INSIDE INFORMATION COMMENCEMENT OF NEW BUSINESS ACTIVITY

This announcement is made by Q Technology (Group) Company Limited (the “**Company**” and, together with its subsidiaries, the “**Group**”) pursuant to Rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (“**Listing Rules**”) and the Inside Information Provisions under Part XIVA of the Securities and Futures Ordinance (Chapter 571, Laws of Hong Kong).

Reference is made to the interim results announcement for the six months ended 30 June 2015 of the Company dated 27 August 2015 in relation to the cooperation established between the Group and Fingerprint Cards AB (“**FPC**”) from Sweden, which greatly improved the ability of the Group to launch new products featuring the fingerprint recognition technology.

The board (“**Board**”) of directors (“**Directors**”) of the Company wishes to inform the shareholders of the Company and potential investors that the Group has made substantial breakthrough in developing new products featuring fingerprint recognition technology and has commenced mass production and sales of fingerprint recognition modules (“**Fingerprint Recognition Business**”). In January 2016, the Group had successfully secured the first batch of purchase orders or materials preparing notice in respect of the supply of approximately five hundred thousand units fingerprint recognition modules in aggregate to two leading Chinese smartphone brands manufacturers, both of which are independent third parties as defined under the Listing Rules. According to the materials preparing notice, the Group shall prepare specified amount of raw materials to cope with the order(s) for fingerprint recognition modules from the customer in the next few months.

The Group is primarily engaged in the design, research, development, manufacture and sales of camera modules with focus on mid-to-high end camera module markets for Chinese branded smart phone and tablet PC manufacturers. The Board considers that the Fingerprint Recognition Business will diversify the Group’s businesses and will help the Group to broaden its revenue base. Accordingly, the Board is of the view that the commencement of the Fingerprint Recognition Business is in the interest of the Company and its shareholders as a whole.

Shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company.
