VOLUNTARY ANNOUNCEMENT

MOBI WINS THE BID FOR CHINA MOBILE'S 946,000 BASE STATION ANTENNAE CENTRALIZED PROCUREMENT, RANKING AMONG THE TOP THREE IN TERMS OF SHARE

This announcement is made by the board of directors (the “**Board**”) of MOBI Development Co., Ltd. (the “**Company**”, together with its subsidiaries, collectively the “**Group**”) to provide the latest information on the successful bid made by the Group in respect of China Mobile’s base station antennae centralized procurement for 2017-2018.

The Board is pleased to announce that in the successful bid announcement issued by China Mobile for its base station antennae centralized procurement for 2017-2018, MOBI Antenna Technologies (Shenzhen) Co. Ltd., a subsidiary of the Group, won a share of approximately 155,000 antennae, ranking among the top three out of the 10 successful bidders in terms of share of awarded antennae. It is estimated that a total of approximately 946,000 antennae and 23 models of base station antennae (including the frequency bands of 900MHz\1800MHz\F\A\D) will be procured under the said project of China Mobile.

By virtue of its solid accumulation and R&D strength in the field of antenna technology, the Company continues to occupy a leading position in the industry. It is believed that this successful bid will also create good growth opportunities for the Company in 2017 and 2018.

The successful bid announcement issued by China Mobile is not a trading contract and specific terms of the procurement shall be based on the final contract signed. Investors are advised to pay attention to investment risks and exercise caution when dealing in shares of the Company.
