INTRODUCTION

The Board is pleased to announce that on 27 June 2016 (after trading hours), the Company and the Purchaser entered into the Sale and Purchase Agreement, pursuant to which the Company has conditionally agreed to sell, and the Purchaser has conditionally agreed to purchase, the Sale Shares. A summary of the major terms of the Sales and Purchase Agreement are set out below:

SALE AND PURCHASE AGREEMENT

Date: 27 June 2016 (after trading hours)

The Vendor: the Company

The Purchaser: Tian Feng International Limited

To the best of the Directors' knowledge, information and belief having made all reasonable enquiries, as at the date of this announcement, (i) the Purchaser together with its beneficial owner are Independent Third Parties; and (ii) the Purchaser is a company established in the British Virgin Islands and is principally engaged in investment holding.

Assets to be disposed of

The Vendor has conditionally agreed to sell, and the Purchaser has conditionally agreed to purchase the Sale Shares, representing 25% issued share capital of Legon Ventures, free from all encumbrances and together with all rights now or thereafter attaching to them, including all rights to any dividend or other distribution declared, made or paid on or after the Completion Date.

Consideration

Pursuant to the Sale and Purchase Agreement, the consideration for the Sale Shares shall be HK\$16,500,000, which shall be satisfied by the Purchaser to the Company in the following manner:

- (A) HK\$2,000,000, being the deposit (the "**Deposit**") pending Completion and in part payment of the consideration upon Completion which shall be payable in cash within seven days after the signing of the Sale and Purchase Agreement;
- (B) HK\$4,500,000, being partial payment of the consideration, shall be payable in cash by the Purchaser to the Vendor within seven days after the Completion Date; and
- (C) HK\$10,000,000, being the balance of the consideration shall be satisfied by the Purchaser by the Promissory Note with a term of one year bearing no interest on the Completion Date with the following principal terms.

Issuer: Tian Feng International Limited

Principal amount: HK\$10,000,000

Issue Date: Completion Date

Interest:	Interest-free
Default Interest:	A default interest at the rate of 12% per annum will be charged for any default payment
Maturity Date:	The date following one year from the Completion Date
Repayment:	The Purchaser shall make payment of HK\$10,000,000 on the date following one year from the Completion Date.
Early Repayment:	The Purchaser may repay all or part of unpaid principal of the Promissory Note at any time without penalty. If and when such early payment occurs, the Purchaser shall promptly thereafter provide written notice to the Company as to the amount of principal, if any, that remains outstanding.

The consideration was determined following arm's length negotiations on normal commercial terms between the Company and the Purchaser by reference to the adjusted unaudited consolidated net asset value of the Legon Ventures Group of approximately HK\$65,327,000 as at 31 May 2016 after taking into account the effects of the preliminary result of the valuation of the properties currently held by Legon Ventures Group performed by an independent firm of professional valuer.

The Board considers that the terms of the Sale and Purchase Agreement, including the consideration, are normal commercial terms and are fair and reasonable, and the Disposal is in the interests of the Company and the Shareholders as a whole.

Conditions Precedent

Completion is conditional in all respects upon:

- (A) Approval of Shareholders: the passing of an ordinary resolution of the Shareholders at the SGM of the Vendor by way of poll to approve the Sale and Purchase Agreement and the transaction contemplated thereunder; and
- (B) Compliance of regulatory requirements: in relation to the transaction contemplated in the Sale and Purchase Agreement, all relevant regulatory requirements (including but not limited to those under the Listing Rules and all relevant regulatory requirements in Hong Kong) having been complied with and satisfied.

All the above conditions (the "**Conditions**") are not capable of being waived.

If the Conditions are not fulfilled within six months after the date of the Sale and Purchase Agreement or such later date as agreed between the Vendor and the Purchaser, the Sale and Purchase Agreement shall be terminated with immediate effect, neither party shall have any rights nor obligations against the other under the Sale and Purchase Agreement except for any antecedent breach and refund of the Deposit received by the Vendor without interest.

The Vendor shall refund the full amount of the Deposit received by it, without interest, to the Purchaser forthwith if the Completion fails to take place due to the fact that the Conditions have not been fulfilled, or the Sale and Purchase Agreement is rescinded or terminated due to the Vendor's default under the relevant provisions of the Sale and Purchase Agreement.

Right of First Refusal

If the Vendor proposes to transfer part/all of its Remaining Interest to any third party within two years after Completion, it will give a written notice to the Purchaser and the Purchaser shall have the right of first refusal (the “**ROFR**”) to acquire such interest on the same terms and conditions offered to any third party. The ROFR shall be exercisable within a period of 14 Business Days by giving written notice (the “**Acceptance Notice**”) to the Vendor, failing which the ROFR will lapse automatically and the Vendor is entitled to sell such Remaining Interest to such third party. Subject to compliance of all applicable laws and regulations (including but not limited to the Listing Rules), the relevant sale and purchase agreement shall be entered into within 30 Business Days after the date of the Acceptance Notice (or such other date as may be agreed by the Parties).

Completion

Subject to the fulfilment of such Conditions, Completion shall take place on Completion Date at the office of the Vendor in Hong Kong, or at such other place and time as may be agreed by the Parties.

APPLICATION OF THE CONSIDERATION

The net proceeds from the Disposal will be approximately HK\$16,000,000 (after deducting professional fees and expenses and including the proceeds from the repayment of Promissory Note) which will be utilized by the Company as general working capital.

REASONS FOR AND BENEFITS OF THE DISPOSAL

As disclosed in the announcement of the Company dated 4 September 2015, the business segment of sale of book and specialized products of the Group (the “**Printing Business**”) is facing intense competition in the printing market. The revenue and gross profit of the Printing Business is constantly declining and therefore the Board has resolved to gradually fade out and discontinue the Printing Business. In year 2016, the Printing Business has received only limited orders from its customers and it is expected that the sales and gross profit from the Printing Business will further decrease for the year ending 31 December 2016.

In view of the above, the Board is of the view that it is in the interests of the Company and its Shareholders as a whole to realize through the Disposal the value of its interests in Legon Ventures Group, which has become a discontinuing business of the Group. In addition, the Disposal can bring in additional source of capital for the Group’s business development and to capture other investment opportunities in the natural gas industry as and when they arise.

Upon Completion, the Company and the Purchaser will hold 75% and 25% of the issued share capital of Legon Ventures respectively, and Legon Ventures will remain as a subsidiary of the Company and its financial results will continue to be consolidated into the Group's consolidated financial statements.

Subject to review by the Company's auditors, based on the consideration of HK\$16,500,000, it is expected that no gain or loss will be recognised by the Group as a result of the Disposal.

INFORMATION ON THE GROUP

The Group is principally engaged in (i) sales of natural gas and other related products and (ii) sales of books and specialised products.

LISTING RULES IMPLICATIONS

As the applicable percentage ratios calculated by reference to Rule 14.07 of the Listing Rules in respect of the Disposal are more than 25% but less than 75%, the Disposal constitutes a major transaction for the Company and is therefore subject to the reporting, announcement, circular and shareholders' approval requirements under Chapter 14 of the Listing Rules.
