REPORT OF THE MANAGER TO THE UNITHOLDERS

Introduction

The ChinaAMC CSI 300 Index ETF (the “Sub-Fund”), a sub-fund of ChinaAMC ETF Series, an umbrella unit trust established under Hong Kong law by a trust deed dated 28 May 2012, as amended or supplemented from time to time (the “Trust Deed”), between China Asset Management (Hong Kong) Limited (the “Manager”) and Cititrust Limited (the “Trustee”). The Sub-Fund is a physical exchange traded fund investing directly in underlying A-Shares. Its RMB counter (stock code: 83188) and HKD counter (stock code: 03188) commenced trading on the Stock Exchange of Hong Kong Limited (the “SEHK”) on 17 July 2012 and 26 October 2012 respectively. The Sub-Fund is an index-tracking fund that seeks to track the performance of the CSI 300 Index (the “Index”).

The Manager primarily use a full replication strategy through investing directly in securities included in the Index with substantially the same weightings in which they are included in the Index, with the Renminbi Qualified Foreign Institutional Investor (“RQFII”) investment quota of RMB 11.45 billion (as of 30 June 2016) granted to the Manager by the State Administration of Foreign Exchange (the “SAFE”). The Manager may also use a representative sampling strategy where it is not possible to acquire certain securities which are constituents of the Index due to restrictions or limited availability. This means that the Sub-Fund will invest directly in a representative sample of securities that collectively has an investment profile that aims to reflect the profile of the Index, through the RQFII investment quota granted to the Manager by the SAFE. The securities constituting the representative sample may or may not themselves be constituents of the Index.

Performance of the Sub-Fund

The investment objective of the Sub-Fund is to provide investment results that, before fees and expenses, closely correspond to the performance of the Index. There can be no assurance that the Sub-Fund will achieve its investment objective.
