Huizhou Shum Yip was established on 5 April 2007 in the PRC as a limited liability company with registered capital of RMB50,000,000 and principally engaged in property development and provision of construction services. As at the date of this announcement, Huizhou Shum Yip is held as to 51% by Shum Yip Southern Land, as to 30% by Shenzhen Coastal and as to 19% by Shum Yip Investment and its principal assets comprise of (a) the Huizhou Project with two parcels of land at Huizhou City, Guangdong Province, the PRC with a total site area of approximately 153,240.6 sq.m. for a term of 70 years expiring on 12 October 2077 for residential use or 40 years expiring on 12 October 2047 for commercial use; and (b) two residential units at Jinhui Hujin Garden, Huicheng District, Huizhou City, Guangdong Province, the PRC with GFA of approximately 325.66 sq.m..

The Huizhou Project is situated at Huicheng District Huizhou City, Guangdong Province, the PRC which is near to the Huizhou West Railway Station and is being developed into a residential development in three phases with a total GFA of approximately 372,077 sq.m.. Phase I has a site area of approximately 38,993.5 sq.m. and GFA of approximately 135,893 sq.m. was expected to be available for pre-sale in early 2013 and the development was planned to be completed in 2016. However, the construction of Phase I has been delayed with only site formation and foundation work completed as at the date of this announcement. Phase I is currently in the progress of superstructure works and the whole development of Phase I has been rescheduled that the expected completion date is still uncertain as at the date of this announcement. The development plan of Phase II and Phase III, with a total site area of approximately 114,247.1 sq.m. and GFA of approximately 236,184 sq.m., will be fixed as the development goes onwards.. The whole affordable houses development was completed and delivered in the first quarter of 2014. The two residential units at Jinhui Hujin Garden are being held by Huizhou Shum Yip for self-occupation.

As a result of the Disposal, the Directors expect that the Group would record an unaudited gain on the Disposal of approximately RMB4,713,000 (equivalent to approximately HK\$5,309,000). Such unaudited gain is estimated based on the gross proceeds from the Disposal of RMB15,000,000 (equivalent to approximately HK\$16,896,000) less the Group's share of net assets of the 30% equity interests in Huizhou Shum Yip of approximately RMB8,716,000 (equivalent to approximately HK\$9,817,000) as at 31 March 2017 and taxes. The actual gain on the Disposal may be different from the above and will be determined based on the financial position of Huizhou Shum Yip on the date of Completion and the final tax expenses to be charged on the Disposal. The Board intends to apply the net proceeds from the Disposal as general working capital of the Group.

## **REASONS FOR AND BENEFITS OF THE DISPOSAL**

The Group is principally engaged in the property development, property investment, project management and project investment services.

Taking into account the ongoing delay in the construction and the uncertainty in the expected completion date of the Huizhou Project, the Directors believe that the proposed Disposal represents a good opportunity for the Company to realise its investment in Huizhou Shum Yip with an unaudited gain of approximately RMB4,713,000 (equivalent to approximately HK\$5,309,000). The Disposal will allow the Group to redeploy its resources to other investment opportunities when arise.

Based on the above, the Board (including the independent non-executive Directors) consider that the Disposal are in the interests of the Company and the Shareholders as a whole and the terms thereof are fair and reasonable.

## **LISTING RULES IMPLICATIONS**

Accordingly, the Disposal will constitute a connected transaction for the Company under Chapter 14A of the Listing Rules and is exempted from the circular, independent financial advice and shareholders' approval requirements.

The Disposal constitutes a discloseable transaction on the part of the Company under Chapter 14 of the Listing Rules and is therefore subject to the reporting and announcement requirements under Chapter 14 of the Listing Rules.
