Chairman's Statement

On behalf of the board (the "Board") of directors (the "Directors" and each a Director) of China Rongzhong Financial Holdings Company Limited (the "Company"), together with its subsidiaries (the "Group"), I am pleased to present the unaudited interim results of the Group for the six months ended 30 September 2016 (the "Reporting Period") to our shareholders.

During the first half of 2016, in view of the ever changing complex economic environment domestically and internationally, the Chinese government had implemented a series of effective macro-economic policies to maintain the stability and progressive development momentum of the overall economy in China. As a result of the challenging operation environment and the continuation of slow and divergent economic recovery across nations, we strive to maintain our operations at a similar level in comparison to the previous corresponding period ended 30 September 2015. Although the result had slightly declined, we were able to control our cost while conservatively promoting business amongst customers of high caliber and creditability in order to achieve our own stability and progressive development.

In the second half of 2016, despite the many challenges ahead, the Group will continue with its prudent approach in adapting to this new economic environment and will be committed to accomplishing various tasks based on stronger risk prevention management and tighten internal control. It will also continue to seek out opportunities in other industries which requires financial leasing as an alternative means to meeting their funding need, including transportation, medical, educational, cultural and art related industries.

Finally, on behalf of all members of the Board and management, I would like to extend our sincere gratitude to all shareholders, business partners, customers, and all staff of the Group for their continued support and encouragement.

Xie Xiaoqing

Chairman of the Board

Wuhan, 25 November 2016

* All ratios calculated in this report are calculated with number rounded up to single digits.

BUSINESS OVERVIEW

The Group is principally engaged in the business of provision of financial leasing services in Hubei Province, PRC and maintained its leading position with the longest operating history amongst the Hubei-based finance lease companies. We offer two categories of financial leasing services to our customers; namely: (i) sales and leaseback; and (ii) direct financial leasing and value-added advisory and consultancy services are also offered to our finance lease customers.

Use of proceeds from the initial public offering

The Company was listed on the main board of the Stock Exchange of Hong Kong Limited (“the Stock Exchange”) on 28 January 2016. The net proceeds from the Company’s issue of new shares (including the proceeds from the exercise of the over-allotment option) were approximately HK\$197.6 million (after deducting expenses relating specifically to the issue of new shares in the listing and expenses relating generally to the listing of all the shares of the Company (the “Shares”), whether existing or new). As at 30 September 2016, the net proceeds from the initial public offering has been utilized in accordance with the proposed allocations as set out in the section headed “Future Plans and Use of Proceeds” in the Company’s prospectus dated 18 January 2016 (the “Prospectus”), the remaining balance of approximately HK\$16.4 million is placed in short-term bank deposit.

FINANCIAL REVIEW

The following discussion and analysis pertains to the financial information of the Group.

Revenue

We have one principal business segment, financial leasing, and our two services derived are financial leasing services and our financial advisory services provided as a valued added service to our leasing customers, which in turns generate interest income and advisory income. Lease contracts are generally priced at a market interest rate, determined with reference to the prevailing interest rates for commercial lending plus a premium. Our advisory income is determined solely on the advisory services we provide and since our advisory services are normally provided in conjunction with our leasing services, we record both types of income as a single item in our financial statements. The Group realized revenue for the Reporting Period of approximately HK\$103.4 million, representing a decrease of approximately 9.3% from approximately HK\$114.0 million as recorded in the previous corresponding period ended 30 September 2015. This was mainly due to the Group’s prudent and conservative strategy to promote business amongst customers of high caliber and creditability during the static economy in order to safeguard our asset.

Staff costs

Staff costs of the Group amounted to approximately HK\$5.2 million for the Reporting Period, representing an increase of approximately 23.0% from approximately HK\$4.2 million recorded in the previous corresponding period ended 30 September 2015. This was mainly due to the additional appointment of staffs and directors in relation to the global offering.

Other operating expenses

During the Reporting Period, the other operating expenses of the Group amounted to approximately HK\$8.0 million, which is decreased by approximately 44.4% compared with approximately HK\$14.4 million of previous corresponding period in 2015. This was mainly due to non-recurring listing expenses recorded in previous corresponding period in 2015.

Impairment losses on finance lease receivables

The impairment losses on finance lease receivables is approximately HK\$8.4 million for the Reporting Period, representing an increase of approximately 62.8% from approximately HK\$5.2 million recorded in the previous corresponding period in 2015.

Other income

Other income of the Group mainly comprised of interest income from loan, government incentives and bank interest income. During the Reporting Period, the other income of the Group amount to approximately HK\$2.1 million, which is a decrease of approximately 0.1% from approximately HK\$2.1 million recorded in the previous corresponding period in 2015.

Finance costs

Finance costs of the Group comprised of interest on bank borrowings and imputed interest expense on interest-free deposits from finance lease customers. During the Reporting Period, finance costs of the Group amount to approximately HK\$32.1 million, representing a decrease of approximately 33.2% from approximately HK\$48.0 million in the previous corresponding period. This is mainly due to the decrease in the amounts of bank borrowings and the lapse of bank borrowings guaranteed by a related company. The guarantee provided by a related company had lapsed on the date of global offering, 28 January 2016.

As at 30 September 2016, the outstanding bank borrowings guaranteed by related parties amount to approximately HK\$150.0 million and the guarantee fee payable to the related parties amount to Nil. For further information, please refer to the section headed "Exempt Continuing Connected Transaction", sub-section headed "The Bank Guarantee Agreements" on page 16 of this report.

Profit for the period attributable to the owners of the Company

Profit for the period attributable to the owners of the Company amounted to approximately HK\$39.1 million, representing an increase of approximately 24.4% from approximately HK\$31.4 million recorded in the previous corresponding period ended 30 September 2015. The increase was mainly due to non-recurring listing expenses recognized in the previous corresponding period.

Interim dividend

The Board did not recommend the payment of any interim dividend for the six months ended 30 September 2016.

Liquidity, financial resources and capital resources

As at 30 September 2016, the aggregate sum of the Group's bank balances and cash, short-term bank deposits amounted to approximately HK\$57.8 million (31 March 2016: approximately HK\$233.0 million), representing a decrease of approximately HK\$175.2 million compared to 31 March 2016, this decrease was mainly due to the increase in the volume of finance lease operations using our internal funding. The working capital (current assets less current liabilities) and total equity of the Group were approximately HK\$533.7 million (31 March 2016: approximately HK\$729.8 million) and approximately HK\$861.5 million (31 March 2016: approximately HK\$842.8 million).

In Hong Kong, we participate in a Mandatory Provident Fund Scheme (the "MPF Scheme") established under the Mandatory Provident Fund Schemes Ordinance. The assets of the MPF Scheme are held separately from those of the Group and administered by an independent trustee. Under the MPF Scheme, the Group and its employees are each required to make a contribution to the MPF Scheme at 5% of the employees' relevant monthly income subject to a cap, which is currently set at HK\$1,500.

PRC employees are covered by the mandatory social security schemes operated by the PRC government. The Group is required by the PRC laws to contribute a certain percentage of payroll cost to the retirement benefits scheme to fund the benefits.

RISK FACTORS AND MANAGEMENT

Credit risk of small medium enterprises ("SMEs") in China

Our business is position to fulfill the financing needs of SMEs in Hubei Province and the sustainability of our business and future growth depends on our ability to manage our credit risk effectively. As such, any deterioration in our asset quality or collectability of our finance lease receivables could adversely affect our business, prospects and financial conditions. Due to the continuation of downturn economic pressure in China, it is inevitable for some corporations to face with a greater risk on default, especially the SMEs. Most SMEs customers in general have less financial resources in terms of capital or fund raising capability when comparing to larger corporations, they are more likely to be adversely affected by changes in market conditions, which poses increasing risk of default to our Group. In addition, the value of the leased assets and the collaterals securing our leases may decline upon repossession due to various factors such as economic downturn, reduced of market demand, devaluation, oversupply, or damage, etc.

Risk relating to funding sources and interest rate

Our business operation relies substantially on interest-bearing bank loans, we have incurred, and expected to continue to incur, a significant amount of interest expenses relating to our borrowings from various banks. Accordingly, fluctuations in interest rates have affected and will continue to directly and immediately affect our financing costs and, ultimately, our profitability and results of operations. However, our management will continue to closely monitor the changes in interest rate and in turns charging to our clients by the same amount in order to minimize our risk of exposure to such interest rate risk.

Foreign exchange risk

Even though substantially all of our revenue and expenses are denominated in Renminbi (“RMB”), fluctuations in exchange rates may nonetheless in the future adversely affect the value of our net assets and earnings. In particular, distributions to holders of our Shares are made in Hong Kong dollars. The Group currently does not have a foreign exchange hedging policy to eliminate the currency exposures. However, our management will continue to monitor the related foreign currency exposure closely and will consider appropriate measures should the need arise.

CONTINGENT LIABILITIES

As at 30 September 2016, the Group did not have any material contingent liabilities of guarantees (31 March 2016: nil).

Trademarks Licence Agreements

On 15 June 2015, Rongzhong Capital Holdings Limited (“Rongzhong Capital”), our wholly-owned subsidiary, entered into trademarks licence agreements (the “Trademarks Licence Agreements” and each Trademarks Licence Agreement) with each of Rongzhong Group and Rongzhong Internet pursuant to which Rongzhong Group and Rongzhong Internet agreed to grant a licence, on a perpetual and nonexclusive basis, to Rongzhong Capital and its affiliates at a consideration of HK\$1.00 and RMB1.00, respectively to use certain trademarks registered in their names as set out in the paragraph headed “Further Information about our Business – 2. The Trademarks Licence Agreements are terminable in the event that the trademarks listed therein have been legally transferred to Rongzhong Capital or upon the winding-up or liquidation of Rongzhong Capital or otherwise agreed by the parties in writing.

Finance Lease Guarantee Agreements

For all our finance leases, in addition to the leased assets, we normally require our customers to provide additional securities to us to further secure their lease payment obligations under the finance leases, which include, among others, certain assets that we may not be able to register as the pledgee or mortgagee under the current practice of the PRC to take up as security (the “Additional Assets”) as we are a wholly-foreign invested finance leasing entity. In this regard, Rongzhong International Financial Leasing Co., Ltd (“Rongzhong PRC”), our main operating entity, entered into (i) one finance lease guarantee agreement with Wuhan Rongzhong on 15 May 2015 and (ii) six finance lease guarantee agreements with Wuhan Jinhong on 10 May 2014, 13 January 2016, 30 March 2016, 31 March 2016, 31 March 2016 and 18 May 2016 respectively (collectively as the “Finance Lease Guarantee Agreements”) pursuant to which Wuhan Rongzhong and Wuhan Jinhong acted as a guarantor in favor of Rongzhong PRC in respect of the lease payment obligations of certain customers of Rongzhong PRC under their respective finance leases entered into with Rongzhong PRC. In return, these customers would pledge their Additional Assets to Wuhan Rongzhong and Wuhan Jinhong as securities to further secure their payment obligations to Wuhan Rongzhong and Wuhan Jinhong under separate agreements entered into with Wuhan Rongzhong and Wuhan Jinhong respectively. The guarantee obligations of Wuhan Rongzhong and Wuhan Jinhong under the Finance Lease Guarantee Agreements shall continue for a period of two years from the date on which the payment obligations of the customers under the relevant finance lease agreements entered into with Rongzhong PRC have been fulfilled. The guarantee fees (if any) payable to Wuhan Rongzhong and Wuhan Jinhong were borne entirely by the customers of Rongzhong PRC.

Litigation Guarantee Framework Agreements

We are involved in a number of legal proceedings arising in the ordinary course of our operations. These legal proceedings generally involve claims initiated by us to recover lease payments from our customers. In some of these legal proceedings, we have applied to the PRC courts to freeze the assets of some of our customers to recover the outstanding lease payments due to us (the “Freezing Application”). Under the applicable PRC laws and regulations, we are required to provide a guarantee to the PRC courts in respect of the Freezing Application. In this regard, Rongzhong PRC, entered into a litigation guarantee framework agreement with each of Wuhan Jinhong and Wuhan Rongzhong, collectively as the “Litigation Guarantee Framework Agreements” on 29 December 2014 pursuant to which Wuhan Jinhong and Wuhan Rongzhong agreed to provide guarantees in favor of any PRC courts in relation to any legal proceedings of Rongzhong PRC which require or involve a Freezing Application. The Litigation Guarantee Framework Agreements are for a term of three years and no guarantee fee is payable by Rongzhong PRC to Wuhan Jinhong and Wuhan Rongzhong for their provision of guarantee services under the Litigation Guarantee Framework Agreements.

The Bank Guarantee Agreements

On 22 February 2016, Mr. Xie and Rongzhong Capital Investments had each entered into a bank guarantee agreement with the bank (collectively as the “Bank Guarantee Agreements”) pursuant to which Mr. Xie and Rongzhong Capital Investments agreed to provide certain guarantee in favor of the bank for its grant of loans to Rongzhong PRC. The Bank Guarantee Agreements expire two years upon the settlement of the loans and no guarantee fee is payable by Rongzhong PRC to Mr. Xie and Rongzhong Capital Investments for their provision of guarantee services under the Bank Guarantee Agreements.

As at 30 September 2016, Mr. Xie and Rongzhong Capital Investments have provided the following guarantees to bank for its grant of loans to the Rongzhong PRC.

Accordingly, the Trademarks Licence Agreements, the Finance Lease Guarantee Agreements, the Litigation Guarantee Framework Agreements and the Bank Guarantee Agreements qualified as continuing connected transactions exempt from reporting, announcement and independent shareholders' approval requirements pursuant to Rule 14A.76 of the Listing Rules.

- (ii) not to solicit any existing employee of our Group for employment by it or its subsidiaries and/or close associates (as applicable) (excluding members of our Group);
- (iii) not, without the consent from our Company, make use of any information pertaining to the business of our Group which may have come to its knowledge in its capacity as our Controlling Shareholder or Director for any purpose of engaging, investing or participating in any Restricted Activity;

Upon receipt of the Offer Notice, we will seek opinions and decisions from our Independent Non-Executive Directors who do not have a material interest and will form an independent board committee (the “Independent Board Committee”) as to whether (a) such New Opportunities would constitute competition with the Restricted Activity; and (b) it is in the interest of our Group and our Shareholders as a whole to pursue the New Opportunities.

Right of first refusal

Where any of the Covenantors (or any of its subsidiaries and/or its close associates) (as applicable) (other than members of our Group) has acquired business investment or interest in any entity relating to the Restricted Activity (the “Acquired Entity”) pursuant to the paragraph headed “New business opportunity” above, the relevant Covenantor and/or its subsidiaries and/or its close associates (as applicable) (other than members of our Group) shall provide us with a right of first refusal (the “Right of First Refusal”) for a duration of one month to acquire any such Restricted Activity if they intend to dispose any equity interest in the Acquired Entity. Where the Independent Board Committee of our Company decides to waive the Right of First Refusal by way of written notice, the relevant Covenantor and/or its subsidiaries and/or its close associates (as applicable) may offer to sell such Restricted Activity to other third parties on such terms which are no more favorable than those made available to our Group. In deciding whether to exercise the above options, our Directors will consider various factors including the purchase price, the nature of the products and services and their values and benefits, as well as the benefits that they will bring to our Group.

Customer referral obligation

If a significant amount of the collateral provided by any of the new customer of Rongzhong Small Loan are within the scope of the Permitted Leased Assets, Rongzhong Group shall procure Rongzhong Small Loan to use its best endeavors to conduct due diligence on the new customer before entering into any agreement with the new customer to check whether (i) the ownership of the collateral are capable of being transferred and (ii) the new customer is willing to transfer the ownership of the collateral as security for loan until repayment of loan, which are essential to the creation of a lessee-lessor relation under finance leasing, and if items (i) and (ii) are satisfied, Rongzhong Group shall procure Rongzhong Small Loan to refer the new customer to our Group by written notice (the "Written Notice") and that Rongzhong Small Loan will be entitled to enter into an agreement with the new customer only if (a) it has received a notice from us declining to provide services to the new customer; or (b) it has not received such notice from us within three (3) Business Days from our receipt of the Written Notice (the "Customer Referral Obligation").

Conflict check obligation

Rongzhong Group shall procure Rongzhong Small Loan to check the customers list provided by our Company to it on a monthly basis to ensure that the new customer is not one of Rongzhong PRC existing customers before entering into any agreement with the new customer. In the event that the new customer is one of Rongzhong PRC's existing customers, Rongzhong Group shall procure Rongzhong Small Loan to inform us of the proposed transaction (including the particulars of the proposed transaction and the new customer) and that Rongzhong Small Loan shall refrain from entering into an agreement with the new customer until and unless our risk management committee has completed an evaluation on the new customer and is satisfied that Rongzhong PRC is not qualified to provide finance leasing services to the new customer (the "Conflict Check Obligation").

The Deeds of Non-competition shall not prevent each of the Covenantors and/or its subsidiaries and/or close associates (as applicable) to hold or have interest in shares or other securities in any company which conducts or is engaged in any Restricted Activity (the "Subject Company") provided that:

- (a) the aggregate interests or number of shares held by the Covenantor (including its subsidiaries and/or its close associate) (as applicable) does not exceed 5.00% of the issued share capital of the Subject Company; and

- (ii) the date on which our Shares cease to be listed on the Stock Exchange or (if applicable) other stock exchange.

Each of the Covenantor confirms that they have each complied with the terms of their Deed of Non-competition respectively.

DEED OF UNDERTAKING

Although the geographic location, approval requirements, potential customers and under the qualification of the currently applicable PRC laws differentiate our Group with the small loan business operated by Yancheng Goldbond, however, in order to ensure that there is no conflicts and competition between the business of the Group and Yancheng Goldbond, the Company and Goldbond have entered into a Deed of Undertaking on 18 December 2015 pursuant to which Goldbond has irrevocably and unconditionally undertake to our Company that it shall procure Yancheng Goldbond to check the customers list provided by our Company to it on a monthly basis to ensure that Yancheng Goldbond’s new customer is not one of Rongzhong PRC’s existing customers before entering into agreement with the new customer. Where the new customer is one of Rongzhong PRC’s existing customers, Goldbond shall procure Yancheng Goldbond to inform us of the proposed transaction (including the particulars of the proposed transaction and the new customer) to enable our risk management committee to evaluate whether Rongzhong PRC is qualified to take on the new customer and the benefits of such business opportunities will bring to us. In the event that our Group is qualified and is interested in taking on the new customer, both Yancheng Goldbond and our Group may pitch to the new customer and Yancheng Goldbond is only entitled to enter into an agreement with the new customer if the new customer selects its service over those of Rongzhong PRC and or other service providers (if applicable). In the event that Rongzhong PRC is not qualified or is not interested in taking on the new customer, Yancheng Goldbond may proceed to enter into an agreement with the new customer (“Goldbond’s Conflict Check Undertaking”).

In consideration of Goldbond's Conflict Check Undertaking, our Company has also irrevocably and unconditionally undertaken to Goldbond that our Company shall procure Rongzhong PRC to check the customers list provided by Goldbond to it on a monthly basis to ensure that Rongzhong PRC's new customer is not one of Yancheng Goldbond's existing customers before entering into any agreement with the new customer. Where the new customer is one of Yancheng Goldbond's existing customers, our Company shall procure Rongzhong PRC to inform Goldbond of the proposed transaction (including the particulars of the proposed transaction and the new customer) to enable Goldbond to evaluate whether Yancheng Goldbond is qualified to take on the new customer and the benefits of such business opportunities will bring to Goldbond. In the event that Yancheng Goldbond is qualified and is interested in taking on the new customer, both Yancheng Goldbond and Rongzhong PRC may pitch to the new customer and Rongzhong PRC is only entitled to enter into an agreement with the new customer if the new customer selects its service over those of Yancheng Goldbond and or other service providers (if applicable). In the event that Yancheng Goldbond is not qualified or is not interested in taking on the new customer, Rongzhong PRC may proceed to enter into an agreement with the new customer (the "Company's Conflict Check Undertaking", together with Goldbond's Conflict Check Undertakings, collectively referred to as the "Conflict Check Undertakings").

The Conflict Check Undertakings commence from the listing date and shall expire on the earlier of the dates below:

- (a) the date on which Goldbond or its subsidiaries, individually or taken as a whole, ceases to be a Controlling Shareholder of the Company; and

TO THE BOARD OF DIRECTORS OF CHINA RONGZHONG FINANCIAL HOLDINGS COMPANY LIMITED

中國融眾金融控股有限公司

(incorporated in the Cayman Islands with limited liability)

INTRODUCTION

We have reviewed the condensed consolidated financial statements of China Rongzhong Financial Holdings Company Limited (the “Company”) and its subsidiaries (collectively referred to as the “Group”) set out on pages 24 to 40, which comprise the condensed consolidated statement of financial position as of 30 September 2016 and the related condensed consolidated statement of profit or loss and other comprehensive income, statement of changes in equity and statement of cash flows for the six-month period then ended, and certain explanatory notes. The Main Board Listing Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited require the preparation of a report on interim financial information to be in compliance with the relevant provisions thereof and Hong Kong Accounting Standard 34 “Interim Financial Reporting” (“HKAS 34”) issued by the Hong Kong Institute of Certified Public Accountants. The directors of the Company are responsible for the preparation and presentation of these condensed consolidated financial statements in accordance with HKAS 34. Our responsibility is to express a conclusion on these condensed consolidated financial statements based on our review, and to report our conclusion solely to you, as a body, in accordance with our agreed terms of engagement, and for no other purpose. We do not assume responsibility towards or accept liability to any other person for the contents of this report.

SCOPE OF REVIEW

We conducted our review in accordance with Hong Kong Standard on Review Engagements 2410 “Review of Interim Financial Information Performed by the Independent Auditor of the Entity” issued by the Hong Kong Institute of Certified Public Accountants. A review of these condensed consolidated financial statements consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Hong Kong Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

CONCLUSION

Based on our review, nothing has come to our attention that causes us to believe that the condensed consolidated financial statements are not prepared, in all material respects, in accordance with HKAS 34.

Without qualifying our review conclusion, we draw attention to the fact that the comparative condensed consolidated statement of profit or loss and other comprehensive income, statement of changes in equity and statement of cash flows for the six-month period ended 30 September 2015 and the relevant explanatory notes included in these condensed consolidated financial statements have not been reviewed in accordance with Hong Kong Standard on Review Engagements 2410 “Review of interim Financial Information Performed by the Independent Auditor of the Entity”.
