to allot and issue Shares with an aggregate nominal value not exceeding 20% of the aggregate nominal value of the issued share capital of the Company as at the date of passing of the relevant resolutions and (ii) to repurchase shares in the capital of the Company up to 10% of the aggregate nominal amount of the issued share capital of the Company as at the date of passing of the relevant resolutions. - (a) to grant the General Mandate to the Directors to exercise the powers of the Company to allot and issue Shares with an aggregate nominal value not exceeding 20% of the aggregate nominal value of the issued share capital of the Company as at the date of passing the resolution. The General Mandate will end on the earliest of the date of the next annual general meeting, the date by which the next annual general meeting of the Company is required to be held by the Articles of Association or the date upon which such authority is revoked or varied by an ordinary resolution of the Shareholders at a general meeting of the Company. Based on 4,517,339,850 Shares in issue as at the Latest Practicable Date and assuming that no further Shares are issued or repurchased prior to the Annual General Meeting, the Directors will be authorised to issue up to 903,467,970 Shares under the General Mandate;

As at the Latest Practicable Date, the number of Shares in issue is 4,517,339,850 Shares. The Repurchase Mandate will end on the earliest of the date of the next annual general meeting, the date by which the next annual general meeting of the Company is required to be held by the Articles of Association or the date upon which such authority is revoked or varied by an ordinary resolution of the Shareholders at a general meeting of the Company; and

## **LETTER FROM THE BOARD**

- (c) subject to the passing of the aforesaid ordinary and special resolutions of the General Mandate and the Repurchase Mandate, to extend the number of Shares to be issued and allotted under the General Mandate by an additional number representing such number of Shares repurchased under the Repurchase Mandate.

## LETTER FROM THE BOARD

### RESPONSIBILITY STATEMENT

This circular, for which the Directors collectively and individually accept full responsibility, includes particulars given in compliance with the Listing Rules for the purpose of giving information with regard to the Group. The Directors having made all reasonable enquiries, confirm that to the best of their knowledge and belief, the information contained in this circular is accurate and complete in all material respects and not misleading or deceptive, and there are no other matters the omission of which would make any statement contained herein or this circular misleading.

### RECOMMENDATION

The Directors (including all the independent non-executive Directors) consider that the resolutions to be proposed at the Annual General Meeting regarding (i) the renewal of the General Mandate and the Repurchase Mandate; (ii) the extension of the General Mandate to include Shares repurchased pursuant to the Repurchase Mandate and (iii) the re-election of Directors are in the best interests of the Company as well as the Shareholders as a whole. Accordingly, the Directors recommend the Shareholders to vote in favour of all the resolutions to be proposed at the Annual General Meeting.

Yours faithfully  
By Order of the Board  
**Mr. ZHANG Jimin**  
*Chairman*

This is an explanatory statement given to all Shareholders relating to a resolution to be proposed at the Annual General Meeting for approving the Repurchase Mandate. This explanatory statement contains all the information required pursuant to Rule 10.06(1)(b) and other relevant provisions of the Listing Rules which is set out as follows:

### **1. SHARE CAPITAL**

As at the Latest Practicable Date, there was a total of 4,517,339,850 Shares in issue. Subject to the passing of the resolution granting the Repurchase Mandate and on the basis that no further Shares are issued or repurchased during the period from the Latest Practicable Date to the Annual General Meeting, the Company will be allowed under the Repurchase Mandate to repurchase a maximum of 451,733,985 Shares, being 10% of the issued share capital of the Company as at the date of the passing of the relevant resolution at the Annual General Meeting.

### **2. REASONS FOR SHARE REPURCHASE**

The Directors consider that a general authority from the Shareholders to repurchase Shares on the market would give the Company additional flexibility that would be beneficial to the Company and the Shareholders as such repurchase may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net assets value of the Company and/or its earning per Share and will only be made when the Directors believe that such a repurchase will benefit the Company and the Shareholders as a whole.

As compared with the financial position of the Company as at 31 December 2014 (as disclosed in its latest audited financial statements for the year ended 31 December 2014), the Directors consider that there would not be any material adverse impact on the working capital and on the gearing position of the Company in the event that the proposed repurchase were to be carried out in full during the proposed repurchase period. In the circumstances, the Directors do not propose to exercise the Repurchase Mandate to such an extent as would have a material adverse impact on the working capital or gearing ratio of the Company.

### **3. FUNDING OF REPURCHASE**

The Company is empowered by its memorandum and articles of association to repurchase its Shares. In repurchasing Shares, the Company may only apply funds legally available for such purpose in accordance with its memorandum and articles of association and laws of Jersey. Under the laws of Jersey, payment for a share repurchase by the Company can be made out of any source as provided for under the Companies (Jersey) Law 1991 provided the Shares are fully paid up. However, the articles of association of the Company require that whilst the Company is listed on the Stock Exchange, any such purchase must also comply with the requirements of the Companies Ordinance (Cap.32 of the laws of Hong Kong). Therefore the payment for a share repurchase by the Company may only be made out of profits or the proceeds of a new issue of Shares made for such purpose or out of capital of the Company. The amount of premium payable on a repurchase of Shares may only be paid out of either the profits or out of the share premium of the Company or out of capital of the Company.

In addition, under the laws of Jersey, the purchase by a company of its own shares is unlawful unless the directors of the company who authorize the purchase have formed the opinion that immediately following the date on which the payment is proposed to be made, the company shall be able to discharge its liabilities as they fall due and that, having regard to the prospects of the company and the intentions of the directors with respect to the management of the company's business and the amount and character of the financial resources that will in their view be available to the company, the company will be able to continue to carry on business and discharge its liabilities as they fall due for 12 months following the date the payment is made. In accordance with the laws of Jersey, the shares so repurchased would be treated as cancelled but the aggregate amount of authorised share capital would not be reduced.

#### **4. DIRECTORS, THEIR CLOSE ASSOCIATES AND CORE CONNECTED PERSONS**

None of the Directors nor, to the best of their knowledge and belief having made all reasonable enquiries, any of their close associates, has any present intention to sell any Shares to the Company in the event that the Repurchase Mandate is granted by the Shareholders.

No core connected person of the Company (as defined in the Listing Rules) has notified the Company that he/she/it has a present intention to sell Shares to the Company nor has he/she/it undertaken not to sell any of the Shares held by him/her/it to the Company in the event that the Repurchase Mandate is granted by the Shareholders.

#### **5. UNDERTAKING OF THE DIRECTORS**

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the powers of the Company to make repurchases pursuant to the Repurchase Mandate and in accordance with the Listing Rules, the Articles of Association and the laws of Jersey.

#### **6. EFFECT OF TAKEOVERS CODE**

A repurchase of Shares by the Company may result in an increase in the proportionate interests of a substantial shareholder of the Company in the voting rights of the Company, which could give rise to an obligation to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, to the best of the knowledge and belief of the Company, Asia Gain Investments Limited, a substantial shareholder of the Company, was beneficially interested in approximately 38.88% of the issued share capital of the Company. In the event that the Directors exercise in full the power to repurchase the Shares which is proposed to be granted pursuant to the Repurchase Mandate, the shareholding of Asia Gain Investments Limited would be increased to approximately 43.20% of the then issued share capital of the Company and such increase would give rise to an obligation to make a mandatory general offer under Rule 26 of the Takeovers Code. The Company currently has no intention to exercise the Repurchase Mandate to such extent that it would give rise to an obligation to make a mandatory offer under the Takeovers Code or result in the amount of shares held by the public being reduced to less than 25% of the issued share capital of the Company.

**7. SHARE REPURCHASES BY THE COMPANY**

The Company had not purchased any Shares (whether on the Stock Exchange or otherwise) during the six months preceding the Latest Practicable Date.

**8. SHARE PRICES**

During each of the previous 12 months up to the Latest Practicable Date, the highest and lowest traded prices for Shares on the Stock Exchange were as follows:

	<b>Highest</b> <i>HK\$</i>	<b>Lowest</b> <i>HK\$</i>
<b>2014</b>		
April	1.16	0.77
May	0.87	0.76
June	0.79	0.70
