How much will you receive on expiry?

You are not required to deliver any exercise notice and the Warrants will be automatically exercised on the relevant Expiry Date. You will receive a Cash Settlement Amount per Board Lot in Hong Kong dollars calculated as follows (if positive):

For a series of call Warrants:

$$\text{Cash Settlement Amount per Board Lot} = \frac{\text{Entitlement} \times (\text{Average Price} - \text{Exercise Price}) \times \text{one Board Lot}}{\text{Number of Warrant(s) per Entitlement}}$$

“**Average Price**” means the arithmetic mean of the closing prices of one Share (as derived from the Daily Quotation Sheet of the Stock Exchange, subject to adjustment to such closing prices as may be necessary to reflect any event as contemplated in the product conditions of the Warrants such as capitalisation, rights issue, distribution or the like) for each of the five Business Days immediately preceding the Expiry Date.

Listing of the Warrants

We will make an application to the Stock Exchange for listing of, and permission to deal in, the Warrants on the Stock Exchange.

IMPORTANT INFORMATION

Unsecured nature of the Warrants

The issue of the Warrants was authorised by our board of directors on 29 August 2002. The Warrants constitute our general unsecured contractual obligations and of no other person and will rank equally among themselves and with all our other unsecured obligations (save for those obligations preferred by law) upon liquidation. You are relying upon our creditworthiness and have no rights under the Warrants against any company which has issued the underlying securities. If we become insolvent or default on our obligations under the Warrants, you may not be able to recover all or even part of the amount due under the Warrants (if any).

Macquarie Bank Limited

Our long term credit ratings are:

<i>Rating agency</i>	<i>Rating as of the Launch Date*</i>
S&P Global Ratings	A(stable outlook)
Moody's Investors Service, Inc.	A2(stable outlook)

* Credit ratings are subject to change or withdrawal at anytime within each rating agency's sole discretion.

We are a licensed bank regulated by the Hong Kong Monetary Authority. We are also regulated by, among others, the Australian Prudential Regulation Authority.

Selling restriction

The Warrants have not been and will not be registered under the United States Securities Act of 1933, as amended (the "**Securities Act**"), and will not be offered, sold, delivered or traded, at any time, indirectly or directly, in the United States or to, or for the account or benefit of, any U.S. person (as defined in the Securities Act).

Investment risk

The price of the Warrants may fall in value as rapidly as it may rise and you may sustain a total loss of your investment. If the Cash Settlement Amount is less than or equal to zero, the Warrants will expire worthless on the relevant Expiry Date.

The Liquidity Provider may be the only market participant for the Warrants. The secondary market for the Warrants may be limited.

You must:

- carefully study the risk factors set out in the relevant Listing Documents;
- fully understand the potential risks and rewards and independently determine whether the Warrants are appropriate for you given your objectives, experience, financial and operational resources, and other relevant circumstances; and
- consult with such advisers as you deem necessary to assist yourself in making these determinations.
