How much will you receive on expiry?

You are not required to deliver any exercise notice and the Warrants will be automatically exercised on the Expiry Date if the Cash Settlement Amount is greater than zero. Every Board Lot gives you the right to receive a Cash Settlement Amount in Hong Kong dollars calculated as follows (if positive):

For a series of call Warrants:

$$\text{Cash Settlement Amount (if any) per Board Lot} = \frac{\text{Entitlement} \times (\text{Average Price} - \text{Exercise Price}) \times \text{one Board Lot}}{\text{Number of Warrants per Entitlement}}$$

For a series of put Warrants:

$$\text{Cash Settlement Amount (if any) per Board Lot} = \frac{\text{Entitlement} \times (\text{Exercise Price} - \text{Average Price}) \times \text{one Board Lot}}{\text{Number of Warrants per Entitlement}}$$

“**Average Price**” means the arithmetic mean of the closing prices of one Share (as derived from the daily quotation sheet of the Stock Exchange, subject to any adjustment to such closing prices as may be necessary to reflect any event as contemplated in Condition 6 such as capitalisation, rights issue, distribution or the like) in respect of each of the five business days immediately preceding the Expiry Date.

Listing of the Warrants

We will make an application to the Stock Exchange for listing of and permission to deal in the Warrants on the Stock Exchange. The Expected Listing Date is the expected date on which dealings in the Warrants will commence.

IMPORTANT INFORMATION

Unsecured nature of the Warrants

The Warrants constitute general unsecured contractual obligations of us as the Issuer and of no other person and the guarantee dated as of 1 April 2016 executed by the Guarantor ("**Guarantee**") constitutes the general unsecured contractual obligations of our Guarantor and of no other person and will rank equally among themselves and with all our and our Guarantor's other unsecured obligations (save for those obligations preferred by law) upon liquidation. If you purchase the Warrants, you are relying upon the creditworthiness of us and our Guarantor, and have no rights under the Warrants against the Company which has issued the underlying Shares or any other person. If we become insolvent or default on our obligations under the Warrants or our Guarantor becomes insolvent or defaults on its obligations under the Guarantee, you may not be able to recover all or even part of the amount due under the Warrants (if any). The Issuer is subject to the exercise of the bail-in powers under the Luxembourg legislation for implementation of the Bank Recovery and Resolution Directive ("**BRRD**"). The Guarantor is subject to the exercise of the bail-in powers under the French legislation for implementation of the BRRD. For details of the BRRD, please refer to the base listing document dated 1 April 2016.

Our obligations in relation to the Warrants will be unconditionally and irrevocably guaranteed by the Guarantor.

The Guarantor's long term credit ratings are:

<i>Rating agency</i>	<i>Rating as of the Launch Date</i>
Moody's Investors Service, Inc.	A2 (with stable outlook)
S&P Global Ratings	A (with stable outlook)

We are a Financial Institution in the meaning of the Luxembourg Law of 5 April 1993 on the Financial Sector (as amended) relating to the financial sector. The Hong Kong Branch of the Guarantor is a licenced bank in Hong Kong regulated by the Hong Kong Monetary Authority. The Guarantor is also regulated by, amongst others, the Autorité de Contrôle Prudentiel (French Prudential Supervisory Authority) in France.

Selling restriction

The Warrants have not been and will not be registered under the United States Securities Act of 1933, as amended (the "**Securities Act**"), and will not be offered, sold, delivered or traded, at any time, indirectly or directly, in the United States or to, or for the account or benefit of, any U.S. person (as defined in the Securities Act).

Investment risk

The price of the Warrants may fall in value as rapidly as it may rise and you may sustain a total loss of your investment. If the Cash Settlement Amount is less than or equal to zero, then the Warrants will expire worthless on the Expiry Date.

The Liquidity Provider may be the only market participant for the Warrants. The secondary market for the Warrants may be limited.

You must:

- carefully study the risk factors set out in the relevant Listing Documents;
- fully understand the potential risks and rewards and independently determine whether the Warrants are appropriate for you given your objectives, experience, financial and operational resources, and other relevant circumstances; and
- consult with such advisers as you deem necessary to assist yourself in making these determinations.
