5. *Where trading in the shares of the listed issuer has been suspended, "closing market price per share of the immediately preceding business day" should be construed as "closing market price per share of the business day on which the shares were last traded".*

7. *In the context of a redemption of shares:*
 - *"issues of shares" should be construed as "redemptions of shares";*
 - *"issued shares as a % of existing number of shares before relevant share issue" should be construed as "redeemed shares as a % of existing number of shares before relevant share redemption"; and*
 - *"issue price per share" should be construed as "redemption price per share".*
