Looking ahead, the global stock market will turn volatile due to the uncertainties of Brexit, the United States general election and Shenzhen-Hong Kong Stock Connect. The performance of proprietary investment business will be affected by such unstable market conditions. Our strategic investment team will continue to implement strict risk control to minimize the impact of market volatility and will seek potential investment opportunities to diversify its business portfolio with an aim to maximize value for the Shareholders.

The Board confirms that the above clarification does not affect other information contained in the Interim Report and the content of the Interim Report remains correct and unchanged.
