- (a) the proposed re-election of retiring Directors;
- (b) the proposed renewal of the Share Issue Mandate;
- (c) the proposed renewal of the Share Purchase Mandate; and
- (d) the proposed renewal of the IPT Mandate.

These resolutions will be proposed at the 2017 AGM, as set out in the notice of the 2017 AGM contained in this Circular.

- 1.2 The Singapore Listing Rules and the HK Listing Rules contain provisions to regulate: (i) the issuance of shares; (ii) the repurchase of shares by companies with primary listings of their securities on the SGX-ST and the HKSE, respectively; and (iii) Interested Person Transactions (and, in a similar context of the HK Listing Rules, "**connected transactions**").
- 1.3 The purpose of this Circular is to provide Shareholders with information relating to, and explain the rationale for the resolutions to be proposed at, the 2017 AGM, in respect of: (i) the proposed re-election of the retiring Directors; (ii) the proposed renewal of the Share Issue Mandate; (iii) the proposed renewal of the Share Purchase Mandate; and (iv) the proposed renewal of the IPT Mandate.
- 1.4 This Circular also serves as an explanatory statement (as required under the HK Listing Rules) to provide the Shareholders with the requisite information reasonably necessary to enable the Shareholders to make an informed decision as to whether to vote for or against the relevant ordinary resolution.

IMPORTANT: In cases where there are discrepancies between the applicable laws, rules and/or regulations of Hong Kong and Singapore, the more stringent set of laws, rules and/or regulations shall prevail.

2. THE PROPOSED RE-ELECTION OF RETIRING DIRECTORS

As at the Latest Practicable Date:

- (a) the executive Directors were Ms. Stephanie Cheung Wai Lin, Mr. Chang Wing Yiu and Mr. Ng Hon Chung;
- (b) the non-executive Director was Mr. Cheung Kwok Wing; and

LETTER TO SHAREHOLDERS

- (c) the independent non-executive Directors were Professor Raymond Leung Hai Ming, Mr. Stanley Chung Wai Cheong and Mr. Ong Shen Chieh.

Pursuant to Articles 95(2) and 95(4) of the Articles, our executive Director, Ms. Stephanie Cheung Wai Lin, our non-executive Director, Mr. Cheung Kwok Wing, and our independent non-executive Director, Professor Raymond Leung Hai Ming (“**Mr. Leung**”), shall retire from office by rotation, and, being eligible, each of such Directors, save for Mr. Leung, shall offer themselves for re-election at the 2017 AGM.

As at the Latest Practicable Date, Mr. Leung had served the Company as an independent non-executive Director for over nine (9) years. To ensure the independence of the independent non-executive Directors and maintain the Company’s standards of good corporate governance practices, Mr. Leung will not offer himself for re-election at the 2017 AGM, and, accordingly, he will cease to be an independent non-executive Director upon the conclusion of the 2017 AGM. Mr. Leung will also cease to be the chairman of the nomination committee and remuneration committee of the Board and member of the audit committee of the Board, with effect from the conclusion of the 2017 AGM. Mr. Leung has confirmed that he has no disagreement with the Board, and there are no other matters concerning his retirement that need to be brought to the attention of the Shareholders. The Board would like to take this opportunity to thank Mr. Leung for his valuable contributions and service to the Company during his tenure of office. The Company intends to find a replacement Independent Director to take over Mr. Leung’s place, and this appointment is intended to take place after the 2017 AGM.

The particulars required to be disclosed under the HK Listing Rules in relation to the Directors proposed for re-election are set out in Appendix A (“**Biographical Details of Directors**”) to this Circular.

3. THE PROPOSED RENEWAL OF THE SHARE ISSUE MANDATE

- 3.1 At the 2016 AGM held by the Company on 29 April 2016, a Share Issue Mandate (the “**2016 Share Issue Mandate**”) was granted by the Shareholders to the Directors, authorising the Directors to issue Shares and/or to make or grant offers, agreements or options that might or would require Shares to be issued, in accordance with the terms set out in the resolution approving the 2016 Share Issue Mandate and in compliance with the Singapore Listing Rules, HK Listing Rules, all legal requirements and the Articles. The 2016 Share Issue Mandate will expire upon the conclusion of the 2017 AGM.
- 3.2 An ordinary resolution as set out in Ordinary Resolution 7 of the notice of the 2017 AGM will be proposed at the 2017 AGM to seek the approval of the Shareholders, that, pursuant to Section 161 of the Act, Rule 806 of the Listing Manual and the HK Listing Rules, the following authority be given to the Directors:
- (a) subject to paragraph (c) below, the exercise by the Directors during the Relevant Period (as hereinafter defined) of all the powers of the Company to allot, issue and deal with additional Shares in the capital of the Company and to make or grant offers, agreements and options (including, but not limited to, bonds, warrants and debentures convertible into Shares), which would or might require the exercise of such powers;

LETTER TO SHAREHOLDERS

- (b) the approval in paragraph (a), above, shall authorise the Directors during the Relevant Period to make or grant offers, agreements and options (including, but not limited to, bonds, warrants and debentures convertible into Shares), which would or might require the exercise of such powers after the end of the Relevant Period;
- (c) the aggregate nominal amount of the Shares allotted or agreed conditionally or unconditionally to be allotted (whether pursuant to an option or otherwise) by the Directors pursuant to the approval in paragraph (a), above, shall not exceed fifty per cent. (50%) of the total number of issued Shares in the capital of the Company (excluding Treasury Shares, if any), of which the aggregate number of Shares to be issued other than on a *pro-rata* basis to existing Shareholders shall not exceed twenty per cent. (20%) of the aggregate nominal amount of the issued share capital of the Company (excluding Treasury Shares, if any) as at the date of passing of the resolution, and the approval in paragraph (a), above, shall be limited accordingly; and
- (d) for the purpose of Ordinary Resolution 7, “**Relevant Period**” means the period from the passing of the resolution until the earliest of:
 - (i) the conclusion of the next AGM;
 - (ii) the expiration of the period within which the next AGM is required, by the Articles or any applicable laws, to be held; and
 - (iii) the revocation or variation of the authority given under the resolution by an ordinary resolution of the Shareholders in general meeting.

3.3 As at the Latest Practicable Date, the number of Shares in issue was 186,919,962. Accordingly, the exercise of the Share Issue Mandate in full (other than on a *pro-rata* basis) would enable the Company to issue a maximum of 37,383,992 new Shares (assuming no Shares are issued or repurchased after the Latest Practicable Date and up to the passing of the relevant resolution). The renewal of the 2016 Share Issue Mandate will provide flexibility to the Directors to issue new Shares when it is in the interests of the Company to do so.

4. THE PROPOSED RENEWAL OF THE SHARE PURCHASE MANDATE

4.1 Background

4.1.1 The Act allows companies to purchase their own shares, stocks and preference shares in the manner stated in the Act, if their articles of association allow them to do so. Article 51(a) of the Articles expressly permits the Company to purchase or otherwise acquire, *inter alia*, its issued Shares.

4.1.2 Any purchase or acquisition of its Shares by the Company is required to be made in accordance with, and in the manner prescribed by, the Act, the Listing Manual, the Articles, the HK Listing Rules, the HK Repurchase Code and such other laws and regulations as may, for the time being,

LETTER TO SHAREHOLDERS

be applicable. Companies listed on the HKSE are not allowed to hold Treasury Shares. Accordingly, as the Company is listed on the Main Board of the HKSE, the Company will not be allowed to hold Treasury Shares and any Shares purchased, redeemed or acquired pursuant to the Share Purchase Mandate will be cancelled.

4.1.3 At the 2016 AGM, the Shareholders had approved the renewal of a Share Purchase Mandate (the “**2016 Share Purchase Mandate**”) to enable the Company to purchase or otherwise acquire its issued Shares. The rationale for, the authority and limitations on and the financial effects of the 2016 Share Purchase Mandate were set out in the 2016 Circular.

4.1.4 The 2016 Share Purchase Mandate was expressed to continue, *inter alia*, in force until:

- (i) the date on which the 2017 AGM is held or required by law or the Articles to be held;
- (ii) the date on which the purchase of Shares by the Company pursuant to the 2016 Share Purchase Mandate is carried out to the fullest extent mandated; or
- (iii) the date on which the authority conferred by the 2016 Share Purchase Mandate is revoked or varied by the Company in general meeting,

whichever is the earliest.

4.1.5 As the 2016 Share Purchase Mandate would be expiring on 28 April 2017, being the date of the 2017 AGM, the Directors are seeking the Shareholders’ approval for the renewal of the 2016 Share Purchase Mandate at the 2017 AGM.

4.2 Rationale for renewal of the Share Purchase Mandate

4.2.1 The rationale for the Company to undertake the Share Purchases is to enable the Directors to return to the Shareholders, the EEIC Group’s surplus funds over and above its ordinary capital requirements, which are in excess of the foreseeable financial and investment needs of the EEIC Group, in an expedient and cost-efficient manner.

4.2.2 The proposed renewal of the 2016 Share Purchase Mandate will continue to give the Directors the flexibility to purchase or acquire the Shares, if and when circumstances permit. The Share Purchase Mandate will also allow the Company greater flexibility over its share capital structure and dividend policy and may lead to an enhancement of EPS and/or NTA per Share, depending on market conditions and funding arrangements at the time. As the Share Purchases will give the Directors the opportunity to purchase Shares when the Shares are under-valued, the Directors are of the opinion that the Share Purchases would help to buffer short-term share price volatility and offset the effects of share price speculation.

4.2.3 If and when circumstances permit, the Directors will decide whether to effect the Share Purchases *via* On-Market Share Purchases or Off-Market Share Purchases, after taking into account the amount of surplus cash available, the then prevailing market conditions and the most cost effective and efficient approach.

LETTER TO SHAREHOLDERS

4.2.4 Although the Share Purchase Mandate authorises Share Purchases up to a maximum of ten per cent. (10%) of the total number of issued Shares for the duration referred to in Section 4.3.2 of this Circular, the Share Purchases would be made only as and when the Directors consider them to be in the best interests of the Company and in circumstances that the Directors believe will not result in any material adverse effect to the financial position of the Company or the EEIC Group, or result in the Company being delisted from the SGX-ST and/or the HKSE. The Directors will use their best efforts to ensure that, after a Share Purchase, the number of Shares remaining in the hands of the public will not fall below the minimum level prescribed by the Singapore Listing Rules or the HK Listing Rules, or fall to such a level as to cause market illiquidity or adversely affect the orderly trading and listing status of the Shares on the SGX-ST and/or the HKSE.

4.3 Authority and limits on the Share Purchase Mandate

The authority and limitations placed on the Share Purchases by the Company under the proposed renewal of the 2016 Share Purchase Mandate are set out below:

4.3.1 Maximum Number of Shares

The total number of Shares which may be purchased or acquired by the Company pursuant to the Share Purchase Mandate is limited to that number of Shares representing not more than ten per cent. (10%) of the issued share capital of the Company as at the date of the 2017 AGM at which the renewal of the Share Purchase Mandate is approved (the “**Approval Date**”).

For illustrative purposes only, on the basis of 186,919,962 issued Shares as at the Latest Practicable Date, and assuming that no further Shares are issued or repurchased on or prior to the 2017 AGM, not more than 18,691,996 issued Shares (representing approximately ten per cent. (10%) of the issued share capital of the Company as at the Approval Date) may be purchased by the Company pursuant to the Share Purchase Mandate for the duration referred to in Section 4.3.2.

4.3.2 Duration of Authority

- (a) Share Purchases may be made at any time, and from time to time, on and from the Approval Date, up to:
- (i) the date on which the next AGM is held or required by law or the Articles to be held;
 - (ii) the date on which the purchase of Shares by the Company pursuant to the Share Purchase Mandate is carried out to the fullest extent mandated; or
 - (iii) the date on which the authority conferred by the Share Purchase Mandate is revoked or varied by the Company in a general meeting,

whichever is the earliest (the “**Permitted Period**”).

LETTER TO SHAREHOLDERS

- (b) The authority conferred on the Directors by the Share Purchase Mandate to purchase Shares may be renewed. When seeking the approval of the Shareholders for the renewal of the Share Purchase Mandate, the Company is required to disclose, *inter alia*, details pertaining to Share Purchases made during the previous 12 months, including the total number of Shares purchased, the purchase price per Share or the highest and lowest prices paid for such Share Purchases, where relevant, and the total consideration paid for such Share Purchases.

4.3.3 Manner of Share Purchases

- (a) Share Purchases may be made by way of:
 - (i) an On-Market Share Purchase; and/or
 - (ii) an Off-Market Share Purchase.
- (b) The Directors may impose such terms and conditions, which are not inconsistent with the Share Purchase Mandate, the Listing Manual, the Act, the HK Listing Rules or the HK Repurchase Code, as they consider fit, in the interests of the Company in connection with or in relation to any equal access scheme or schemes. However, an Off-Market Share Purchase effected in accordance with an equal access scheme must satisfy all the following conditions:
 - (i) offers for the Share Purchase shall be made to every person who holds Shares, to purchase or acquire the same percentage of issued Shares;
 - (ii) all of those persons shall be given a reasonable opportunity to accept the offers made to them; and
 - (iii) the terms of all the offers shall be the same, except that there shall be disregarded:
 - (A) differences in consideration attributable to the fact that offers may relate to Shares with different accrued dividend entitlements (if applicable);
 - (B) differences in consideration attributable to the fact that offers relate to Shares with different amounts remaining unpaid (if applicable); and
 - (C) differences in the offers introduced solely to ensure that each person is left with a whole number of Shares.
- (c) The Listing Manual provides that, in making an Off-Market Share Purchase, the Company must issue an offer document to all Shareholders, which must contain at least the following information:
 - (i) the terms and conditions of the offer;

LETTER TO SHAREHOLDERS

- (ii) the period and procedures for acceptances;
 - (iii) the reasons for the proposed Share Purchase;
 - (iv) the consequences, if any, of Share Purchases by the Company that will arise under the Singapore Take-over Code or other applicable take-over rules;
 - (v) whether the Share Purchase, if made, would have any effect on the listing of the Shares on the SGX-ST; and
 - (vi) details of any Share Purchases made by the Company in the previous 12 months (whether On-Market Share Purchases or Off-Market Share Purchases), giving the total number of Shares purchased, the purchase price per Share or the highest and lowest prices paid for the Share Purchases, where relevant, and the total consideration paid for the Share Purchases.
- (d) In relation to an On-Market Share Purchase, the Company may apply to the SGX-ST for a special trading counter for the purposes of effecting the On-Market Share Purchase besides the normal ready market counter. Subject to the Shareholders' approval being obtained at the 2017 AGM for the renewal of the Share Purchase Mandate, the Company will consider whether to apply to the SGX-ST for a special trading counter for the purpose of conducting On-Market Share Purchases of its Shares.
- (e) In Hong Kong, companies with a primary listing of its equity securities in Hong Kong may only engage an off-market share repurchase approved in accordance with Rule 2 of the HK Repurchase Code. According to the HK Repurchase Code, off-market purchases must be approved by the Executive Director of the Corporate Finance Division of the SFC or any delegate of the Executive Director before a repurchasing company acquires any shares pursuant to such share repurchases. Such approval will normally be conditional upon, amongst others, approval of the proposed off-market repurchase by at least three-fourths of the votes cast on a poll by disinterested shareholders in attendance in person or by proxy at a general meeting of shareholders duly convened and held to consider the proposed transaction. The repurchasing company should also comply with such other applicable requirements under the HK Repurchase Code. Accordingly, even if the Share Purchase Mandate shall have been approved by Shareholders at the 2017 AGM, the Company will still be required to convene a general meeting to seek specific approval from the Shareholders in the event it wishes to conduct an Off-Market Purchase in compliance with the applicable requirements of the HK Repurchase Code.

4.3.4 Maximum Purchase Price

- (a) The purchase price (excluding brokerage, stamp duties, commission, applicable goods and services tax and other related expenses) to be paid for a Share will be determined by the Directors.

LETTER TO SHAREHOLDERS

- (b) However, the purchase price to be paid for the Shares pursuant to the Share Purchase Mandate must not exceed:
- (i) in the case of an On-Market Share Purchase, one hundred and five per cent. (105%) of the Average Closing Price (as defined below) of the Shares; and
 - (ii) in the case of an Off-Market Share Purchase, one hundred and twenty per cent. (120%) of the Average Closing Price of the Shares,
- (the “**Maximum Price**”) in either case (excluding brokerage, stamp duties, commission, applicable goods and services tax and other related expenses).
- (c) For the above purposes, “**Average Closing Price**” means the average of the closing market prices of a Share over the last five (5) Market Days, on which transactions in the Shares were recorded, immediately preceding the date of making the On-Market Share Purchase, or, as the case may be, the date of making an announcement of an offer pursuant to the Off-Market Share Purchase, and deemed to be adjusted for any corporate action that occurs after the relevant five (5) Market Days.

4.4 Status of purchased Shares

General

- (a) Under Section 76B(5) of the Act, any Share that is purchased, unless held as a Treasury Share pursuant to Section 76H of the Act, is deemed cancelled immediately on purchase, and all rights and privileges attached to that Share will expire on cancellation. All Shares purchased by the Company will be automatically delisted by the SGX-ST, and (where applicable) all certificates in respect thereof will be cancelled and destroyed by the Company as soon as reasonably practicable following the settlement of any such purchase. Accordingly, the total number of issued Shares will be diminished by the number of Shares purchased or acquired, which are cancelled and not held as Treasury Shares.
- (b) As the Company is concurrently primarily listed on the Main Board of the SGX-ST and the Main Board of the HKSE, the Company is required to comply with the relevant Singapore and Hong Kong laws, the Singapore Listing Rules and the HK Listing Rules, including, *inter alia*, the listing requirements of the SGX-ST and the HKSE. Pursuant to Rule 10.06(5) of the HK Listing Rules, the listing of all purchased Shares by the Company (whether on the HKSE or otherwise) shall be automatically cancelled upon such purchase.

As mentioned above, companies listed on the HKSE are not allowed to hold Treasury Shares. Accordingly, as the Company is listed on the Main Board of the HKSE, the Company will not be allowed to hold Treasury Shares and any Shares purchased, redeemed or acquired pursuant to the Share Purchase Mandate will be cancelled.

LETTER TO SHAREHOLDERS

4.5 Reporting requirements

4.5.1 Notification to ACRA

Within 30 days of the Approval Date, the Company shall lodge a copy of the resolution approving the Share Purchase Mandate with ACRA.

The Company shall lodge with ACRA a notice of the Share Purchase within 30 days of the Share Purchase. Such notification shall include the date of the Share Purchase, the total number of Shares purchased by the Company, the number of Treasury Shares held (which will be nil), the Company's issued share capital before and after the Share Purchase, the amount of consideration paid by the Company for the Share Purchase, whether the Shares were purchased or acquired out of the profits or the capital of the Company and such other particulars as may be required, in the prescribed form.

4.5.2 Notification to SGX-ST

The Singapore Listing Rules specify that a company listed on the SGX-ST shall notify the SGX-ST of all purchases or acquisitions of its shares not later than 9.00 a.m.:

- (a) in the case of an On-Market Share Purchase, on the Market Day following the day on which the On-Market Share Purchase was made; or
- (b) in the case of an Off-Market Share Purchase under an equal access scheme, on the second Market Day after the close of acceptance of the offer for the Off-Market Share Purchase.

The notification of such purchases or acquisition of Shares to the SGX-ST shall be in such form and shall include such details that the SGX-ST may prescribe. The Company shall make arrangements with its stockbrokers to ensure that they provide the necessary information to the Company in a timely fashion to enable the Company to make the notifications to the SGX-ST.

4.5.3 Reporting Requirements in Hong Kong

Under the HK Listing Rules, after a listed issuer has made a purchase of its shares, whether on the HKSE or otherwise, the listed issuer shall:

- (a) submit for publication to the HKSE not later than thirty (30) minutes before the earlier of the commencement of the morning trading session or any pre-opening session on the Market Day following any day on which the issuer makes a purchase of shares (whether on the HKSE or otherwise), the total number of shares purchased by the issuer on the previous day, the purchase price per share or the highest and lowest price paid for such shares, where relevant, and shall confirm that purchases which were those made on the HKSE were made in accordance with the HK Listing Rules and if the issuer's primary listing is on the HKSE, that there have been no material changes to the particulars contained in the explanatory statement issued by the listed issuer in relation to the mandate pursuant to which such share purchase is made. In respect of purchases made on another stock exchange, the issuer's

LETTER TO SHAREHOLDERS

report must confirm that those purchases were made in accordance with the domestic rules applying to purchases on that other stock exchange. Such reports shall be made on a return, in such form and containing such information as the HKSE may from time to time prescribe. In the event that no shares are purchased on any particular day then no return need be made to the HKSE. The listed issuer should make arrangements with its brokers to ensure that they provide to the issuer in a timely fashion the necessary information to enable the listed issuer to make the report to the HKSE; and

- (b) include in its annual report and accounts a monthly breakdown of purchases of shares made during the financial year under review, showing the number of shares purchased each month (whether on the HKSE or otherwise) and the purchase price per share or the highest and lowest price paid for all such purchases, where relevant, and the aggregate price paid by the issuer for such purchases. The directors' report shall contain reference to the purchases made during the year and the directors' reasons for making such purchases. The issuer shall procure that any broker appointed by the issuer to effect the purchase of its shares shall disclose to the HKSE such information with respect to purchases made on behalf of the issuer as the HKSE may request.

4.6 Source of funds

4.6.1 The Company may only apply funds for a Share Purchase as provided in the Articles and in accordance with the applicable laws in Singapore and Hong Kong. The Company may not purchase its Shares for a consideration other than in cash or, in the case of an On-Market Share Purchase, for settlement otherwise than in accordance with the trading rules of the SGX-ST and the HKSE.

4.6.2 The Act permits the Company to purchase or acquire its own Shares out of capital, as well as from its distributable profits, so long as the Company is solvent. The Company is solvent if:

- (a) the Company is able to pay its debts in full at the time of the payment of the consideration for, *inter alia*, the acquisition of any right with respect to the Share Purchase, and will be able to pay its debts as they fall due in the normal course of business during the period of 12 months immediately following the date of the payment; and
- (b) the value of the Company's assets is not less than the value of its liabilities (including contingent liabilities), having regard to the most recent financial statements of the Company and all other circumstances that the Directors or managers know or ought to know affect or may affect such values, and will not after, *inter alia*, the Share Purchase, become less than the value of its liabilities (including contingent liabilities).

4.6.3 The Company intends to use internal sources of funds or external borrowings, or a combination of internal resources and external borrowings, to finance the Share Purchases.

LETTER TO SHAREHOLDERS

4.7 Financial effects

4.7.1 If Shares purchased by the Company are cancelled pursuant to Section 76B(5) of the Act, the purchase price paid by the Company for the Shares (excluding brokerage, stamp duties, commission, applicable goods and services tax and other related expenses) will correspondingly:

- (a) reduce the amount of its share capital where the Shares were purchased out of the capital of the Company;
- (b) reduce the amount of its distributable reserves where the Shares were purchased out of the profits of the Company; or
- (c) reduce the amount of its share capital and distributable reserves proportionately where the Shares were purchased out of both the capital and the profits of the Company.

4.7.2 The amount of funding required for the Company to purchase or acquire its Shares and the financial impact on the Company and the EEIC Group arising from Share Purchases, which may be made pursuant to the proposed renewal of the Share Purchase Mandate, will depend on, *inter alia*, the aggregate number of Shares purchased or acquired, the consideration paid at the relevant time and the sources of funds applied by the Company.

4.7.3 Based on the existing issued and paid-up capital of the Company as at the Latest Practicable Date and assuming that no further Shares are issued or repurchased before the 2017 AGM, in the case of On-Market Share Purchases by the Company and assuming that, pursuant to the Share Purchase Mandate, the Company purchases the maximum number of 18,691,996 Shares at the Maximum Price of US\$1.15 per Share (being the price equivalent to five per cent. (5%) above the average of the closing market prices of the Shares for the five (5) consecutive Market Days on which the Shares were traded on the SGX-ST immediately preceding the Latest Practicable Date), the maximum amount of funds required for the purchase of 18,691,996 Shares (excluding brokerage, stamp duties, commission, applicable goods and services tax and other related expenses) is approximately US\$21,496,000.

4.7.4 Based on the existing issued and paid-up capital of the Company as at the Latest Practicable Date and assuming that no further Shares are issued or repurchased before the 2017 AGM, in the case of Off-Market Share Purchases by the Company and assuming that, pursuant to the Share Purchase Mandate, the Company purchases the maximum number of 18,691,996 Shares at the Maximum Price of US\$1.31 per Share (being the price equivalent to twenty per cent. (20%) above the average of the closing market prices of the Shares for the five (5) consecutive Market Days on which the Shares were traded on the SGX-ST immediately preceding the Latest Practicable Date), the maximum amount of funds required for the purchase of 18,691,996 Shares (excluding brokerage, stamp duties, commission, applicable goods and services tax and other related expenses) is approximately US\$24,487,000.

LETTER TO SHAREHOLDERS

4.7.5 On the basis of the assumptions set out above and assuming that: (i) such Share Purchase is financed by fifty per cent. (50%) external borrowings and fifty per cent. (50%) internal resources; (ii) the Share Purchase Mandate had been effective on 1 January 2016; and (iii) the Company had purchased 18,691,996 Shares (representing ten per cent. (10%) of its total number of issued Shares as at the Latest Practicable Date), the financial impact of the Share Purchase of 18,691,996 Shares made by the Company pursuant to the Share Purchase Mandate on the audited financial statements of the EEIC Group and the Company for FY2016 is set out below:

(a) On-Market Share Purchase

“n/m” means the percentage is not meaningful.

LETTER TO SHAREHOLDERS

(b) Off-Market Share Purchase

As at 31 December 2016	EEIC Group		Company	
	Before Share Purchase	After Share Purchase	Before Share Purchase	After Share Purchase
	US\$'000	US\$'000	US\$'000	US\$'000

*Current Ratio	1.05	0.92	n/m	n/m

Notes:

“*” means the computations have taken into account the impact of additional external borrowings of approximately US\$12,243,000, attributable interest expense of US\$269,000 to be incurred and internal resources of approximately US\$12,243,000.

“n/m” means the percentage is not meaningful.

4.7.6 As illustrated above, a purchase of a maximum 18,691,996 Shares will result in an increase in the EPS of the EEIC Group. However, there will be a reduction in the NTA of the Company in both On-Market Share Purchases and Off-Market Share Purchases.

4.7.7 The Directors emphasise that they do not propose to exercise the Share Purchase Mandate to the extent that the liquidity and capital adequacy position of the EEIC Group would be materially and adversely affected. Where the Share Purchase is financed wholly or partly out of external borrowings, the net gearing of the EEIC Group will increase. Nonetheless, based on the audited financial statements for FY2016, the EEIC Group has an operating cash flow of approximately US\$18,651,000. Internally generated funds may also be used to finance the Share Purchases. The Directors will be prudent in exercising the Share Purchase Mandate only to such extent where the Directors believe will enhance shareholder value giving consideration to the prevailing market conditions, the financial position of the EEIC Group and other relevant factors.

LETTER TO SHAREHOLDERS

- 4.7.8 There may be a material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in the audited financial statements contained in the annual report for the period ended 31 December 2016) in the event the Share Purchase Mandate were to be carried out in full at any time during the proposed Permitted Period. However, the Directors do not propose to exercise the Share Purchase Mandate to such extent as would, in the circumstances, have a material adverse impact on the working capital requirements of the Company or the gearing levels which, in the opinion of the Board, are from time to time appropriate for the Company.
- 4.7.9 Shareholders should be aware that the financial effects set out above are based on the assumptions set out above and are for illustrative purposes only. The above analysis is based on historical figures for FY2016 and is not necessarily representative of the Company's or the EEIC Group's future financial performance. Although the proposed Share Purchase Mandate would authorise the Company to buy back up to ten per cent. (10%) of the total number of issued Shares (excluding Treasury Shares, if any) as at the date the Share Purchase Mandate is obtained, the Company may not necessarily buy back or be able to buy back ten per cent. (10%) of the total number of issued Shares (excluding Treasury Shares) in full. As mentioned above, the Company is not permitted to hold Treasury Shares.
- 4.7.10 To the best of the knowledge of the Directors, and having made all reasonable enquiries, as at the Latest Practicable Date, none of the Directors nor any of their close associates has a present intention, in the event that the proposed Share Purchase Mandate is approved by Shareholders, to sell Shares to the Company.
- 4.7.11 The Directors have undertaken to the HKSE that the power of the Company to make Share Purchases pursuant to the proposed Share Purchase Mandate, if approved, shall be exercised in accordance with the HK Listing Rules, and the laws of Singapore, being the jurisdiction in which the Company is incorporated.
- 4.7.12 As at the Latest Practicable Date, there is no core connected person of the Company that has notified the Company that he has a present intention to sell Shares to the Company or has undertaken not to sell any of the Shares held by him to the Company, in the event that the Company is authorised to make purchases of Shares.

LETTER TO SHAREHOLDERS

4.7.13 The highest and lowest prices at which the Shares have traded on the HKSE, respectively, during each month of the previous 12 months are as follows:

4.8 Tax implications arising from Share Purchases

Shareholders who are in doubt as to their respective tax positions or tax implications of Share Purchases by the Company, or who may be subject to tax, whether in or outside Singapore, should consult their own professional advisers.

4.9 Listing Rules

4.9.1 Singapore Listing Rules

- (a) The Listing Manual specifies that a listed company shall notify the SGX-ST of any On-Market Share Purchases not later than 9:00 a.m. on the Market Day following the day on which the On-Market Share Purchase was made, and of any Off-Market Share Purchases not later than 9:00 a.m. on the second Market Day after the close of acceptance of the offer for the Off-Market Share Purchase. The notification of such Share Purchases to the SGX-ST shall be in such form and shall include such details that the SGX-ST may prescribe. The Company shall make arrangements with its stockbrokers to ensure that they provide the Company in a timely fashion the necessary information which will enable the Company to make the notifications to the SGX-ST.

LETTER TO SHAREHOLDERS

- (b) The Company will not buy any Shares during the period commencing two (2) weeks before the announcement of the Company's results for each of the first, second and third quarters of its financial year, or one (1) month before the announcement of the Company's annual results, as the case may be, and ending on the date of announcement of the relevant results. Further, the Company will not undertake Share Purchases after a price sensitive development has occurred or has been the subject of consideration and/or a decision of the Board until such time as the price sensitive information has been publicly announced.
- (c) The Listing Manual requires a listed company to ensure that at least ten per cent. (10%) of the total number of issued Shares excluding Treasury Shares (excluding preference shares and convertible equity securities) in a class that is listed is at all times held by the Public. The "**Public**", as defined under the Listing Manual, are persons other than the directors, chief executive officer, Substantial Shareholders or Controlling Shareholders of the Company or its subsidiaries, as well as the associates of such persons. Based on the Register of Directors' Shareholdings maintained by the Company and its subsidiaries and the Register of Substantial Shareholders maintained by the Company as at the Latest Practicable Date, there are 47,201,997 Shares in the hands of Public Shareholders, representing approximately 25.25% of the total number of issued Shares excluding Treasury Shares. Assuming the Company exercises the Share Purchase Mandate in full and purchases ten per cent. (10%) of the total number of issued Shares excluding Treasury Shares (excluding preference shares and convertible equity securities) from the Public, the number of Shares in the hands of the Public would be reduced to approximately 28,510,001 Shares, representing approximately 16.95% of the total number of issued Shares excluding Treasury Shares (excluding preference shares and convertible equity securities). It should be noted that the Company has no Treasury Shares, and is not permitted to hold Treasury Shares.
- (d) Based on the above analysis, the Company is of the view that there is a sufficient number of Shares in issue held by Public Shareholders, which would permit the Company to undertake purchases or acquisitions of its Shares up to the full ten per cent. (10%) limit pursuant to the Share Purchase Mandate, without affecting the listing status of the Shares on the SGX-ST. However, the Company will not be able to exercise the Share Purchase Mandate to its full extent since it needs to comply with the minimum public float requirement under the HK Listing Rules. The Directors have no present intention to exercise the Share Purchase Mandate to such an extent, as it would result in the Company failing to comply with the public float requirements under the Rule 8.08 of the HK Listing Rules.
- (e) In undertaking any Share Purchases, the Directors will use their best efforts to ensure that, notwithstanding such Share Purchases, a sufficient float in the hands of the Public will be maintained so that the Share Purchases will not adversely affect the listing status of the Shares on the SGX-ST, cause market illiquidity or adversely affect the orderly trading of the Shares.

LETTER TO SHAREHOLDERS

4.9.2 HK Listing Rules

- (a) Pursuant to the HK Listing Rules, the Company shall ensure that after its purchase of Shares on any stock exchange, at least twenty five per cent. (25%) of its Shares will remain in the hands of the public.
- (b) In addition, under the HK Listing Rules, an issuer shall not purchase its shares on HKSE at any time after inside information has come to its knowledge, until the information is made publicly available. In particular, during the period of one (1) month immediately preceding the earlier of: (a) the date of the board meeting (as such date is first notified to the HKSE in accordance with the HK Listing Rules) for the approval of the issuer's results for any year, half-year, quarterly or any other interim period (whether or not required under the HK Listing Rules); and (b) the deadline for the issuer to announce its results for any year or half-year under the HK Listing Rules, or quarterly or any other interim period (whether or not required under the HK Listing Rules), and ending on the date of the results announcement, the issuer may not purchase its shares on the HKSE, unless the circumstances are exceptional. Further, an issuer shall not knowingly purchase its shares from a core connected person and a core connected person shall not knowingly sell shares to the issuer, on the HKSE.
- (c) In undertaking any Share Purchases, the Directors will use their best efforts to ensure that, notwithstanding such Share Purchases, a sufficient float in the hands of the public will be maintained so that the Share Purchases will not adversely affect the listing status of the Shares on the HKSE, cause market illiquidity or adversely affect the orderly trading of the Shares.

4.10 **Take-over Code implications arising from Share Purchases**

4.10.1 Singapore Take-over Code Implications

- (a) The resultant increase in the percentage of voting rights held by a Shareholder and persons acting in concert with him, following the Share Purchases, will be treated as an acquisition for the purposes of Rule 14 of the Singapore Take-over Code ("**Rule 14**"). Consequently, depending on the number of Shares purchased by the Company and the Company's issued share capital at that time, a Shareholder or group of Shareholders acting in concert with each other could obtain or consolidate effective control of the Company and could become obliged to make a take-over offer under Rule 14.
- (b) Under the Singapore Take-over Code, persons acting in concert or concert parties comprise individuals or companies who, pursuant to an agreement or understanding (whether formal or informal), co-operate, through the acquisition by any of them of shares in a company to obtain or consolidate effective control of the company. Unless the contrary is established, the following persons, *inter alia*, will be presumed to be acting in concert, namely: (i) a company with any of its directors (together with their close relatives, related trusts as well as companies controlled by any of the directors, their close relatives and related trusts); and (ii) a company, its parent, Subsidiaries and fellow Subsidiaries, and their Associated

LETTER TO SHAREHOLDERS

Companies and companies of which such companies are Associated Companies, all with one another, and any person who has provided financial assistance (other than a bank in the ordinary course of business) to any of the aforesaid for the purchase of voting rights. For this purpose, ownership or control of at least twenty per cent. (20%) but not more than fifty per cent. (50%) of the voting rights of a company will be regarded as the test of Associated Company status.

- (c) The circumstances under which Shareholders (including Directors) and persons acting in concert with them, respectively, will incur an obligation to make a take-over offer under Rule 14 after a purchase or acquisition of Shares by the Company are set out in Rule 14 and Appendix 2 of the Singapore Take-over Code.
- (d) In general terms, the effect of Rule 14 and Appendix 2 is that, unless exempted, Directors and persons acting in concert with them will incur an obligation to make a take-over offer under Rule 14 if, as a result of the Company purchasing or acquiring Shares, the voting rights of such Directors and their concert parties would increase to thirty per cent. (30%) or more, or, in the event that such Directors and their concert parties hold between thirty per cent. (30%) and fifty per cent. (50%) of the Company's voting rights, the voting rights of such Directors and their concert parties would increase by more than one per cent. (1%) in any period of six (6) months.
- (e) Under Appendix 2 of the Singapore Take-over Code, a Shareholder not acting in concert with the Directors will not be required to make a take-over offer under Rule 14 if, as a result of the Company purchasing or acquiring its Shares, the voting rights of such Shareholder would increase to thirty per cent. (30%) or more, or, if such Shareholder holds between thirty per cent. (30%) and fifty per cent. (50%) of the Company's voting rights, the voting rights of such Shareholder would increase by more than one per cent. (1%) in any period of six (6) months. Such Shareholder need not abstain from voting in respect of the resolution renewing the Share Purchase Mandate.
- (f) Shareholders will be subject to the provisions of Rule 14 if they acquire any Shares after the Share Purchase. For the purpose of the Singapore Take-over Code, an increase in the percentage of voting rights as a result of the Share Purchases will be taken into account in determining whether a Shareholder and persons acting in concert with him have increased their voting rights by more than one per cent. (1%) in any period of six (6) months.
- (g) The interests of the Directors and Substantial Shareholders of the Company in the Shares are disclosed in Section 6, below.
- (h) As at the Latest Practicable Date, assuming: (a) the Company purchases the maximum number of ten per cent. (10%) of the issued share capital of the Company; and (b) there is no change in the number of Shares held or deemed to be held by the Directors and Substantial Shareholders of the Company and their respective persons in concert, prior to

LETTER TO SHAREHOLDERS

and after the exercise of the Share Purchase Mandate, none of the Directors and Substantial Shareholders of the Company will become obligated to make a mandatory take-over offer under Rule 14, in the event that the Company purchases the maximum number of 18,691,996 Shares under the Share Purchase Mandate.

4.10.2 HK Takeovers Code Implications

- (a) If, as a result of the repurchase of Shares by the Company pursuant to the Share Purchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company is increased, such increase will be treated as an acquisition for the purpose of the HK Takeovers Code. Accordingly, a Shareholder or a group of Shareholders acting in concert should obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 and Rule 32 of the HK Takeovers Code.
- (b) As at the Latest Practicable Date, to the best of the knowledge and belief of the Directors, Kingboard together with the parties acting in concert with it were interested in approximately 74.75% of the issued share capital of the Company. In the event that the Directors exercise in full the proposed Share Purchase Mandate to repurchase Shares, the aggregate shareholding of the aforesaid Shareholders will be increased to approximately 83.05% of the issued share capital of the Company. To the best of the knowledge and belief of the Directors, such increase would not give rise to an obligation to make a mandatory offer under the HK Takeovers Code.
- (c) The Directors are not aware of any consequences, which may arise under the HK Takeovers Code as a result of any repurchase made under the Share Purchase Mandate and under the HK Takeovers Code.
- (d) The Directors have no present intention to repurchase Shares to an extent that will trigger the obligations under the HK Takeovers Code to make a mandatory offer.

4.10.3 Shareholders who are in doubt as to their obligations, if any, to make a mandatory takeover offer under the Singapore Take-over Code and/or the HK Takeovers Code as a result of any Share Purchase should consult the Securities Industry Council and/or the SFC and/or their professional advisers at the earliest opportunity.

1.3.6 For illustrative purposes, based on the latest audited consolidated accounts of the EEIC Group for FY2016, the latest audited consolidated NTA of the EEIC Group as at 31 December 2016 was US\$365,955,000. Accordingly, in relation to the EEIC Group, for the purposes of Chapter 9, in the current financial year, Shareholders' approval would be required where:

- (a) the transaction is of a value equal to, or more than, US\$18,298,000, being five per cent. (5%) of the latest audited consolidated NTA of the EEIC Group; or
- (b) the transaction, when aggregated with other transactions entered into with the same Interested Person during the same financial year, is of a value equal to, or more than, US\$18,298,000, save that the aggregation will exclude any transaction that has been approved by Shareholders previously, or is the subject of aggregation with another transaction that has been approved by Shareholders.

APPENDIX B — INTERESTED PERSON TRANSACTIONS MANDATE

1.3.7 Part VIII of Chapter 9 provides that a listed company may seek a general mandate from its shareholders for recurrent Interested Person Transactions of a revenue or trading nature or those necessary for the day-to-day operations such as the purchase and sale of supplies and materials, but not in respect of the purchase or sale of assets, undertakings or businesses. A general mandate granted by Shareholders is subject to annual renewal.

1.4 Overview of the EEIC Group and the Kingboard Group

1.4.1 Overview of the EEIC Group

The Company was incorporated in Singapore on 2 January 1993 and was listed on the SGX-ST on 5 September 1994 and on the HKSE on 8 July 2011. The EEIC Group is principally engaged in the design, development, manufacture and distribution of PCBs, and supplies a variety of PCB products to a diverse customer base.

1.4.2 Overview of the Kingboard Group

Kingboard was incorporated in the Cayman Islands on 12 January 1993 and was listed on the HKSE on 8 October 1993. The Kingboard Group is principally engaged in the manufacture and sale of laminates, copper foil, glass fabric, glass yarn, bleached kraft paper, packing cartons, PCBs, chemicals, liquid crystal displays and magnetic products, and property development and investment. Laminates, copper foil, glass fabric, glass yarn and bleached kraft paper are key raw materials used in the manufacturing of PCBs, which is the principal activity of the EEIC Group.

1.5 Rationale and benefits of the IPT Mandate

1.5.1 Kingboard is the ultimate holding company of the Company. Kingboard acquired effective control of the EEIC Group through various investment holding entities on 25 November 2004. The Kingboard Group is principally engaged in the manufacture and sale of laminates, copper foil, glass fabric, glass yarn, bleached kraft paper, packing cartons, PCBs, chemicals, liquid crystal displays and magnetic products, and property development and investment. Laminates, copper foil, glass fabric, glass yarn and bleached kraft paper are key raw materials used in the manufacturing of PCBs, which is the principal activity of the EEIC Group. In addition, the Kingboard Group also acquires expertise in fabricating machineries and equipment used in the manufacturing of PCBs.

1.5.2 The EEIC Group is principally engaged in the design, development, manufacture and distribution of PCBs, and supplies a variety of PCB products to a diverse customer base. The EEIC Group, from time to time, purchases various machineries and equipment from the Kingboard Group in its ordinary and usual course of business.

1.5.3 Following the acquisition, by the Kingboard Group, of effective control of the EEIC Group on 25 November 2004, the EEIC Group would, in the ordinary course of business, enter into the Interested Person Transactions set out in Section 1.7 with some degree of frequency.

APPENDIX B — INTERESTED PERSON TRANSACTIONS MANDATE

- 1.5.4 With respect to the Purchase of Capital Equipment, the EEIC Group has been continuously expanding its PCB business and the Company anticipates that more Equipment for the manufacture of PCBs will be required to further expand the EEIC Group's business. Taking into account a range of factors including the reduction in transportation costs, the quality and the price of Equipment manufactured by the Kingboard Group for the production of the PCBs, the EEIC Group considers that purchases of Equipment under the NEPFA (as defined below) is necessary to facilitate its expansion plan and will improve the competitiveness, the quality and price of the PCBs manufactured by the EEIC Group. The EEIC Group has been purchasing Equipment from the Kingboard Group since 2011 and has developed a good business relationship with the Kingboard Group ever since. Based on its past experience in relation to purchasing from the Kingboard Group, the Company has been satisfied by the supply of good quality Equipment from the Kingboard Group. Furthermore, the Equipment has been delivered in a timely manner with competitive costs. One important advantage of purchasing from the Kingboard Group is that the Equipment is delivered to the EEIC Group's factory from the factory site of the Kingboard Group in the People's Republic of China, which would substantially lower the transportation costs compared to importing the Equipment from overseas. Additionally, the businesses of the EEIC Group and the Kingboard Group are complementary to each other. The Kingboard Group would have a better understanding of the nature of the EEIC Group's business and the specifications of the Equipment required for the production of PCBs.
- 1.5.5 With respect to the Purchase of Goods and Services, as mentioned above, the EEIC Group is engaged in the manufacture of PCBs and, during the production process, materials such as copper foil, kraft paper, copper balls, laminates, glass fabric and prepreg are required. With respect to the Sale of Goods and Services, on the other hand, Kingboard requires materials and services including, but not limited to, green laminates and drill maintenance services as the key components to produce PCBs and laminates. Since each of the materials play an important role in the course of production for both the EEIC Group and the Kingboard Group, the sale and purchase of materials are closely related. The whole production process will be distorted and delayed if any of the materials or components are in shortage. Therefore, a reliable source of the goods and services is crucial to maintain the smooth operations of both the EEIC Group and the Kingboard Group. Given the fact that the EEIC Group has established a solid business relationship with the Kingboard Group, both are familiar with each other's standards and specifications on the goods and services and are therefore able to respond quickly and achieve greater synergy when they provide goods and services to each other. Based on the above discussion, the EEIC Group considers that the Kingboard Group is a reliable business partner and such co-operation is beneficial to the business of the EEIC Group and the Kingboard Group.
- 1.5.6 The IPT Mandate will enhance the EEIC Group's ability to utilise the resources owned by the Interested Persons set out in Section 1.6, below, thereby enabling the EEIC Group to improve its response time and service to its customers. Further, as the businesses of the EEIC Group and the Interested Persons are complementary with each other, the Interested Persons have a better understanding (as compared with unrelated third parties) of the nature of the EEIC Group's business and Equipment requirements, and *vice versa*, and the EEIC Group and the Interested Persons are therefore able to achieve greater synergy when they provide goods and services to each other.

APPENDIX B — INTERESTED PERSON TRANSACTIONS MANDATE

- 1.5.7 Further, the IPT Mandate will enable the EEIC Group to have access to competitive quotes from the Interested Persons set out in Section 1.6, below, in addition to obtaining quotes from, or transacting with, unrelated third parties. The EEIC Group will also benefit from the IPT Mandate in respect of the Purchase of Capital Equipment and the Purchase of Goods and Services as there will be a steady supply of capital Equipment and goods and services with quality assurance.
- 1.5.8 The Company obtained approval at the 2016 AGM for the Purchase of Capital Equipment from the Kingboard Group to be subject to the 2016 IPT Mandate because the Purchase of Capital Equipment is on a recurrent basis for, *inter alia*, the following reasons:
- (a) Replacing the obsolete Equipment, such obsolescence being attributable to the usual wear and tear or technological advancements that have made the existing Equipment unable to produce the required product specification called for by the customers. The replacement cycle for such Equipment is also short, usually lasting for about one (1) year.
 - (b) Investment in newly invented Equipment as new product category orders are being placed by the customers, or more stringent quality control specifications would require new type of Equipment to be purchased from time to time.
 - (c) Capacity expansion of the existing manufacturing facilities would require new Equipment to be purchased.
 - (d) Setting up of new manufacturing plants by the EEIC Group in Yangzhou and/or in Kaiping or any other manufacturing sites would require investment in new Equipment.
- 1.5.9 The Company is also seeking for the Purchase of Goods and Services from, and the sale of good and services to, the Kingboard Group to be subject to the proposed IPT Mandate because such purchase and sale of goods and services is on a recurrent basis, since this ensures a steady supply of goods and services for both the EEIC Group and the Kingboard Group on normal commercial terms.
- 1.5.10 The renewal of the 2016 IPT Mandate on an annual basis would eliminate the need for the Company to announce, or to announce and convene separate general meetings on each occasion to seek the Shareholders' prior approval, as and when potential recurrent Interested Person Transactions with a specific class of Interested Persons arise, thereby substantially reducing administrative expenses, time and inconvenience associated with the issuing of such announcements and/or the convening of such meetings, without compromising the corporate objectives of the Company and/or adversely affecting the business opportunities available to the EEIC Group. Accordingly, administrative efficiency would be considerably improved, allowing more resources and time to be focused on attaining corporate objectives and business opportunities.

1.8 Review Procedures for Interested Person Transactions

1.8.1 To ensure that the Interested Person Transactions are carried out on an arm's length basis, on normal commercial terms consistent with the EEIC Group's usual business practices and policies, and will not be prejudicial to the interests of the Company and its minority Shareholders, the Company has implemented a set of procedures for the review and approval of Interested Person Transactions under the IPT Mandate. The following paragraphs (a) and (b) of this Section 1.8.1 only refers to the Kingboard Group, as the classes of Interested Persons, with respect to the IPT Mandate, comprises only of the Kingboard Group (i.e. Kingboard, its Subsidiaries and Associated Companies).

(a) Purchase of Capital Equipment

Whenever the EEIC Group intends to purchase Equipment, in order to determine if the prices offered by the Kingboard Group are comparable to, or not less favourable than, prices offered by independent third parties, the procurement department will firstly inform the potential suppliers (including the Kingboard Group) of the amount and type of intended purchase and technical requirements of such purchase, and the operations department will then assess and evaluate the technical capabilities of such suppliers and the related quotations. The Company will ask for quotations from at least two (2) independent suppliers, which are able to meet the technical requirements of the EEIC Group of comparable scale, pursuant to which such Equipment were supplied under normal trading conditions, and report to the senior management accordingly.

Following receipt of the quotations, the Company will compare and negotiate the price and terms of the quotation on an arm's length basis. In determining the supplier, the relevant purchase department will take into account, among other factors, price quotations, quality and quantity of the Equipment, technical capabilities, qualification and experience of the suppliers, brand name of the Equipment, ability in meeting delivery schedules and delivering the Equipment continuously. As part of the internal requirement, the relevant procurement personnel and/or the director-in-charge of the relevant operating subsidiary, as the case may be, will review the purchase proposal before making the final purchase decision.

In the event that there are no comparable quotations and transactions, the Company may request for price quotations for Equipment of similar specifications and terms offered by the Kingboard Group to its independent customers, for the Company's reference purposes, and will seek to obtain the market information through various channels (such as industry-related websites or other public domains), where applicable.

APPENDIX B — INTERESTED PERSON TRANSACTIONS MANDATE

(b) Purchase and Sale of Goods and Services

Whenever the EEIC Group intends to obtain or provide goods and/or services, the prices offered by the Kingboard Group in respect of the EEIC Group's procurement of goods and/or services, or the prices offered to the Kingboard Group in respect of the EEIC Group's provision of goods and/or services (as the case may be), must be comparable to or not less favourable than, prices offered by independent third party suppliers and prices offered to independent third party customers (as the case may be).

In respect of procurement, the procurement department will inform the potential suppliers (including the Kingboard Group) of the amount and type of intended procurement and ask for quotations from at least two (2) independent third party suppliers of comparable scale, where such goods and/or services were supplied under normal trading conditions, and report to the senior management accordingly. In respect of sales, the sales department will consider two (2) comparable transactions with independent customers, where applicable, and report to the senior management accordingly.

As part of the internal requirement, the relevant sales personnel and/or the director-in-charge of the relevant operating subsidiary, as the case may be, will review purchase orders from the Kingboard Group and compare them against two (2) comparable transactions with independent customers of the EEIC Group. The historical price of comparable transactions shall be taken into account. As such, the terms offered to the Kingboard Group in respect of the sales of goods and/or provision of services to the Kingboard Group will be comparable to, or not more favourable than, what would be offered to an independent customer of the EEIC Group.

For the EEIC Group's procurement, following receipt of quotations, the Company will compare and negotiate the price and terms of quotations on an arm's length basis. In determining the supplier, the relevant procurement department will take into account, among other factors, price quotations, quality and quantity of the goods and/or services, technical capabilities, qualification and experience of the suppliers/service providers, ability in meeting delivery schedules and in delivering/providing the goods and/or services continuously. As part of the internal requirement, the relevant procurement personnel and/or the director-in-charge of the relevant operating subsidiary, as the case may be, will review the purchase proposal before making the final procurement decision. The relevant procurement personnel will also evaluate the comparable suppliers (including the Kingboard Group) on a regular basis by adopting a merit-based system in monitoring the product/service quality, pricing and other major terms, with a view to facilitating the Company in making any procurement decision of similar nature from time to time.

In the event that there are no comparable quotations and transactions for procurement, the Company may request for price quotations for goods or services of similar specifications and terms, offered by the Kingboard Group to its independent customers, for the Company's reference purposes, where applicable. In the case of procurement or sales, if there are no comparable quotations and transactions, the Company will seek to obtain the market information through various channels (such as industry-related websites or other public domains), where applicable.

APPENDIX B — INTERESTED PERSON TRANSACTIONS MANDATE

1.8.2 Further to Section 1.8.1, above, prior approval from the Audit Committee must be obtained before:

- (a) any proposed per unit purchase of the Equipment under the NEPFA equal to or exceeding US\$3,000,000 (which represents 0.81% of the latest NTA of the EEIC Group) in value is entered into; and
- (b) any other proposed single Interested Person Transaction (except for the Purchase of Capital Equipment) equal to or exceeding S\$3,000,000 (which represents 0.57% of the latest NTA of the EEIC Group) in value is entered into.

Where any member of the Audit Committee has an interest in any Interested Person Transaction, that member shall abstain from participating in the review and approval process in relation to that Interested Person Transaction.
- (e) The Audit Committee will carry out periodic reviews (not less than twice a year) to ascertain that the established review procedures, as set out above, in respect of the IPT Mandate, have been complied with, and whether the review procedures remain appropriate and continue to be able to ensure that the transactions will be carried out on normal commercial terms and are not prejudicial to the interests of the Company and its minority Shareholders. If, during their periodic reviews, the Audit Committee is of the view that the established guidelines and procedures are inappropriate or are not sufficient to ensure that the Interested Person Transactions are conducted on an arm's length basis, and may be prejudicial to the interests of the Company and its minority Shareholders, the Company will obtain a fresh mandate from Shareholders based on new review procedures and guidelines for Interested Person Transactions. In the meantime, all Interested Person Transactions are to be approved by the Audit Committee.

APPENDIX B — INTERESTED PERSON TRANSACTIONS MANDATE

- (f) The Company will report all Interested Person Transactions to the Audit Committee. The Audit Committee will review and ratify all Interested Person Transactions on a half-yearly basis. 1.9 Validity period of the IPT Mandate

If the Shareholders approve Ordinary Resolution 9 as set out in the notice of the 2017 AGM, at the 2017 AGM, the IPT Mandate will take effect immediately after the passing of Ordinary Resolution 9, and will (unless revoked or varied by the Company in general meeting) continue to be in force until the next AGM. Approval from Shareholders will be sought for the renewal of the IPT Mandate at each subsequent AGM, subject to satisfactory review by the Audit Committee of its continued application to Interested Person Transactions.

1.11 Statement from the Audit Committee

The Audit Committee (currently comprising Messrs. Raymond Leung Hai Ming, Stanley Chung Wai Cheong and Ong Shen Chieh), having considered, *inter alia*, the review procedures for the IPT Mandate as proposed to be renewed, confirms that: (1) the review procedures for determining the transaction prices have not changed since the last Shareholder approval was obtained, at the 2016 AGM, for the renewal of the IPT Mandate; and (2) the review procedures for the Interested Person Transactions, as set out in Section 1.8 of this Appendix B, as well as the periodic reviews to be made by the Audit Committee in relation thereto, are sufficient to ensure that the Interested Persons Transactions will be carried out on normal commercial terms and will not be prejudicial to the interests of the Company and its minority Shareholders.

1.12 Abstention from Voting

The following persons, by virtue of their interests in the IPT Mandate, will abstain, and have undertaken to ensure that their Associates will abstain, from voting on Ordinary Resolution 9 as set out in the notice of the 2017 AGM to be proposed at the 2017 AGM:
