NagaCorp and its subsidiaries (including NagaWorld) are principally engaged in the management and operation of NagaWorld Casino, a hotel and casino complex in Cambodia, which was opened in 1995 and has been developed into one of the finest integrated casino-hotels and a renowned entertainment complex in Indochina. To the best of the Directors' knowledge, information and belief and having made all reasonable enquiry, both NagaCorp and NagaWorld are third parties independent of the Company and its connected persons.

The Directors consider that the NagaWorld Junket Arrangement allows the Group to continually develop its gaming promotion business with a more diversified portfolio of good income potential by tapping into the Cambodia's gaming market and establishing a long term partnership with NagaCorp, and could thereby enhance the Group's reputation and competitive position in the gaming industry. In view of the above, the Directors consider that the NagaWorld Junket Arrangement is in the interests of the Company and its Shareholders as a whole.
