MANAGEMENT DISCUSSION AND ANALYSIS

BUSINESS REVIEW

References are made to the Company's announcements dated 31 March 2014 and 30 April 2014 respectively in relation to, among others things, clarification of the press release and delay in publication of the audited consolidated financial statements of the Company and its subsidiaries (collectively "the Group") for the year ended 31 December 2013. At the request of the Company, trading in shares of the Company has been suspended since 31 March 2014.

In the announcements dated 5 September 2016, it was mentioned that the directors of the company ("Directors") have tried and have not been able to gain access to the plants of the Group located in The People's Republic of China ("PRC"). In addition, the Company has not been able to contact Mr. Lin Wenjian ("Mr. Lin"), the legal representative of the subsidiaries of the Company established in the PRC ("PRC Subsidiaries"), in spite of repeated requests from the Company. Furthermore, since the resignation of Mr. Lin as a director of the Company on 17 June 2016, Mr. Lin has not tendered his resignation as director and legal representative of the PRC Subsidiaries. Neither Mr. Lin nor Mr. Lin Wenzu, both of whom have resigned as directors of the Company, have tendered resignations in relation to their directorship of those subsidiaries outside the PRC or provide assistance to the Company to change the authorised signatories mandates in respect of the bank accounts of the Group, as requested (the "Rejection of Assessment and Resignation").

As the Company has not been able to gain access to the plants of the Group located in the PRC and has not been able to contact Mr. Lin, the legal representative of the PRC Subsidiaries, to better understand the status of the PRC Subsidiaries, the Company has engaged a firm of PRC legal advisors to check the public records of the affairs of the PRC Subsidiaries. The findings of the PRC legal advisors and the work done were detailed in the announcement made by the Company dated 10 November 2016 ("Announcement"). As explained in the sub-paragraph headed "Views of the Board" of the Announcement, having reviewed the report prepared by the PRC legal advisors, the Board concluded that the PRC Subsidiaries have ceased operations and the Company is no longer in control of the PRC Subsidiaries. As such, it is considered that they have lost the control over those subsidiaries which were deconsolidated from the Group since 1 January 2013.

Given that the Directors did not have control, possession of, or access to the underlying accounting books and records of the deconsolidated subsidiaries, the discussion and analysis in this section is limited to discussion and analysis of the Company and those subsidiaries which it still has control over and the term "Group" as mentioned in this section should be construed accordingly.

FINANCIAL REVIEW

Due to the lack of control and thus the unavailability of these financial records of the PRC Subsidiaries, namely (鑫威(福建)輕工有限公司 Xin Wei (Fujian) Light Industry Co., Ltd.) and (福建省飛克體育用品有限公司 Feike Sports Products Co., Ltd. Fujian) for the period beginning from 1 January 2013, no operation nor revenue was recorded in the period for the six month ended 30 June 2017 ("Review Period"). Loss of RMB3,913,000 (2016: loss of RMB825,000) was recorded for the Review Period. The loss was incurred by the Group's general and administrative expenses and other expenses for the Review Period.

SEGMENT INFORMATION

The Group recorded no revenue generated for the Review Period (2016: RMB Nil).

As at 30 June 2017, the Group had total assets of approximately RMB239,000 (31 December 2016: RMB246,000), total liabilities of RMB37,707,000 (31 December 2016: RMB34,880,000). The net liabilities of the Group as at 30 June 2017 were RMB37,468,000 (31 December 2016: net liabilities of RMB34,634,000). Such liabilities mainly comprise the amount due to other payables of RMB30,127,000 and the amount due to a deconsolidated subsidiary of RMB6,226,000.

The roles of the chairman and chief executive of the Company were performed by the same individual, Mr. LIN Wenjian up to his resignation on 17 June 2016. After resignation of Mr. LIN Wenjian, the Company was non-compliance of the requirement under paragraph A.2 of the Code that there are two key aspects of the management, the chairman and chief executive.

Based on available information, the current Board noted that the Company did not have a policy concerning diversity of board members under the requirement of Code provision A.5.6. The Board will consider to revise the terms of reference of the nomination committee to adopt a board diversity policy.

Upon the appointment of Mr. FONG as a member of remuneration committee and nomination committee of the Company on 13 July 2016, the Company has only two independent non-executive directors and two members of audit committee, the number of which is lower than

the minimum number as required under Rule 3.10(1) and Rule 3.21 of the Listing Rules, respectively. The Company is now identifying suitable candidate(s) to fill the vacancies of one independent non-executive director and one member of audit committee of the Company.

The Company has adopted the Model Code as set out in Appendix 10 of the Listing Rules as the code for securities transactions by the Directors. PLEDGING OF SHARES BY CONTROLLING SHAREHOLDER

On 11 May 2015, Mr. LIN, the controlling shareholder of the Company (being the former chairman, chief executive and executive Director of the Company who resigned on 17 June 2016), had charged his entire interest in 480,000,000 ordinary shares of the Company to Mr. LI Heshi (“Mr. LI”), an independent third party, to secure a loan by Mr. LI to Mr. LIN.

Deconsolidation of subsidiaries

The Interim consolidated financial statements have been prepared based on the books and records maintained by the Group. However, as a result of the Rejection of Assessment and Resignation, by that time, the Directors considered that the control over the following subsidiaries had been lost. Since then, the Directors neither had control over the operating and financial activities, nor any access to the underlying accounting books and records of those subsidiaries. Due to the lack of control and thus the unavailability of the financial records of these subsidiaries for the period beginning from 1 January 2013, the Directors considered that it was impracticable to consolidate the results, assets, liabilities and cash flows of these subsidiaries from 1 January 2013.

(Xin Wei (Fujian) Light Industry Co., Ltd.*)
- (2) 福建省飛克體育用品有限公司

Going concern basis

The Interim Financial Statements have been prepared on a going concern basis on the basis that the proposed restructuring of the Group will be successfully completed, and that, following the financial restructuring, the Group will continue to meet in full its financial obligations as they fall due in the foreseeable future.

Should the Group be unable to achieve a successful restructuring and to continue its business as a going concern, adjustments would have to be made to the Interim Financial Statements to adjust the value of the Group's assets to their recoverable amounts, to provide for any further liabilities which might arise and to reclassify non-current assets and liabilities as current assets and liabilities, respectively.
