CORPORATE GOVERNANCE

In the opinion of the Directors, the Company has complied with the code provisions of the Code on Corporate Governance Practices (the “Code”) as set out in Appendix 14 of the Listing Rules throughout the six months ended 30 September 2015, except for the deviation of A2.1, A.4.1 and F.1.2 of the Code.

Pursuant to A.2.1 of the Code, the roles of chairman and chief executive should be separate and should not be performed by the same individual, with the division of responsibilities between the chairman and chief executive clearly established and set out in writing. On 23 September 2014, Mr. Wang Jianqing retired as an executive director and chairman of the Company. On the same date, Mr. Huang Shourong (“Mr. Huang”) resigned from the position of Chief Executive Officer (“CEO”) of the Company and was appointed chairman of the Company. Mr. Huang, albeit resigned from the position of CEO, has kept on carrying out the responsibilities of CEO. Mr. Huang possesses the essential leadership skills to manage the Board and extensive knowledge in the business of the Group. The Board considers the present structure to be suitable to the Company because it can promote the efficient formulation and implementation of the Company’s strategies. The Board will review the effectiveness of this arrangement from time to time and will consider appointing an individual as CEO when it thinks appropriate.

Pursuant to A.4.1 of the Code, non-executive directors should be appointed for specific terms, subject to re-election. For the period ended 30 September 2015, all the existing independent non-executive Directors were not appointed for a specific term but are subject to retirement and re-election at the forthcoming annual general meeting of the Company (the “AGM”) and retirement by rotation and re-election at least once every three years at the AGM in accordance with the provisions of the Company’s bye-laws.

Pursuant to F.1.2 of the Code, the appointment of the company secretary should be dealt with by a physical board meeting rather than a written resolution. The appointment of the current company secretary was dealt with by a written resolution in September 2013. The Board considers that, prior to the execution of the written resolution to appoint the current company secretary, all Directors were individually consulted on the matter without any dissenting opinion and there was no need to approve the matter by a physical board meeting instead of a written resolution.
