REVISION OF REVENUE GUIDANCE FOR THE FOURTH QUARTER OF 2016

This announcement is made by Advanced Semiconductor Manufacturing Corporation Limited (the “Company”) pursuant to Rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “Listing Rules”) and the Inside Information Provisions (as defined under the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

Reference is made to the announcement of the Company dated 8 November 2016 relating to the Company’s 2016 third quarter results announcement, pursuant to which it was released by the Company that the revenue for the fourth quarter of 2016 was expected to increase on a yearly basis, but decrease on a sequential quarterly basis.

The Company wishes to inform the Shareholders of the Company and potential investors of a revision of its revenue guidance for the fourth quarter of 2016 that the Company expects its revenue for the fourth quarter of 2016 to increase on a yearly basis and as well as a sequential quarterly basis. This increase was mainly due to higher-than-expected demand in the orders of 6-inch wafers and 8-inch wafers in both domestic and international markets, which helped improve overall capacity utilization rate and ultimately increase its revenue for the fourth quarter of 2016.

The Company is still in the process of finalizing its results for the fourth quarter of 2016. The information contained in this announcement is only a preliminary assessment by the management of the Company based on the unaudited consolidated management accounts of the Company for the fourth quarter of 2016, which have not been confirmed nor audited by the Company’s auditors and may be subject to adjustments.

Shareholders of the Company and potential investors are advised to exercise caution when dealing in the Shares of the Company.
