NOTES TO CONDENSED INTERIM FINANCIAL STATEMENTS

1. GENERAL

Mexan Limited (the “Company”) was incorporated in Bermuda with limited liability and its shares are listed on The Stock Exchange of Hong Kong Limited (the “Stock Exchange”). The addresses of registered office and principal place of operation of the Company are disclosed in the “Corporate Information” section to the interim report.

The Company is an investment holding company. The Company and its subsidiaries are collectively referred to as the “Group”.

2. BASIS OF PREPARATION AND ACCOUNTING POLICIES

The unaudited condensed interim consolidated financial statements of the Group for the six months ended 30 September 2015 (the “Unaudited Condensed Interim Financial Information”) have been prepared in accordance with the applicable disclosure requirements of Appendix 16 to the Rules Governing the listing of Securities (the “Listing Rules”) on the Stock Exchange of Hong Kong Limited (the “Stock Exchange”) and with Hong Kong Accounting Standards (“HKAS”) 34 “Interim Financial Reporting” issued by the Hong Kong Institute of Certified Public Accountants (the “HKICPA”).

The Unaudited Condensed Interim Financial Information is presented in Hong Kong dollars (“HK\$”), which is also the functional currency of the Company.

The Unaudited Condensed Interim Financial Information has been prepared under the historical cost convention and the accounting policies of which are consistent with those of the Group’s annual audited financial statements for the year ended 31 March 2015 (the “2015 Annual Financial Statements”) as described thereof.

2. BASIS OF PREPARATION AND ACCOUNTING POLICIES (Continued)

The accounting policies adopted for the six months ended 30 September 2015 are consistent with those used in the preparation of the 2015 Annual Financial Statements except for the adoption of the new and revised Hong Kong Financial Reporting Standards ("HKFRSs") which include individual Hong Kong Financial Reporting Standards, Hong Kong Accounting Standards ("HKAS") and Interpretations as disclosed below.

The Unaudited Condensed Interim Financial Information does not include all the information and disclosures required in the annual financial statements, and should be read in conjunction with the year ended 31 March 2015 Annual Financial Statements, which have been prepared in accordance with HKFRSs.

In the current interim period, the Group has applied, for the first time, the following new or revised HKFRSs issued by the HKICPA, which are relevant to and effective for the Group's financial statements for the annual financial period beginning on or after 1 April 2015.

HKFRSs (Amendments)	Annual Improvements 2010-2012 Cycle
HKFRSs (Amendments)	Annual Improvements 2011-2013 Cycle

Except as explained below, the adoption of these amendments had no material impact on the Group's Unaudited Condensed Interim Financial Information.

Annual Improvements 2010-2012 Cycle and 2011-2013 Cycle

The amendments issued under the annual improvements process make small, non-urgent changes to a number of standards where they are currently unclear. They include amendments to HKAS 16 Property, Plant and Equipment to clarify how the gross carrying amount and accumulated depreciation are treated where an entity uses the revaluation model. The carrying amount of the asset is restated to revalued amount. The accumulated depreciation may be eliminated against the gross carrying amount of the asset. Alternatively, the gross carrying amount may be adjusted in a manner consistent with the revaluation of the carrying amount of the asset and the accumulated depreciation is adjusted to equal the difference between the gross carrying amount and the carrying amount after taking into account accumulated impairment losses.

2. BASIS OF PREPARATION AND ACCOUNTING POLICIES (Continued)

Annual Improvements 2010-2012 Cycle and 2011-2013 Cycle (Continued)

The adoption of the amendments to HKAS16 has no impact on these financial statements as the latter treatment is consistent with the manner in which the Group has previously dealt with revaluations of its property, plant and equipment.

The following new/revised HKFRSs, potentially relevant to the Group's financial statements, have been issued, but are not yet effective, and have not been early adopted by the Group.

HKFRS 9 (2014) – Financial Instruments

HKFRS 9 (2014) introduces new requirements for the classification and measurement of financial assets. Debt instruments that are held within a business model whose objective is to hold assets in order to collect contractual cash flows (the business model test) and that have contractual terms that give rise to cash flows that are solely payments of principal and interest on the principal amount outstanding (the contractual cash flow characteristics test) are generally measured at amortised cost. Debt instruments that meet the contractual cash flow characteristics test are measured at fair value through other comprehensive income ("FVTOCI") if the objective of the entity's business model is both to hold and collect the contractual cash flows and to sell the financial assets. Entities may make an irrevocable election at initial recognition to measure equity instruments that are not held for trading at FVTOCI. All other debt and equity instruments are measured at fair value through profit or loss ("FVTPL").

HKFRS 9 (2014) includes a new expected loss impairment model for all financial assets not measured at FVTPL replacing the incurred loss model in HKAS 39 and new general hedge accounting requirements to allow entities to better reflect their risk management activities in financial statements.

HKFRS 9 (2014) carries forward the recognition, classification and measurement requirements for financial liabilities from HKAS 39, except for financial liabilities designated at FVTPL, where the amount of change in fair value attributable to change in credit risk of the liability is recognised in other comprehensive income unless that would create or enlarge an accounting mismatch. In addition, HKFRS 9 (2014) retains the requirements in HKAS 39 for derecognition of financial assets and financial liabilities.

2. BASIS OF PREPARATION AND ACCOUNTING POLICIES (Continued)

HKFRS 15 – Revenue from Contracts with Customers

The new standard establishes a single revenue recognition framework. The core principle of the framework is that an entity should recognise revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods and services. HKFRS 15 supersedes existing revenue recognition guidance including HKAS 18 Revenue, HKAS 11 Construction Contracts and related interpretations.

HKFRS 15 requires the application of a 5 steps approach to revenue recognition:

- Step 1: Identify the contract(s) with a customer
- Step 2: Identify the performance obligations in the contract
- Step 3: Determine the transaction price
- Step 4: Allocate the transaction price to each performance obligation
- Step 5: Recognise revenue when each performance obligation is satisfied

HKFRS 15 includes specific guidance on particular revenue related topics that may change the current approach taken under HKFRS. The standard also significantly enhances the qualitative and quantitative disclosures related to revenue.

Save as the main changes described above, the Group is in the process of making an assessment of the potential impact of these new/revised HKFRSs and the directors are not yet in a position to quantify the effects on the Group's accounting policies and financial statements
