Interim Results for the Six Months Ended 30 June 2017

The directors of RoadShow Holdings Limited (the “Company” or “RoadShow”) (the “Directors”) submit herewith the unaudited consolidated statement of profit or loss and unaudited consolidated statement of profit or loss and other comprehensive income of the Company and its subsidiaries (collectively referred to as the “Group”) for the six months ended 30 June 2017 and the unaudited consolidated statement of financial position of the Group at 30 June 2017, together with the comparative figures for the six months ended 30 June 2016 and at 31 December 2016 respectively.

Financial Review

Loss attributable to equity shareholders of the Company was HK\$11.0 million for the six months ended 30 June 2017, compared with HK\$11.8 million for the six months ended 30 June 2016, whilst loss from operations was approximately HK\$10.1 million for the six months ended 30 June 2017 (six months ended 30 June 2016: HK\$8.7 million). The increase in loss for the current period was mainly attributable to the reduction in revenue by approximately HK\$27.9 million mainly due to the gradual scaling down of the BUS-TV business approaching the expiry of the related licence agreement with The Kowloon Motor Bus Company (1933) Limited (“KMB”) on 30 June 2017, net off by the net reversal of provision for onerous contracts of approximately HK\$10.1 million, an exchange gain of approximately HK\$5.2 million due to appreciation of the Renminbi, the decrease in depreciation and amortisation by approximately HK\$5.4 million and the reduction in cost of inventories sold by approximately HK\$5.1 million due to expiry of a licence agreement on the sale of merchandises.

Operating Revenue

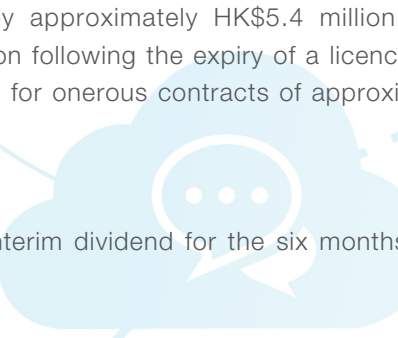

For the six months ended 30 June 2017, the Group reported total operating revenue of HK\$174.0 million of which HK\$163.4 million was from the media sales services and HK\$10.6 million was from other revenue and other net income. Revenue generated from media sales services was HK\$163.4 million for the six months ended 30 June 2017 compared with HK\$191.3 million for the six months ended 30 June 2016, representing a decrease of approximately 14.6% mainly resulting from the expiry of the licences relating to BUS-TV and billboard businesses.

Operating Expenses

The Group’s operating expenses decreased by HK\$22.5 million, from HK\$206.6 million for the six months ended 30 June 2016 to HK\$184.1 million for the six months ended 30 June 2017, mainly due to the decrease in depreciation and amortisation by approximately HK\$5.4 million, the decrease in cost of inventories sold by approximately HK\$5.1 million following the expiry of a licence agreement on the sale of merchandises and the net reversal of provision for onerous contracts of approximately HK\$10.1 million.

Interim Dividend

The Directors do not propose to declare an interim dividend for the six months ended 30 June 2017 (six months ended 30 June 2016: HK\$Nil).

Liquidity, Financial Resources and Capital Structure

Liquidity and Financial Resources

At 30 June 2017, the Group's bank deposits and cash amounted to HK\$380.5 million (31 December 2016: HK\$398.0 million), which are denominated in Hong Kong dollars, United States ("US") dollars and Renminbi. Apart from providing working capital to support its media sales services, the Group maintains a strong cash position to meet potential needs for business expansion and development.

At 30 June 2017 and 31 December 2016, the Group did not have any bank borrowings. The gearing ratio, representing the ratio of bank borrowings to the total share capital and reserves of the Group was 0% at 30 June 2017 and 31 December 2016. At 30 June 2017 and 31 December 2016, the Group had stand-by banking facilities totalling HK\$30.0 million.

At 30 June 2017, the Group had net current assets of HK\$466.9 million (31 December 2016: HK\$475.4 million) and total assets of HK\$576.6 million (31 December 2016: HK\$618.7 million).

Charge on Assets

At 30 June 2017, bank deposits of HK\$79.3 million (31 December 2016: HK\$78.3 million) were pledged mainly to secure certain bank guarantees provided by the subsidiaries of the Company to fellow subsidiaries regarding their due performance and payment under certain licence agreements between the subsidiaries of the Company and the fellow subsidiaries.

Exposure to Fluctuations in Exchange Rates and Related Hedges

The Group's monetary assets and transactions are principally denominated in Hong Kong dollars, US dollars and Renminbi. During the six months ended 30 June 2017, the Company recognised an exchange gain of approximately HK\$5.2 million (six months ended 30 June 2016: exchange loss of HK\$1.9 million) due to the appreciation of the Renminbi against Hong Kong dollars. During the period, there was no material fluctuation in the exchange rates of Hong Kong dollars and US dollars. The Group did not engage in any transactions involving derivative financial instruments and did not commit to any financial instruments to hedge its financial position exposure during the six months ended 30 June 2017.

Contingent Liabilities

The Group did not have any significant contingent liabilities at 30 June 2017 and 31 December 2016.

Employees and Remuneration Policies

At 30 June 2017, the Group had 113 full-time employees. The Group offers a comprehensive and competitive remuneration and benefits package to all its employees. In addition, it offers a performance bonus scheme to its senior staff based on achievement of business objectives and a sales commission scheme to its sales team based on achievement of advertising revenue targets. The Group has adopted a provident fund scheme for its employees in Hong Kong as required under the Mandatory Provident Fund Schemes Ordinance.

Business Review and Prospects

In the first half of 2017, Hong Kong's advertising market continued to be adversely impacted by global and local economic uncertainties. Although adspend rebounded in the second quarter of 2017, the outlook for the media industry, outdoor in particular, was still murky as advertisers tend to be very cautious when deciding when and where to place their marketing campaigns.

The Group's revenue from advertising dropped amid keen competition from the digital media and other out-of-home (OOH) media vendors, the gradual scaling down of the BUS-TV business due to the reason stated in the following paragraph and the expiry of the licence relating to the billboard business. The Group has taken measures to streamline its operations and reduce operating costs so as to increase its cost efficiency. As a result, the Group's performance for the six months ended 30 June 2017 was not significantly worse as compared with the same period last year.

Having reviewed the Group's operations and considered the terms included in the tender invitation issued by KMB for a new licence relating to the BUS-TV business, the Group decided during the year ended 31 December 2016 not to submit a tender for this new licence, which would have succeeded the then existing licence due to expire on 30 June 2017. As a result, the Group's BUS-TV business ceased with effect from 1 July 2017. The cessation of the BUS-TV business will allow the Group to reallocate its resources to other more profitable areas of its business.

On the other hand, KMB has exercised its option to extend the term of the licence agreement in respect of the BUS-BODY and IN-BUS advertising businesses for another 36 months from 1 July 2017 to 30 June 2020 (both dates inclusive) with all other terms and conditions of the licence agreement remaining unchanged.

Furthermore, in May 2017, the Group by itself entered into a licence agreement with KMB for the provision of bus shelter advertising agency services to KMB for an initial term of 5 years commencing from 1 July 2017 and ending on 30 June 2022 (both dates inclusive), which may be extended for another 5 years from 1 July 2022 to 30 June 2027 (both dates inclusive), at the option of KMB. This licence has succeeded the licence relating to bus-shelter advertising business jointly operated with JCDecaux Cityscape Limited which expired on 30 June 2017.

Looking ahead, Hong Kong's advertising market and retail sector will continue to be impacted by global economic uncertainty. While we anticipate that adspend, especially on OOH advertising, will remain stagnant in the second half of 2017, we will strive hard to maintain the competitiveness of our core operations and maximise cost efficiency by streamlining operations and implementing tighter cost controls. In moving forward, we will work tirelessly to maintain our proven policy of ensuring healthy expansion by meticulously examining opportunities to diversify our business portfolio and increase market share whenever and wherever possible. Along the way, RoadShow will also continue to do its utmost to achieve greater value and improve results for both clients and our shareholders.

All of the accounts receivable are expected to be recovered within one year.

12. Pledged bank deposits

Pursuant to certain licence agreements between subsidiaries of the Company and fellow subsidiaries and between subsidiaries of the Company and independent third parties, bank guarantees have been provided to the fellow subsidiaries and the third parties in respect of the subsidiaries' due performance and payment under the respective licence agreements. The Company has pledged bank deposits of HK\$78,343,000 (31 December 2016: HK\$78,343,000) to banks for the bank guarantees issued.

The remaining deposit amounting to HK\$1,000,000 (31 December 2016: HK\$Nil) has been pledged to secure banking facilities granted to the Group.

13. Bank deposits and cash

	At 30 June 2017 HK\$'000	At 31 December 2016 HK\$'000
Cash at bank and in hand	81,966	105,558
Bank deposits with original maturities within three months	24,634	99,063

Notes to the Unaudited Interim Financial Report

(Expressed in Hong Kong dollars unless otherwise indicated)

15. Provision for onerous contracts

Having reviewed the Group's operations and considered the terms included in the tender invitation issued by KMB for a new licence relating to the BUS-TV business, the Group decided during the year ended 31 December 2016 not to submit a tender for this new licence, which would have succeeded the then existing licence due to expire on 30 June 2017. Consequently, a provision for onerous contracts of HK\$14,455,000 was recognised for the year ended 31 December 2016.

The Group remeasured the provision for onerous contracts and considered that following the expiry of the licence on 30 June 2017, it is no longer probable that an outflow of resources embodying economic benefits will be required to settle the obligation as at 30 June 2017. A reversal of provision for onerous contracts of HK\$14,455,000 was recognised for the six months ended 30 June 2017.

Given the increasingly keen price and market competition, a provision was made for onerous contracts relating to the Group's outdoor signages advertising business. The Group assessed that the unavoidable costs of meeting the obligations under related licences, which are all non-cancellable, may exceed the economic benefits expected to be received therefrom and, therefore, considered these licences to be onerous contracts. Consequently, a provision for onerous contracts of HK\$4,360,000 was recognised for the six months ended 30 June 2017.

16. Fair value measurement of financial instruments

Fair value of financial assets and liabilities carried at other than fair value

The carrying amounts of the Group's financial instruments carried at cost or amortised cost are not materially different from their fair values as at 30 June 2017 and 31 December 2016 except that amounts due from/(to) ultimate holding company and fellow subsidiaries are unsecured, interest-free and have no fixed repayment terms. Given these terms it is not meaningful to disclose their fair values.

17. Commitments

(a) Capital commitments

At 30 June 2017, the Group had the following capital commitments in relation to the purchase of property, plant and equipment not provided for in the interim financial report:

	At 30 June 2017 HK\$'000	At 31 December 2016 HK\$'000
Contracted for	456	—

(b) Operating lease commitments

At 30 June 2017, the Group's total future minimum lease payments under non-cancellable operating leases in respect of property and equipment are payable as follows:

	At 30 June 2017 HK\$'000	At 31 December 2016 HK\$'000
Within 1 year	3,293	3,350
After 1 year but within 5 years	1,350	2,970
	4,643	6,320

The Group leases property and equipment under operating leases. The leases run for an initial period of 1 to 5 years, with an option to renew the leases when all terms are renegotiated. The leases do not include any contingent rentals.

Notes to the Unaudited Interim Financial Report

(Expressed in Hong Kong dollars unless otherwise indicated)

17. Commitments (continued)

(c) Other commitments

Such licences will expire in periods ranging from 2017 to 2022. As at 31 December 2016, the Group has committed to pay licence fees at a pre-determined percentage of the net advertising rental received, subject to a guaranteed minimum amount for exclusive licences to conduct media sales management services for BUS-TV business on buses operated by KMB and Long Win. The future minimum guaranteed licence fees and royalty fees are payable as follows:

	At 30 June 2017 HK\$'000	At 31 December 2016 HK\$'000
Within 1 year	179,684	173,024
After 1 year but within 5 years	493,302	365,279
	672,986	538,303

The above licences typically run for an initial period of 32 to 72 months, and certain of the licences contain an option to renew the licence when all terms are renegotiated.

The Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited require the preparation of an interim financial report to be in compliance with the relevant provisions thereof and Hong Kong Accounting Standard 34, *Interim financial reporting*, issued by the Hong Kong Institute of Certified Public Accountants. The directors are responsible for the preparation and presentation of the interim financial report in accordance with Hong Kong Accounting Standard 34.

Our responsibility is to form a conclusion, based on our review, on the interim financial report and to report our conclusion solely to you, as a body, in accordance with our agreed terms of engagement, and for no other purpose. We do not assume responsibility towards or accept liability to any other person for the contents of this report.

Scope of review

We conducted our review in accordance with Hong Kong Standard on Review Engagements 2410, *Review of interim financial information performed by the independent auditor of the entity*, issued by the Hong Kong Institute of Certified Public Accountants. A review of the interim financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Hong Kong Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the interim financial report as at 30 June 2017 is not prepared, in all material respects, in accordance with Hong Kong Accounting Standard 34, *Interim financial reporting*.
