Sunway International Holdings Limited (the "Company", together with its subsidiaries collectively as the "Group") is a limited liability company incorporated in Bermuda and the issued shares of which are listed on main board of The Stock Exchange of Hong Kong Limited (the "Stock Exchange"). The registered office of the Company is located at Clarendon House, 2 Church Street, Hamilton HM 11, Bermuda and its principal place of business is Unit 1902, Cheung Kong Center, 2 Queen's Road Central, Central, Hong Kong. During the period, the Company's principal activity is investment holding.

The Group is principally engaged in manufacturing and trading of pre-stressed steel bar, pre-stressed high strength concrete pile, ready-mixed concrete, sand-lime bricks, aerated concrete products and eco-concrete products.

As stated in the announcement of the Company dated 30 January 2015, the Company had completed the disposal of the electronic business. Upon completion, the Group ceased to be engaged in design, development, manufacture and sale of a wide range of (1) electronics and related components and parts (including principally quartz crystals, liquid crystal displays, printed circuit boards and watch movements); and (2) consumer electronic products (including principally electronic calculators, telecommunication phones, electronic watches and clocks and digital products).

BASIS OF PREPARATION AND PRINCIPAL ACCOUNTING POLICIES 2.

2.1. Basis of presentation

The unaudited condensed consolidated financial statements for the six months ended 30 June 2016 have been prepared in accordance with the applicable disclosure requirements of Appendix 16 of the Rules Governing the Listing of Securities on the Stock Exchange and Hong Kong Accounting Standard ("HKAS") 34 "Interim Financial Reporting" issued by The Hong Kong Institution of Certified Public Accountants ("HKICPA").

These unaudited condensed consolidated financial statements do not include all the information and disclosures required in the annual financial statements, and should be read in conjunction with the annual financial statements for the year ended 31 December 2015 (the "Annual Financial Statements 2015") of the Company, which have been prepared in accordance with Hong Kong Financial Reporting Standards ("HKFRSs") issued by the HKICPA.

The accounting policies used in preparation of these financial statements are consistent with those adopted in the Annual Financial Statements 2015, except for adoption of the new and revised HKFRSs (which also include HKASs and Interpretations) which are first effective for the current accounting period.

FOR THE SIX MONTHS ENDED 30 JUNE 2016

2. **BASIS OF PREPARATION AND PRINCIPAL ACCOUNTING POLICIES (continued)**

2.2 Application of new and revised HKFRSs

HKAS 41 Amendments

The Group has adopted the following new and revised HKFRSs for the first time for the current period's condensed consolidated financial statements.

HKAS 1 Disclosure Initiative HKAS 16 and Clarification of Acceptable Methods **HKAS 38 Amendments** of Depreciation and Amortisation HKAS 16 and Agriculture: Bearer Plants

HKAS 27 (2011) Amendments Equity Method in Separate Financial Statements

HKFRS 10, HKFRS 12 and Investment Entities: Applying the Consolidation HKAS 28 (2011) Amendments Exception

HKFRS 11 Amendments Accounting for Acquisitions of Interests in Joint Operations

Amendments to HKFRSs Annual Improvements to 2012–2014

The adoption of the above new and revised HKFRSs has no material impact on the Group's results and financial position for the current period and prior years have been prepared and presented.

FOR THE SIX MONTHS ENDED 30 JUNE 2016

2. **BASIS OF PREPARATION AND PRINCIPAL ACCOUNTING POLICIES (continued)**

2.3 New and revised HKFRSs not yet adopted

The Group has not applied the following new and revised HKFRSs, which have been issued but are not yet effective in these condensed consolidated financial statements.

Effective for

		effective for annual reporting periods beginning on or after
HKAS 7 (Amendments)	Statement of Cash Flows	1 January 2017
HKAS 12 (Amendments)	Income Tax	1 January 2017
HKFRS 9	Financial Instruments	1 January 2018
HKFRS 10 and HKAS 28 (2011) Amendments	Sales or contribution of assets between an investor and its associate or joint venture	to be determined
HKFRS 15	Revenue from Contracts with Customers	1 January 2018
HKFRS 16	Leases	1 January 2019

FOR THE SIX MONTHS ENDED 30 JUNE 2016

2. **BASIS OF PREPARATION AND PRINCIPAL ACCOUNTING POLICIES (continued)**

2.3 New and revised HKFRSs not yet adopted (continued)

The Group has already commenced an assessment of the related impact of adopting the above new and revised HKFRSs. So far, it has concluded that the above new and revised HKFRSs will be adopted at the respective effective dates and the adoption of them is unlikely to have a significant impact on the condensed consolidated financial statements of the Group except for the following:

HKFRS 9 Financial Instruments

In September 2014, the HKICPA issued the final version of HKFRS 9, bringing together all phases of the financial instruments project to replace HKAS 39 and all previous versions of HKFRS 9. The standard introduces new requirements for classification and measurement, impairment and hedge accounting. The group expects to adopt HKFRS 9 from 1 January 2018. The group expects that the adoption of HKFRS 9 will have an impact on the classification and measurement of the group's financial assets. Further information about the impact will be available nearer the implementation date of the standard.

HKFRS 15 Revenue from Contracts with Customers

HKFRS 15 establishes a new five-step model that will apply to revenue arising from contracts with customers. Under HKFRS 15, revenue is recognised at an amount that reflects the consideration to which an entity expects to be entitled in exchange for transferring goods or services to a customer. The principles in HKFRS 15 provide a more structured approach for measuring and recognising revenue. The standard also introduces extensive qualitative and quantitative disclosure requirements, including disaggregation of total revenue, information about performance obligations, changes in contract asset and liability account balances between periods and key judgements and estimates. The standard will supersede all current revenue recognition requirements under HKFRSs. The group expects to adopt HKFRS 15 on 1 January 2018 and is currently assessing the impact of HKFRS 15 upon adoption.

FOR THE SIX MONTHS ENDED 30 JUNE 2016

3. **OPERATING SEGMENT INFORMATION**

For management purpose, the Group is organised into business units based on their products and has four reportable operating segments as follows:

Continuing operations

- the pre-stressed ("PC") steel bars segment consists of the manufacture and sale of PC steel bars:
- (b) the pre-stressed high-strength concrete ("PHC") piles and others segment consists of the manufacture and sale of PHC piles, ready mixed concrete, sandlime bricks, aerated concrete products and eco- concrete products;

Discontinued operations

- the electronic components and parts segment consists of the design, development, manufacture and sale of electronic components and parts; and
- (d) the consumer electronic products segment consists of the design, development, manufacture and sale of consumer electronic products.

Management monitors the results of the Group's operating segments separately for the purpose of making decisions about resources allocation and performance assessment. Segment performance is evaluated based on reporting segment profit/loss, which is a measure of adjusted profit/loss before tax. The adjusted profit/loss before tax is measured consistently with the Group's profit/loss before tax except that head office and corporate expenses, bank and other interest income, other income, other gains and losses, finance costs are excluded from such measurement. This is the measure reported to the chief operating decision maker for the purposes of resource allocation and performance assessment.

Revenue and expenses are allocated to the reportable segments with reference to sales generated by those segments and the expenses incurred by those segments or which otherwise arise from the depreciation or amortisation of assets attributable to those segments.

Segment assets exclude available-for-sale financial assets, financial assets at fair value through profit or loss, deferred tax assets, goodwill, cash and cash equivalents, pledged bank deposits, restricted bank deposits and unallocated head office and corporate assets as these assets are managed on a group basis. Assets used jointly by reportable segments are allocated on the basis of the revenues earned by individual reportable segments.

FOR THE SIX MONTHS ENDED 30 JUNE 2016

3. **OPERATING SEGMENT INFORMATION** (continued)

Segment liabilities exclude deferred tax liabilities, tax payable, interest- bearing borrowings and unallocated head office and corporate liabilities, as these liabilities are managed on a group basis. Liabilities for which reportable segments are jointly liable are allocated in proportion to segment assets.

MANAGEMENT DISCUSSION AND ANALYSIS

REVIEW OF RESULTS AND OPERATION **CONTINUING OPERATIONS**

Continuing operations of the Company represent the pre-stressed high-strength concrete piles and others business (the "PHC Pile and Others Business") and the pre-stressed steel bars business (the "PC Steel Bar Business") (collectively, the "Construction Materials Business").

PHC Pile and Others Business

PHC Pile and Others Business are operated by a subsidiary of the Company, 廣東恆佳建材股份 有限公司 (Guangdong Hengjia Construction Materials Co., Ltd*, "Guangdong Hengjia") and its production factory is situated in Yangjiang City, Guangdong Province, the PRC. Guangdong Hengiia sells its products to customers located in Yangiiang City and its surrounding cities in Guangdong Province.

Revenue from the PHC Pile and Others Business represented sales of pre-stressed high strength concrete pile, ready-mixed concrete and bricks which contributed approximately 29%, 54% and 17%, (last period: approximately 20%, 67% and 13%) respectively to the revenue of PHC Pile and Others Business. Revenue from the continuing operations for the six months ended 30 June 2016 (the "FP2016") was solely generated by the PHC Pile and Others Business.

Revenue from external customers for FP2016 was HK\$124,690,000 compared with HK\$165,797,000 reported in the last period, which decreased by approximately 25%. The decrease in revenue for the period was mainly attributable to the drop in sales of ready-mixed concrete.

The operations of the PHC Pile and Others Business for FP2016 remained profitable. The segment profit for FP2016 was HK\$12,403,000 as compared with HK\$16,904,000 reported last period, which was in line with the decrease in sales.

PC Steel Bar Business

PC Steel Bar Business is operated by a subsidiary of the Company, Zhuhai Hoston Special Materials Co., Ltd. ("Zhuhai Hoston") and its production factory is situated in Zhuhai City, Guangdong Province, the PRC (the "Zhuhai Factory"). Zhuhai Factory has been suspended since 1 January 2016.

PC Steel Bar Business did not generate revenue during FP2016. Expenses incurred during the period were mainly staff costs and utilities for the Zhuhai Factory. Segment loss for FP2016 was HK\$2,590,000 as compared with HK\$72,649,000 reported last period.

Other gains and losses, net

Other gains and losses, net for FP2016 consisted of exchange difference of HK\$2,713,000, provision for impairment of trade receivables of HK\$85,000 and net loss arising on financial asset designated as at fair value through profit and loss of HK\$48,000.

Other expenses

Other expenses for FP2016 represented late penalty charges to suppliers and the PRC government levies of HK\$310,000.

Selling and distribution expenses

Selling and distribution expenses for FP2016 mainly comprised of transportation costs of HK\$9,983,000 and salaries for the sale-persons of HK\$958,000.

Administrative expenses

Administrative expenses for FP2016 mainly comprised of equity-settled share option expense of HK\$39,000,000, salaries and other benefits (including directors' remuneration) of HK\$6,276,000 and legal and professional fees of HK\$4,287,000. The increase in administrative expenses was mainly attributable to the equity-settled share options expenses arising from the granting of share options and the business development expenses for the Group's new business during the period.

Finance costs

Finance costs for FP2016 were interest expenses for the bank borrowings of HK\$1,516,000. These decreased in line with the bank borrowings of Zhuhai Hoston and the absence of imputed interest of other payable and promissory note following the repayment in early 2015.

DISCONTINUED OPERATIONS

As disclosed in the note 6, the disposal of the Disposal Group was completed on 30 January 2015 and profit from discontinued operations of HK\$484,073,000 was reported in last period.

LIQUIDITY AND FINANCIAL RESOURCES

The Group finances its operations with equity fund raising activities, internally generated cash flow and banking facilities provided by its principal bankers in the PRC. As at 30 June 2016, the total shareholders' equity of the Group was HK\$496,361,000, representing an increase of approximately 61% over last period. As at 30 June 2016, the Group's cash and cash equivalents and pledged time deposits stood at HK\$210,010,000 whereas interest-bearing borrowings were HK\$42,888,000. During the period, the Group did not use any financial instruments for any hedging purposes. The gearing ratio, which was computed by dividing the current liabilities and non-current liabilities by equity, was approximately 30% as at 30 June 2016
