## NOTES TO THE CONDENSED CONSOLIDATED FINANCIAL STATEMENTS

For the six months ended April 30, 2016

#### 1. BASIS OF PREPARATION AND PRINCIPAL ACCOUNTING POLICIES

These unaudited condensed consolidated interim financial statements have been prepared in accordance with the applicable disclosure requirements of Appendix 16 to the Rules Governing the Listing of Securities (the "Listing Rules") on The Stock Exchange of Hong Kong Limited (the "Stock Exchange") and the Hong Kong Accounting Standard ("HKAS") 34 "Interim Financial Reporting" issued by the Hong Kong Institute of Certified Public Accountants (the "HKICPA").

These unaudited condensed consolidated interim financial statements have been prepared under the historic cost convention, as modified by the revaluation of investment properties and investments which are carried at their fair values.

The accounting policies and basis of preparation used in the preparation of these unaudited condensed consolidated interim financial statements are consistent with those used in the annual accounts for the year ended October 31, 2015.

In the current interim period, the Group has adopted all the new and revised Hong Kong Financial Reporting Standards ("HKFRSs") issued by the HKICPA that are relevant to its operations and effective for its accounting period beginning on November 1, 2015. HKFRSs comprise Hong Kong Financial Reporting Standards; HKASs and Interpretations. The adoption of these new and revised HKFRSs did not result in significant changes to the Group's accounting policies and amounts reported for the current year and prior years.

The Group has not applied the new HKFRSs that have been issued but are not yet effective. The Group has already commenced an assessment of the impact of these new HKFRSs but is not yet in a position to state whether these new HKFRSs would have a material impact on its results of operations and financial position.

This year continues to be a challenging business year for the Group. The world economy has not found its own strength and growth sentiment is still weak. While three of the four business segments recorded an increase in turnover, the brand signage and visual identity segment was more directly impacted by the slowdown in the Chinese economy against this backdrop of a weak global economy.

Performance by Business Segment:

- Exhibition and Event Marketing Services: recorded a 7.6% increase in turnover to HK\$1,396 million compared with the previous corresponding period.
- Brand Signage and Visual Identity: recorded a 29.5% decrease in turnover to HK\$200 million.
- Museum, Themed Environment, Interior and Retail: recorded an increase of 18.8% to HK\$243 million.
- Conference and Show Management: recorded an increase of 89.7% to HK\$186 million.

## CORPORATE GOVERNANCE

During the six months ended April 30, 2016, the Company has complied with the code provisions (the "CG Code") as set out in the Corporate Governance Code and Corporate Governance Report contained in Appendix 14 of the Listing Rules, except for the following deviations:

CG Code A2.1 stipulates that the role of the Chairman and the Chief Executive Officer should be separated and should not be performed by the same individual. Given the current corporate structure, there is no separation between the roles of the Chairman and the Chief Executive Officer. Although the responsibilities of the Chairman and the Chief Executive Officer are vested in one person, all major decisions are made in consultation with the Board members and the senior management of the Company. There are four Independent Non-Executive Directors in the Board. The Board considers that there is sufficient balance of power and the current arrangement maintains a strong management position of the Company.

## CORPORATE GOVERNANCE (Cont'd)

CG Code A4.1 requires that Non-Executive Directors should be appointed for a specific term, subject to re-election. All existing Non-Executive Directors of the Company are not appointed for specific term, but are subject to retirement and re-election at the Company's annual general meeting. The Articles of Association of the Company requires one-third of the Directors retire by rotation. In the opinion of the Directors, it meets the same objective as the CG Code A4.1.

## MODEL CODE FOR SECURITIES TRANSACTIONS BY DIRECTORS

The Company has adopted the Model Code as set out in Appendix 10 of the Listing Rules as the code of conduct regarding securities transactions by Directors. Having made specific enquiry, the Company confirms that the Directors complied with the required standard set out in the Model Code for the period ended April 30, 2016.
