Reference is made to the announcements of Shengli Oil & Gas Pipe Holdings Limited (the “**Company**”) dated 29 March 2015, 29 September 2015 and 27 May 2016 (the “**Announcements**”) regarding, among other matters, the discloseable transaction in relation to the acquisition of the Sale Shares by the Transferee, a direct wholly-owned subsidiary of the Company, from the Transferor pursuant to the terms and conditions of the Share Transfer Agreement, the Supplemental Agreement and the Second Supplemental Agreement.

Unless otherwise defined, capitalised terms used herein shall have the same meanings as those defined in the Announcements.

THIRD SUPPLEMENTAL AGREEMENT

Background

As disclosed in the Announcements, the Closing Conditions to the Share Transfer Agreement should be fulfilled or waived on or before the Long Stop Date and the Long Stop Date had been extended to 29 November 2016 pursuant to the Second Supplemental Agreement. As notified by the Transferor, additional time is required to obtain the final approval of certain requisite mining licenses from local government authorities.

Third Supplemental Agreement

In view that additional time is required for the fulfillment of the Closing Conditions, on 24 January 2017 (after trading hours of the Stock Exchange), after arm's length negotiations, the Transferor and the Transferee entered into a third supplemental agreement (the "**Third Supplemental Agreement**") to the Share Transfer Agreement, pursuant to which the Parties agreed to amend the following terms of the Share Transfer Agreement:

- (i) The Long Stop Date shall be extended to 30 April 2017; and
- (ii) If any of the Closing Conditions have not been fulfilled or waived on or before the Long Stop Date or due to the Transferor's failure to perform its obligations under the Share Transfer Agreement, the Transferor shall refund to the Transferee all the payment in relation to the Consideration that had been made by the Transferee before the Long Stop Date (with interest of 3% per annum) at a time and in the manner to be agreed between the Parties.

Save for the amendments contained in the Third Supplemental Agreement as stated above, all other terms and conditions of the Share Transfer Agreement, the Supplemental Agreement and the Second Supplemental Agreement shall remain in full force and effect.

The Directors are of the view that such amendments would not have any material adverse impact on the business and performance of the Group and the terms of the Third Supplemental Agreement are fair and reasonable and in the interests of the Company and the Shareholders as a whole.

As the Completion is subject to the satisfaction and/or waiver, where applicable, of the Closing Conditions set out in the Share Transfer Agreement, the Acquisition may or may not proceed to Completion. Shareholders and potential investors of the Company should exercise caution when dealing in the shares or any securities of the Company.
