Reference is made to the announcement of the Company dated 10 June 2016 in relation to, among other matters, the appointment of Ms Sun Min as executive Director and the announcement of the Company dated 25 July 2016 in relation to, among other matters, the appointment of Mr Zeng Gang as executive Director. REASONS FOR REPURCHASE

The Directors believe that it is in the best interests of the Company and the Shareholders as a whole to have a general authority from the Shareholders to enable the Directors to repurchase Shares in the market. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share of the Company and/or its earnings per Share and will only be made when the Board believes that such repurchases will benefit the Company and the Shareholders as a whole.

FUNDING OF REPURCHASE

In repurchasing Shares, the Company may only apply funds legally available for such purpose in accordance with its memorandum of association, the Bye-laws, the Listing Rules and the applicable laws of Bermuda.

The laws of Bermuda provide that such repurchases may only be effected out of the capital paid up on the repurchased shares or out of the funds of the Company which would otherwise be available for dividend or distribution or out of the proceeds of a fresh issue of Shares made for the purposes.

Any premium payable on a repurchase over the par value of the Shares to be repurchased is to be provided for out of funds of the Company otherwise available for dividend or distribution or out of the Company's share premium account before the Shares are repurchased.

There might be a material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in the audited financial statements of the Company for the year ended 31 December 2016) in the event that the Share Repurchase Mandate was to be exercised in full at any time during the repurchase period. However, the Board does not propose to exercise the Share Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements or the gearing level of the Company.

UNDERTAKING

The Directors have undertaken to the Stock Exchange that they will exercise the powers of the Company to make repurchases pursuant to the Share Repurchase Mandate in accordance with the memorandum of association of the Company, the Bye-laws, the Listing Rules and the applicable laws of Bermuda so far as the same may be applicable.

None of the Directors nor, to the best of their knowledge, having made all reasonable enquiries, any of their associates (as defined in the Listing Rules) has any present intention to sell Shares to the Company or its subsidiaries under the Share Repurchase Mandate, if such is approved by the Shareholders.

No connected person (as defined in the Listing Rules) has notified the Company that he has a present intention to sell Shares to the Company or its subsidiaries, or has undertaken not to do so, in the event that the Share Repurchase Mandate is approved by the Shareholders.

EFFECT OF THE TAKEOVERS CODE

If, as a result of a share repurchase by the Company, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase may be treated as an acquisition for the purpose of Rule 32 of the Takeovers Code. Accordingly, a Shareholder, or group of Shareholders acting in concert (within the meaning of the Takeovers Code) depending on the level of increase of the Shareholder's interests, could obtain or consolidate control of the Company or become obliged to make a mandatory offer in accordance with Rules 26 and 32 of the Takeovers Code as a result of the increase.

As at the Latest Practicable Date, to the best of the knowledge and belief of the Company, Founder Information, being the only controlling shareholder of the Company, was interested in 3,422,227,431 Shares, representing approximately 57.15% of the issued share capital of the Company. In the event that the Directors exercise in full the power to repurchase Shares in accordance with the Share Repurchase Mandate, the shareholding of Founder Information in the Company will be increased to approximately 63.50% of the issued share capital of the Company. The Directors are not aware of any consequences which the exercise in full of the Share Repurchase Mandate would have under the Takeovers Code.

SHARE REPURCHASE MADE BY THE COMPANY

There have been no repurchases of Shares by the Company made in the six months prior to the date of this circular (whether on the Stock Exchange or otherwise).
