PROPOSED SHARE SUBDIVISION

The Board proposes to effect the Share Subdivision whereby every one (1) existing issued and unissued Share of par value of HK\$0.005 each in the share capital of the Company will be subdivided into five (5) Subdivided Shares of par value of HK\$0.001 each.

The Share Subdivision is conditional upon: (i) the passing of an ordinary resolution by the Shareholders at the SGM approving the Share Subdivision; (ii) the Listing Committee of the Stock Exchange granting the listing of, and permission to deal in, the Subdivided Shares and any new Subdivided Shares which may fall to be issued pursuant to the exercise of the Share Options and the Convertible Notes arising from the Share Subdivision; and (iii) the compliance with the relevant legal procedures and requirements under the Listing Rules and the laws of Bermuda (if any) to effect the Share Subdivision.

The Subdivided Shares will rank *pari passu* in all respects with each other with the Shares in issue prior to the Share Subdivision and the rights attached to the Shares will not be affected by the Share Subdivision.

Upon the Share Subdivision becoming effective, the board lot size for trading on the Stock Exchange will remain unchanged with 4,000 Subdivided Shares for each board lot.

The SGM will be convened and held in which an ordinary resolution will be proposed to approve the Share Subdivision. A circular containing, among other things, details of the Share Subdivision and the trading arrangement in respect of the Subdivided Shares together with a notice of SGM will be despatched to the Shareholders on or before 8 December 2015.

As at the date of this announcement, there are 18,000,000 outstanding Share Options entitling the holders thereof to subscribe for a total of 18,000,000 Shares.

Furthermore, pursuant to the sale and purchase agreement dated 20 November 2014 between Rosy Start Investments Limited, Equity Partner Holdings Limited, Century Best Holdings Limited and Asiabiz Capital Investment Limited as vendors, Mr. Joseph Shie Jay Lang as vendors' guarantor and the Company as purchaser in respect of the acquisition of the entire issued share capital of Oriental Credit Holdings Limited, the consideration shall be satisfied by the Company by way of issue of the Convertible Notes. As at the date of this announcement, a principal amount of HK\$85,401,768.19 of the Convertible Notes has been issued, and a maximum principal amount of HK\$94,598,231.81 has not been issued. Save for the Share Options and the Convertible Notes, there are no outstanding options, warrants, conversion rights or other similar rights giving rights to subscribe for any Shares as at the date of this announcement.

The Directors expect that upon the Share Subdivision becoming effective, adjustment will be made to (i) the exercise price and the number of outstanding Share Options and (ii) the conversion price of the Convertible Notes.

The Company will appoint an auditor or independent financial adviser to certify in writing that (i) the adjustments in relation to the Share Options are in accordance with the terms of the share option schemes adopted on 20 June 2011 and the supplementary guidance regarding the adjustment of share options under Rule 17.03(13) of the Listing Rules and (ii) the adjustments in relation to the Convertible Notes are in accordance with the terms and conditions of the Convertible Notes.

CONDITIONS OF THE SHARE SUBDIVISION

The Share Subdivision is conditional upon:

- (a) the passing of an ordinary resolution by the Shareholders at the SGM approving the Share Subdivision;
- (b) the Listing Committee of the Stock Exchange granting the listing of, and permission to deal in, the Subdivided Shares and any new Subdivided Shares which may fall to be issued pursuant to the exercise of the Share Options and the Convertible Notes arising from the Share Subdivision; and
- (c) the compliance with the relevant legal procedures and requirements under the Listing Rules and the laws of Bermuda (if any) to effect the Share Subdivision.

The Share Subdivision will become effective after the conditions of the Share Subdivision above are fulfilled. The Shares are currently traded in board lots of 4,000 Shares. Upon the Share Subdivision becoming effective, the board lot size for trading on the Stock Exchange will remain unchanged with 4,000 Subdivided Shares for each board lot. The Share Subdivision will not be expected to result in any odd lots other than those already exist.

DEALINGS OF THE SUBDIVIDED SHARES

The Subdivided Shares will be identical in all respects and rank *pari passu* in all respects with each other as to all future dividends and distributions which are declared, made or paid. Subject to the granting of the listing of, and permission to deal in, the Subdivided Shares on the Stock Exchange, the Subdivided Shares will be accepted as eligible securities by HKSCC for deposit, clearance and settlement in CCASS with effect from the commencement date of dealings in the Subdivided Shares on the Stock Exchange or such other date as determined by HKSCC. Settlement of transactions between participants of the Stock Exchange on any trading day is required to take place in CCASS on the second trading day thereafter. All activities under CCASS are subject to the General Rules of CCASS and CCASS Operational Procedures in effect from time to time.

For those persons whose interests in the Company are currently held through CCASS, dealings in the Subdivided Shares are expected to be capable of settlement through CCASS with effect from the commencement date of dealings in the Subdivided Shares on the Stock Exchange and without any need on the part of such persons to deposit new share certificates in respect of the Subdivided Shares with HKSCC.

FREE EXCHANGE OF SHARE CERTIFICATES

Subject to the Share Subdivision becoming effective, the existing share certificates will only be valid for delivery, trading and settlement purposes for the period up to 4:00 p.m. on 29 January 2016 and thereafter will not be accepted for delivery, trading and settlement purposes. However, the existing share certificates will continue to be good evidence of title to the Subdivided Shares on the basis of one (1) Share for five (5) Subdivided Shares.

Upon the Share Subdivision becoming effective, the Shareholders can submit their existing share certificates for the Shares to the Company's Hong Kong branch share registrar and transfer office, Tricor Tengis Limited, at Level 22, Hopewell Centre, 183 Queen's Road East, Hong Kong, in exchange for the new share certificates for the Subdivided Shares free of charge between 9:00 a.m. and 4:00 p.m. on any business day from 24 December 2015 to 2 February 2016 (both days inclusive). After the expiry of such period, existing share certificates will be accepted for exchange only on payment of a fee of HK\$2.50 (or such higher amount as may from time to time be specified by the Stock Exchange) for each existing share certificate cancelled or new share certificate issued (whichever number of share certificates involved is higher). It is expected that new share certificates for the Subdivided Shares will be issued within a period of 10 business days after the submission of the existing share certificates to Tricor Tengis Limited for exchange.

New share certificates will be blue in colour so as to be distinguished from the existing share certificates which are green in colour.

REASONS FOR THE SHARE SUBDIVISION

Upon the Share Subdivision becoming effective, the Share Subdivision will decrease the par value of each Share and increase the total number of Shares in issue. The Share Subdivision will result in downward adjustment to the trading price of the Shares. Although the Share Subdivision will decrease the trading spread and result in downward adjustment to the trading prices of the Shares, the Board believes that the Share Subdivision will improve the liquidity in trading of Shares of the Company and thereby would attract more investors and widen the Shareholders base. Given the prevailing Share price, a more liquid market will provide more flexibility for investors to buy and sell Shares of the Company.

Save for the expenses to be incurred by the Company in relation to the Share Subdivision, the Share Subdivision will not, by itself, alter the underlying assets, business operations, management or financial position of the Company or the proportionate interests of the Shareholders. The Board considers that the Share Subdivision will not have any adverse effect on the financial position of the Company and the Share Subdivision is in the best interests of the Company and its Shareholders as a whole.
