**3 SIGNIFICANT EVENTS**

**3.1 Material changes in major accounting items and financial indicators during the Reporting Period and the reasons**

In the first quarter of 2017, the global economy recovered with improved economic and trading activities in developed economies such as the Europe and the U.S. The Chinese government continued the implementation of the supply side structural reform and the economy developed in a stable and favourable momentum, achieving a good start. By virtue of the stabilization and recovery of global and China's economy, during the Reporting Period, the Group recorded revenue of RMB14,676 million (the same period of last year: RMB10,412 million), representing a year-on-year increase of 40.95%; net profit attributable to shareholders and other equity holders of the parent company of RMB510 million (the same period of last year: RMB410 million), representing a year-on-year increase of 24.18%; and basic earnings per share of RMB0.1624 per share (the same period of last year: RMB0.1291 per share), representing a year-on-year increase of 25.79%.

In the first quarter of 2017, under the influence of the recovery in global trade, the demand of container shipping industry continued the improving trend since the fourth quarter of last year. Besides, the full implementation of environmental-friendly water-based paint self-discipline convention in the industry on 1 April 2017 also favoured customers' willingness and demand of early purchase of containers in the first quarter. In contrast to the weak demand in the same period of last year with a historically low level of number of orders, the sales and revenue of the containers manufacturing business of the Group both represented significant year-on-year increases during the Reporting Period. During the Reporting Period, the total sales of dry containers of the Group reached 291,900 TEUs (the same period of last year: 79,800 TEUs), representing a significant year-on-year increase of 265.79%; and the total sales of reefer containers reached 14,400 TEUs (the same period of last year: 15,200 TEUs), representing a slight year-on-year decrease of 5.26%. The container manufacturing business of the Group recorded sales revenue of RMB5,304 million (the same period of last year: RMB2,132 million), representing a year-on-year increase of 148.79%.

In the first quarter of 2017, the road transportation vehicle business of the Group got off to a good start in the domestic market. The growth of the domestic heavy truck market significantly promoted the growth in construction vehicles and logistics vehicles in China. The North American market continued to maintain its stable growth and the demand from some regional markets in the emerging market recovered. The European market grew steadily and Retlan Manufacturing Ltd., the newly acquired company in the U.K., facilitated the growth in revenue. During the Reporting Period, the sales revenue of the road transportation vehicle business of the Group was RMB4,130 million (the same period of last year: RMB2,959 million), representing a year-on-year increase of 39.57%, and the total sales were 35,000 units (sets) (the same period of last year: 23,500 units (sets)), representing a year-on-year increase of 48.94%.

In the first quarter of 2017, the market demand of the energy, chemical and liquid food equipment business of the Group improved by virtue of the increase in the international oil prices and the gradual market improvement upon cutting overcapacity in the industry with a year-on-year increase in number of orders. During the Reporting Period, the sales revenue of the energy, chemical and liquid food equipment business of the Group was RMB2,244 million (the same period of last year: RMB2,010 million), representing a year-on-year increase of 11.65%.

In the first quarter of 2017, due to the severe conditions of the global offshore engineering industry, the revenue of the offshore engineering business of the Group was RMB483 million (the same period of last year: RMB1,874 million), representing a year-on-year decrease of 74.20%. During the Reporting Period, CIMC Raffles Offshore Limited successfully completed the naming and delivery of the D90 ultra-deep-water semi-submersible drilling platform – BLUEWHALE I. The platform was delivered to the working area in South China Sea and commenced the national hydrate lease. CIMC Raffles made on-time delivery of the HYSY 162 Platform for CNOOC Energy Technology & Services Limited. For the new orders, CIMC Raffles acquired two orders for vessel repair and two orders for sightseeing vessels during the Reporting Period.

In the first quarter of 2017, both the volume and price of domestic logistic industry experienced a decline to a certain extent due to, among other things, the seasonal factors including Lunar New Year holiday and the decline in volume of import and export logistics business. The logistics service business of the Group proactively continued to improve its quality and create benefits in response to the development of the industry. During the Reporting Period, it recorded revenue of RMB1,655 million (the same period of last year: RMB1,615 million), representing a year-on-year increase of 2.50%.

In the first quarter of 2017, the logistics markets for logistics, ports, steel and iron and coal all started to recover and the domestic heavy truck market continued to turn around due to the commencement of a huge number of infrastructure projects for real estate, subways and high-speed railways and the support of a series of domestic economic policies. In particular, the natural gas heavy trucks enjoyed faster growth by virtue of favourable policies and cost advantages. During the Reporting Period, the heavy truck products of the Group recorded sales of 1,727 units, representing an increase of 68% as compared to the same period of last year, where the natural gas heavy trucks recorded sales of 434 units, representing a year-on-year increase of 151%. The heavy truck business of the Group achieved revenue of RMB506 million (the same period of last year: RMB304 million), representing a significant year-on-year increase of 66.55%.

In the first quarter of 2017, the boarding bridge business of the airport facilities equipment business of the Group continued to grow steadily. Significant benefits were brought about by Albert Ziegler GmbH, which established a new warehouse of spare parts for better development in the European market. The automated logistics systems business had acquired the automated sorting technology and accelerated its integration. The stereo parking business gained development momentum with its focus on the domestic market in Shenzhen in the future. During the Reporting Period, the sales revenue of the airport facilities equipment business of the Group was RMB491 million (the same period of last year: RMB471 million), representing a year-on-year increase of 4.23%.

In the first quarter of 2017, the real estate business of the Group recorded revenue of RMB111 million (the same period of last year: RMB138 million), representing a year-on-year decrease of 19.77%. During the Reporting Period, an investment agreement was entered into between the Group and Shougang Fund to cooperate and develop an industry park project in the New Shougang High-End Comprehensive Services Zone in Shijingshan District, Beijing. Yangzhou CIMC•Wenchang Center project (揚州中集•文昌中心項目) had fully commenced construction. Construction progressed smoothly. The stage III of phase V of Yangjiang Project made quick progress. The Group pushed the Shenzhen Qianhai Project and the Prince Bay Project forward in a proactive manner.

In the first quarter of 2017, the financial business of the Group recorded revenue of RMB544 million (the same period of last year: RMB525 million), representing a year-on-year increase of 3.73%. During the Reporting Period, CIMC Financial Leasing Co., Ltd. adhered to the strategic positioning of “the coordination of operation and finance” and further enhanced its professional capability to encourage the upward shift of customer groups. The investment in the new business basically reached the budgetary target, generally achieving a sound beginning. CIMC Finance Co., Ltd. continuously strengthened the centralized management of global funds of the Group and the management on capital liquidity. During the Reporting Period, it became a member of the commercial paper exchange as approved by Shanghai Commercial Paper Exchange and connected to an unified commercial paper exchange platform in China, improving the operation capacity of the Group with respect to commercial paper and facilitating the integration of industry and finance for the Group.

### Material changes and the reasons

On 26 July 2016, after the completion of the implementation of the 2015 dividend distribution proposal of the Company, the exercise price of the First Tranche of Share Options was adjusted to RMB10.55, and that of the Second Tranche of Share Options was adjusted to RMB16.08. For relevant information about the participants, the number of options and the price of options, please refer to the announcements of the Company (Announcement No.: [CIMC]2015-026, [CIMC]2015-027, [CIMC]2015-058, [CIMC]2015-059 and [CIMC]2016-043) published on China Securities Journal, Securities Times, Shanghai Securities News, the Cninfo website (www.cninfo.com.cn) and the Company's website (www.cimc.com) on 13 May 2015, 10 October 2015 and 27 July 2016, as well as the relevant announcements published on the website of the Hong Kong Stock Exchange.

During the Reporting Period, a total of 691,200 options were exercised under the A Share(s) Share Option Incentive Scheme, representing 1.18% of the total of share option incentive scheme (adjusted), among which, a total of 651,200 options were exercised for the First Tranche of Share Options, and a total of 40,000 options were exercised for the Second Tranche of Share Options. The implementation of A Share(s) Share Option Incentive Scheme has no material impact on the Company's financial conditions and results of operation during the Reporting Period and in the future.

### (3) Significant subsequent events

- (a) On 7 April 2017, the Company received a notice from its first largest shareholder China Merchants Port Holdings Company Limited ("**China Merchants Port**") that, China Merchants Port and China Merchants Industry Holdings Company Limited ("**China Merchants Industry Holdings**") entered into the share transfer agreement on the same date in relation to the transfer of the entire issued share capital of Soares Limited, pursuant to which China Merchants Port shall transfer the entire share capital of its wholly-owned subsidiary Soares Limited together with the outstanding shareholders' loans to China Merchants Industry Holdings. After completion of the share transfer, China Merchants Industry Holdings will become the shareholder of Soares Limited. It will indirectly hold 730,557,217 H shares in the Company, or 24.53% of the issued share capital of the Company, and therefore become the first largest shareholder of the Company. China Merchants Port will not be a shareholder of the Company. Soares Limited will hold the same number and percentage of shares in the Company after completion of the transfer. China Merchants Group Limited ("**China Merchants Group**"), as the ultimate controlling shareholder of China Merchants Port and China Merchants Industry Holdings, will hold the same number and percentage of shares in the Company indirectly and remain as the indirect first largest shareholder of the Company after the transfer of the shares of Soares Limited. The share transfer of Soares Limited is subject to approval of China Merchants Group and consideration and approval at general meeting of China Merchants Port. For details, please refer to the announcements disclosed by the Company in China Securities Journal, Shanghai Securities News, Securities Times, CNINFO website (www.cninfo.com.cn) and the Company's website (www.cimc.com) ([CIMC]2017-020) and the announcements published on the website of the Hong Kong Stock Exchange (www.hkexnews.hk) on 8 April 2017 and 12 April 2017.

- (b) As considered and approved at the 2015 annual general meeting, the first 2016 A shareholders' class meeting and the first 2016 H shareholders' class meeting of the Company on 31 May 2016, the Company proposed to issue not more than 386,263,593 new A Shares to not more than 10 qualified investors including domestic institutional investors and individual investors who meet the relevant requirements and conditions at the issuance price of no less than RMB13.86 per Share to raise gross proceeds not exceeding RMB6.0 billion (the “**Non-public Issuance of A Shares**”). The Non-public Issuance of A Shares was accepted by the CSRC, but the validity period for the relevant resolutions of general meeting will expire on 30 May 2017. In order to ensure a successful implementation of the Non-public Issuance of A Shares, as considered and approved at the second meeting of the eighth session of the Board in 2017 on 21 April 2017, the Company proposed that the number of A shares to be issued will be adjusted to 391,900,718 shares (inclusive), the issue price will be adjusted to RMB15.31 per Share, and the price determination date will be changed to 21 April 2017. It is also proposed to extend the validity period of the resolution of the general meeting and the validity period of the authorization to the Board. The aforementioned adjustments are subject to the consideration and approval at the general meeting of the Company as well as the approval of the CSRC. For relevant information, please refer to the announcement (Notice No.: [CIMC]2017-024) disclosed by the Company in China Securities Journal, Shanghai Securities News, Securities Times, Cninfo website (www.cninfo.com.cn) and the Company's website (www.cimc.com) and the announcement published on the website of the Hong Kong Stock Exchange (www.hkexnews.hk) on 21 April 2017.

The risks of interest rate swap contracts were closely related to the fluctuations of interest rate. The risks carried by foreign exchange forwards were connected with the market risks relating to exchange rates and the Group's cash flow certainty of foreign currency revenues in the future. The Group's control on the derivative financial instruments was mainly reflected in: making prudent selection and determination on the type and quantity of newly-added derivative financial instruments; as to derivatives transactions, the Group developed rigorous internal approval systems and operational processes, and clarified the approval and authorisation procedures for all levels involved, so as to control the associated risks.</p>
<p>Changes in market prices or product fair values of derivatives invested during the Reporting Period, where specific methods and relevant assumptions and parameters used shall be disclosed in the analysis of fair values of derivatives</p>	<p>From January to March 2017, the Group's profit or loss arising from changes in fair values of the derivative financial instruments was RMB8.609 million. Fair values of the derivative financial instruments of the Group were determined based on market prices of external financial institutions.</p>
<p>Explanations of any significant changes in the Company's accounting policies and specific accounting principles on derivatives between the Reporting Period and the last reporting period</p> <p>Specific opinions of independent directors on the derivatives investments and risk controls of the Company</p>	<p>No</p> <p>The Company invested in exchange rate derivatives and interest rate derivatives for the purpose of the day-to-day international business operations of the Company in order to smooth the fluctuation of the operations of the Company due to the change in exchange rates and interest rates. The effect of exchange rates and interest rates on the operations of the Company was reduced to such extent that it is acceptable and under control so the operations stabilised and improved, which ensured the long-term operating or strategic objectives were to be achieved. The Company had developed rigorous internal approval systems and operational processes. The related decision-making procedures were optimised with risks under control in compliance with the requirements of the laws and regulations and without prejudice to the interests of the Company and the shareholders, in particular, the minority shareholders.</p>
