GENERAL MANDATE

The Placing is not subject to the Shareholders' approval as the Conversion Shares falling to be issued upon conversion of the Convertible Bonds will be issued under the General Mandate, which was granted to the Directors pursuant to a resolution passed by the Shareholders at the annual general meeting of the Company held on 29 May 2015. Under the General Mandate, the Company is authorized to allot, issue and otherwise deal with new Shares (including the issue of any securities convertible into Shares, or options, warrants or similar rights to subscribe for any Shares) of up to 20% of the aggregate nominal amount of the issued share capital of the Company as at the date of the aforesaid annual general meeting, which as at the date of the Placing Agreement amounts to 62,814,000 new Shares. REASONS FOR THE PLACING AND USE OF PROCEEDS

The Company is an investment holding company. The Group is principally engaged in the budget hotel operations.

As disclosed in the annual report 2015, the management of the Group is looking for investment opportunities and explore new hotel business in the PRC, Hong Kong or overseas, so as to optimize the overall hotel assets structure, improve efficiency and get rid of the drag brought by existing hotel business.

Assuming the Convertible Bonds are fully placed by the Placing Agent and based on the placing commission the amount of approximately HK\$1,000,000, the gross and net proceeds from the Placing are estimated to be HK\$51,000,000 and approximately HK\$50,000,000, respectively. Therefore, assuming the Convertible Bonds are fully placed and the conversion rights of all the Convertible Bonds are exercised, the net price for the Placing is approximately HK\$0.9114 per Conversion Share. The Company intends to use the net proceeds from the Placing for financing the Group's potential acquisition opportunities as and when appropriate.

The terms of the Convertible Bonds and the Placing (including the Conversion Price) were determined after arm's length negotiations between the Company and the Placing Agent with reference to the recent performance of the Shares, the Group's existing financial position and current market conditions. The placing commission was arrived at after arm's length negotiations between the Company and the Placing Agent with reference to prevailing market rates. The Directors consider that the terms of the Placing Agreement and the Convertible Bonds (including the interest rate, the Conversion Price and the placing commission) are on normal commercial terms, fair and reasonable, and in the interests of the Company and its Shareholders as a whole.
