Shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company.

This announcement is made by Casablanca Group Limited (the “**Company**” and together with its subsidiaries, the “**Group**”) pursuant to Rule 13.09(2)(a) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong) (the “**SFO**”).

The board of directors of the Company (the “**Board**”) wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that, based on the preliminary review of the unaudited consolidated management accounts of the Group for the five months ended 31 May 2015 and the management’s estimate, it is anticipated that the Group will record a loss for the six months ending 30 June 2015 as compared to a profit for the corresponding period in 2014. Based on the information currently available, such turnaround from profit to loss is mainly due to the following factors:

- (i) the absence of the significant sales of duvets under a bulk-purchase agreement to a wholesale customer in Hong Kong as for the corresponding period in 2014;
- (ii) the additional advertising and promotional expenses incurred for introducing new products and strengthening the brand and image of the Group; and
- (iii) the expenses of share-based payment for share options granted.

The information contained in this announcement is only based on the preliminary assessment by the Board with reference to the unaudited consolidated management accounts of the Group for the five months ended 31 May 2015 which have not been reviewed by or discussed with the auditors of the Company and that the actual results of the Group for the six months ending 30 June 2015 may be different from what is disclosed in this announcement. The interim results announcement of the Company for the six months ending 30 June 2015 is expected to be released in August 2015.

Shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company.
