At the annual general meeting of the Company held on 17 June 2016, general mandates were granted to the Directors to repurchase Shares and issue new Shares respectively. Each of such mandates will lapse at the conclusion of the annual general meeting. In order to give the Company the flexibility to repurchase Shares and issue and allot new Shares if and when appropriate, the Directors would like to seek your approval to grant new general mandates to the Directors.

An ordinary resolution set out as resolution no. 4 in the notice of the AGM will be proposed at the AGM to grant to the Directors the Share Repurchase Mandate to repurchase Shares up to an amount not exceeding 10% of the number of shares in issue as at the date of the passing of the resolution.

An ordinary resolution set out as resolution no. 5 in the notice of the AGM will also be proposed at the AGM to grant to the Directors the Issue Mandate to allot and issue new Shares up to an amount not exceeding 20% of the number of shares in issue as at the date of the passing of the resolution. Such Issue Mandate will be extended by the passing of a separate resolution set out as resolution no. 6 in the notice of the AGM by the addition to the aggregate nominal amount of the Shares which may be allotted and issued pursuant to the Issue Mandate of an amount representing the number of Shares repurchased by the Company pursuant to the Share Repurchase Mandate subject to the passing of the ordinary resolutions nos. 4 and 5 in the notice of the AGM to grant the Share Repurchase Mandate and the Issue Mandate to the Directors.

The Share Repurchase Mandate and Issue Mandate, if approved at the AGM, will continue in force until the conclusion of the next annual general meeting of the Company or the expiration of the period within which the next annual general meeting of the Company is required by Articles or any applicable laws of Hong Kong to be held or the passing of an ordinary resolution by Shareholders revoking or varying the authority given to the Directors, whichever occurs first.

With reference to the Share Repurchase Mandate and the Issue Mandate, the Directors wish to state that they have no immediate plan to repurchase any Shares or issue any new Shares pursuant thereto.

LETTER FROM THE BOARD

5. RECOMMENDATION

The Directors believe that the grant of each of the Share Repurchase Mandate, the Issue Mandate and the Extension Mandate, is in the best interests of the Company and the Shareholders as a whole.

The Share Repurchase Mandate may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or earnings per Share and will only be exercised when the Directors believe that repurchases of Shares will benefit the Company and the Shareholders. The Directors believe that the exercise of the Issue Mandate will enable the Company to take advantage of market conditions to raise additional capital for the Company. An exercise of the Share Repurchase Mandate in full may have a material adverse impact on the working capital or gearing position of the Company compared with that as at 31 December 2016, being the date of the Company's latest audited consolidated financial statements. The Directors do not, however, intend to make any repurchase in circumstances that would have a material adverse impact on the working capital or gearing position of the Company.

Accordingly, the Directors recommend the Shareholders to vote in favour of the ordinary resolutions no. 4, 5 and 6 to be proposed at the AGM.

6. GENERAL INFORMATION

Your attention is drawn to the additional information set out in Appendix I to this circular.

7. ANNOUNCEMENT CLARIFICATION

Reference is made to the announcement issued by the Company dated 30 March 2017 in relation to the results announcement for the year ended 31 December 2016 (the "**Announcement**").

The Company would like to clarify the statement on page 6 of the Announcement that the auditor's report did include a reference to the matter (being the "Material Uncertainty Related to Going Concern" as set out on page 37 of the Announcement) to which the auditor would draw attention by way of emphasis without qualifying its report.

The above clarification does not affect other information contained in the Announcement and, saved as disclosed herein, the contents of the Announcement remain correct and unchanged.

Yours faithfully,
For and on behalf of the Board
WANG Di
Chairman

The following is an explanatory statement required by the Listing Rules to provide the Shareholders with requisite information reasonably necessary for them to make an informed decision on whether to vote for or against the ordinary resolution to be proposed at the AGM in relation to the granting of the Share Repurchase Mandate, and constitutes the memorandum required under section 239 of the Companies Ordinance.

1. LISTING RULES RELATING TO THE REPURCHASE OF SHARES

The Listing Rules permit companies whose primary listing is on the Stock Exchange to repurchase their shares on the Stock Exchange or any other stock exchange on which the securities of the company are listed and such exchange is recognised by the Securities and Futures Commission of Hong Kong for this purpose subject to certain restrictions. Among such restrictions, the Listing Rules provide that the shares of such company must be fully paid up and all repurchase of shares by such company must be approved in advance by an ordinary resolution of shareholders, either by way of a general repurchase mandate or by specific approval of a particular transaction.

2. SHARE CAPITAL

As at the Latest Practicable Date, the number of Shares in issue was 2,006,666,666 Shares.

Subject to the passing of the ordinary resolution set out in resolution no. 4 of the notice of the AGM in respect of the granting of the Share Repurchase Mandate and on the basis that the number of Shares in issue remains unchanged on the date of the AGM i.e being 2,006,666,666 Shares, the Directors would be authorised under the Share Repurchase Mandate to repurchase (during the period in which the Share Repurchase Mandate remains in force) 200,666,667 Shares, representing 10% of the number of Shares in issue as at the date of the AGM.

3. REASONS FOR REPURCHASE OF SHARES

The Directors believe that it is in the best interests of the Company and the Shareholders as a whole to have a general authority from the Shareholders to enable the Company to repurchase Shares on the Stock Exchange or any other stock exchange on which the Shares are listed.

Such repurchases may, depending on the market conditions and funding arrangements at the time, lead to an enhancement of the net asset value of the Company and/or the earnings per Share and will only be made when the Directors believe that such repurchase will benefit the Company and the Shareholders as a whole.

4. FUNDING OF REPURCHASE

In repurchasing Shares, the Company may only apply funds legally available for such purpose in accordance with the Articles, the Listing Rules and the applicable laws of Hong Kong. The Company may not repurchase its own securities on the Stock Exchange for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange from time to time.

5. IMPACT OF REPURCHASE

There might be a material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in the audited accounts contained in the annual report of the Company for the year ended 31 December 2016) in the event that the Share Repurchase Mandate was to be carried out in full at any time during the proposed repurchase period. However, the Directors do not intend to exercise the Share Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing position which in the opinion of the Directors are from time to time appropriate for the Company.

6. MARKET PRICES OF SHARES

The highest and lowest prices at which the Shares have been traded on the Stock Exchange in each of the previous 12 months and up to the Latest Practicable Date were as follows:

	Highest <i>HK\$</i>	Lowest <i>HK\$</i>
2016		
April	0.94	0.72
May	0.78	0.66
June	0.74	0.64
July	0.74	0.64
August	0.75	0.66
September	0.74	0.67
October	0.76	0.68
November	0.92	0.73
December	0.99	0.81
2017		
January	1.14	0.83
February	1.26	1.07
March	1.18	0.92
April (up to the Latest Practicable Date)	1.42	1.01

7. GENERAL

To the best of the knowledge of the Directors and having made all reasonable enquiries, none of the Directors nor any of their respective close associates (as defined in the Listing Rules) have any present intention to sell any Shares to the Company in the event that the Share Repurchase Mandate is granted by the Shareholders.

As at the Latest Practicable Date, the Company has not been notified by any core connected persons (as defined in the Listing Rules) of the Company that they have a present intention to sell any Shares to the Company, or that they have undertaken not to sell any Shares held by them to the Company in the event that the Share Repurchase Mandate is granted by the Shareholders.

The Directors have undertaken to the Stock Exchange to exercise the power of the Company to make repurchases of Shares pursuant to the Share Repurchase Mandate in accordance with the Listing Rules and the applicable laws of Hong Kong.

8. TAKEOVERS CODE

If as a result of a repurchase of Shares pursuant to the Share Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition of voting rights for the purposes of Rule 32 of the Takeovers Code. Accordingly, a Shareholder or a group of Shareholders acting in concert (within the meaning under the Takeovers Code), depending on the level of increase in the Shareholders' interest, could obtain or consolidate control of the Company and thereby become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, the immediate holding company of the Company is Xiwang Investment which in turn is wholly owned by Xiwang Holdings. The ultimate holding company of the Company was Xiwang Group, through its wholly owned subsidiary, Xiwang Hong Kong.

As at the Latest Practicable Date, Xiwang Investment held 1,500,000,000 Shares, representing approximately 74.75% of the Shares carrying voting rights in issue. Assuming that Xiwang Investment would not dispose of its Shares or acquire additional Shares and that no Shares would be issued or repurchased before the date of the AGM, if the Repurchase Mandate were exercised in full, the percentage shareholding of Xiwang Investment would be increased to approximately 83.1% of the Shares carrying voting rights in issue. Therefore, the exercise of the Repurchase Mandate in full would not trigger an obligation on Xiwang Investment to make a mandatory offer under Rule 26 of the Takeovers Code.

The Directors are not aware of any consequences which may give rise to an obligation to make a mandatory offer under Rule 26 of the Takeovers Code. The Directors do not propose to exercise the Share Repurchase Mandate to such an extent as would, in the circumstances, give rise to an obligation to make a mandatory offer in accordance with Rule 26 of the Takeovers Code and/or result in the aggregate number of Shares held by the public shareholders falling below the prescribed minimum percentage required by the Stock Exchange.

9. REPURCHASE OF SHARES MADE BY THE COMPANY

The Company had not purchased any of the Shares (whether on the Stock Exchange or otherwise) in the six months preceding the Latest Practicable Date.
